GOLDEN FERNS
P. 2160, H. C.

The World's Famous Bull Noble of Oaklands, P. 3909, H. C.

He represents a union of the blood of those two distinguished cows,

LADY VIOLA, P. 8463, H. C., and

BLUE BELLE, P. 4307, H. C.

As the late Peter C. Kellogg said in another connection, it is one of those cases where the blood of two great animals nicked well. As evidence that Noble of Oaklands is a "happy nick," his record is submitted on the following pages. His dam, Lady Viola, and his grandam, Blue Belle, are shown on opposite page.

The Peerless Lady Viola, P. 8463, H. C., dam of Noble of Oaklands, P. 3909, H. C.

The "Immortal" Blue Belle, P. 4307, H. C., Grandam of Noble of Oaklands, P. 3909, H. C.

TERMS AND CONDITIONS OF SALE.

Terms Cash. Twenty-five per cent. to be paid in cash immediately after the animal is sold, OR THE SALE MAY BE DECLARED void, at option of the seller. The balance of the purchase money to be paid in cash on the day of sale, and before the animal is delivered; and, if the balance is not paid or satisfactorily secured within said time, the twenty-five per cent. will be forfeited as an agreed liquidation for damages, and the sale to be void.

Warranties. When an animal is warranted, the fact and particulars of the warranty will be proclaimed from the auction stand, otherwise animals are sold with all faults and defects, and nothing warranted except right and title to the property. Care will be taken, however, that all known defects will be set out in the catalogue, or stated by the auctioneer. In case typographical or other errors are discovered, the auctioneer will announce them, and a memorandum will be kept of such corrections, which will take precedence over the printed matter in this catalogue. Buyers are, therefore, cautioned to pay attention to the auctioneer's announcements.

Pedigrees. All the cattle are entered, or expected to be entered, before the date of sale, in the Herd Register of the American Jersey Cattle Club, and application for transfer will be furnished with each animal. Should exceptions occur they will be announced at the time of sale, unless the catalogue indicates them by the omission of the registry number. Beyond the fact that the pedigrees have been accepted for registry, and that care has been exercised to have them correct to the best of the ability of the seller, no representations are made regarding them and nothing warranted.

Bids. Where there are two or more claimants for a deciding bid, and the auctioneer is in doubt whose bid was heard, the question may be settled by putting up the animal for advance bids. After the first bid is made, no advance of less than \$10 each will be taken, except on young calves, when a special limit will be announced.

Delivery and Keeping. Buyers must procure from our bookkeeper, for each animal purchased, a separate order on the seller, and orders so obtained should be placed in the hands of the person or agent who is to remove the animals. Buyers assume all expenses and risk on animals after they are struck down.

Bidders not present may send their bids or instructions to buy, to Mr. Leander F. Herrick, our sale manager, who will take charge of such bids and use them as if he were buying for himself.

LEANDER F. HERRICK, Sales Manager.

CREDIT.

While the terms of Sale are CASH, special credits of three to twelve months will be given to responsible parties, by the same giving bankable notes with approved security, bearing interest from date. So that no detention may take place at day of sale, parties are respectfully requested to communicate with us before day of sale. Where notes are accepted for certain animals, the transfers will be held until the notes are paid.

"DECORATION DAY AT COOPER'S"

Linden Grove Sales a Classic in Jerseydom.

MARK W. POTTER, Charlemont, Mass.

I believe more Jersey owners and breeders derive more pleasure from Jersey cattle every Decoration Day at Linden Grove, Coopersburg, Pa., than at any other time and place. There is no occasion like it in this country, and I doubt whether there is anything in England or on the Island that classes with Decoration Day at Linden Grove. At no other annual event in the world can one see so many animals of high class gathered together in perfect condition. It might almost be termed an "Annual Parade of the Prize Winners of the Island." It certainly is an event for Jersey men to be proud of and to be interested in, whether they are buyers or not. Not only is it an exhibition of cattle of the highest class, but it is a lesson in selection, breeding, development and care. Hereafter I shall not only attend the sales myself, but shall insist upon my herdsmen attending, because I believe a day at Cooper's sends everyone home with higher regard for his cattle and a firmer resolve to do all in his power to improve them.

A still more important lesson of the day is that a square deal pays. I believe that Mr. Cooper's reputation for integrity and for giving his customers the best that is in him does quite as much to make his cattle sell well as does the merit of the cattle themselves. The knowledge that every animal which goes through a Cooper sale is what it is represented to be, is worth money and adds to the value of the animal in the hands of its new owner. One of the great delights of the day is the feeling that we all have that we are welcome and will receive the same courteous attention whether we buy or not.

I am still puzzled to know why Mr. Cooper sold Sultana's Oxford Lad, but he does something every year to make his sales attractive and I presume this is the explanation. Mr. George Peer predicted last year that Sultana's Oxford Lad would sell for \$20,000, and I believe he would have been cheap at that figure. If he had been held over until another year and sold with his heifers, there is no telling what he would have brought. If this bull is given a chance, he will, I believe, lift the Jersey standard higher than it has ever reached before. I hope his new owner will plan to do this by breeding him to choice individuals. He has opportunity to render a great service to a great breed.

It takes some nerve and more money

to buy such animals, but it seems certain that the best are in the end the cheapest. As one looks back over the Cooper sales, it seems clear that the best bargains for the purchasers have been the animals that cost the most money. This has clearly been proven true in the case of Flying Fox and Eminent, and, if not already proven, is rapidly being proven true in the case of Stockwell, Raleigh's Fairy Boy and Viola's Golden Jolly. Last year Viola's Golden Jolly sold for \$12,000. This year Mr. Cooper sold eight of his heifers at an average, according to my figures, of \$830 each. All of these heifers were under eighteen months of age and there was no one present to boom the blood. In fact, we were all talking about and looking at other bulls, and yet these heifers went right ahead and sold themselves at record prices. The use of Viola's Golden Jolly in the Kinloch herd ought to swell the proceeds of the sale of Messrs. Still & Laughlin by more than the amount they paid for him.

Next year I trust we shall see in the ring a nice herd of the daughters of Sultana's Oxford Lad, and I predict that they will make a record.

The only disappointment I had at Cooper's sale was, that someone did not take Mr. Cooper's advice and buy all of the Oxford Lad cows he offered and keep them in one herd.

Four years ago, at Cooper's sale, I bought two daughters of Oxford Lad—a calf named Oxford's Pretty Princess and a yearling named Oxford Lad's Fontaine. Both developed into magnificent cows. They are both show animals of superior dairy type, great breeders, and they are both "forty-pound cows," that you have to starve in order to dry. "Pretty Princess" I sold last summer to Mr. Prentice. He showed her for the first time in the four-year-old class at Springfield, Illinois, where Mr. Spaun pondered long before giving the blue ribbon to another. She had just freshened and her udder had not filled properly. Had her udder been in the condition it was three months before, Mr. Spaun might well have placed her first. Oxford Lad's Fontaine won first and championship for me at the New England fair last year, with Mr. E. S. Peer as judge. I then sold her to Mr. Prentice, for whom she won first and championship at Syracuse, with Mr. Sisson judge. When, after judging the class at Syracuse, Mr. Sisson called attention to Fontaine as an animal which might well be taken as a standard of a perfect dairy animal, I resolved to get her back into my herd, where she now is in fine shape for the coming fall shows. Three of her sons head three splendid New England herds and one son and one daughter are in my own herd.

A son of Oxford Lad, bred to a daughter of Agatha's Flying Fox, pro-

duced for me the best two-year-old heifer that ever went into a show ring—Oxford Agatha, a double great-granddaughter of Champion Flying Fox. I sold her last year to Mr. Prentice, for whom she won first and junior championship at Worcester, Syracuse, and Springfield, completely outclassing the animals shown against her, although she had been in milk nearly seven months. I think I sold her for more than an American bred two-year-old heifer ever sold for before at private sale, and at Springfield I heard Mr. Prentice refuse a price so much higher than he paid as to make me feel she had been stolen from me. I think my confidence in the Oxford Lad blood is justified.

If my figures are right, Mr. Cooper has sold at two of his auction sales, two sons and twenty daughters of Oxford Lad for an average of over \$2,000 per head. One can not tell what the future may show, but it seems to me we must recognize that to date this grandson of Golden Fern's Lad is the greatest sire that has ever lived. I shall never forget the sight of that great string of Oxford Lad cows as they passed in the sale ring last Decoration Day.

I should like to know what sort of an event other than a sale day at Linden Grove would command the attendance and close attention for about eight hours of such busy men as the president, vice-president and directors of the Pennsylvania railroad, the Hon. Wayne McVeagh, judge of the Philadelphia Courts, as well as the officers of the American Jersey Cattle Club and other prominent people who not only attend the sale but whose purchases went to show the popularity of the owner of Linden Grove.

Perhaps the most remarkable feature of the great sale and great treat to all was, that after selling 132 head we were told the evening of the sale that there were still 182 head in the herd, from which animals could be selected for a sale almost as sensational as the one that had just been held. THE JERSEY BULLETIN was right in saying "there is no telling when the ammunition runs short in the cold storage barns at Linden Grove."

We now hear that Noble of Oaklands, the "King of the Island," is to come across the Atlantic to meet his illustrious dam, Lady Viola, now at Linden Grove; and with him are to come his five daughters that stood beside him when he "cleaned the platter" at the Royal Show on the Island last May and when his sons and daughters captured first prize in every class. With Noble of Oaklands we hear are coming a great string of better test cows, first prize winners in their classes and champions. Next Decoration Day should be the greatest day in Jersey history.

T. S. COOPER THROUGH ISLAND SPECTACLES.

JNO. A. PERRÉE,
Secretary, Jersey Herd Book.

Some days ago it was my privilege to hold a long conversation with Jurat Dorey, once secretary of the Royal Jersey Agricultural Society, anent great breeders and benefactors to the Jersey breed, when, as a matter of course, the name of T. S. Cooper was mentioned. The name so engrossed the mind of Mr. Dorey that no other subject was mentioned at this prolonged interview. As our mutual friend, "T. S." is very much in evidence at present, and is reminding us all of his sale on Decoration Day, it may be interesting to your readers and visitors to Linden Grove, to hear of his experiences on the Island, and particularly his first impression on the Islanders.

Mr. Dorey said: "I first met Mr. Cooper on Friday in the town, and by appointment the following Monday at my home. Messrs. LeBrocq and Nicolle accompanied him on this second occasion. They were late in the day in reaching my place, the horse looked 'done,' the carriage bore signs of a long day's work, the men were none too good-tempered. Mr. LeBrocq said, in Jersey French: 'I never saw such a man! He has hustled us all day like slaves at top speed. This is the second horse we have tired out, he has not allowed us time to have a mouthful to eat, and, what is worse, he has not bought a thing, and I don't think he will buy any,' Mr. Nicolle added. 'And yet he takes a keen interest in them.'

"They inspected the few cattle I had, and, probably thinking it was another blank visit, Messrs. LeBrocq and Nicolle hurried out of the house. Cooper then asked me a price on Young Garenne's heifer calf. I said 30 pounds. 'I'll have her,' he replied. So, on their leaving, I could not help teasing Mr. Cooper's pilots that they had not shown him the right class of cattle. Two days after, I met them and inquired how they were faring, when they said: 'On leaving your place, we drove to the hotel, and Cooper asked: 'Have you a piece of paper?' and although he had not taken no notes during the day, he had us book some thirty head from different breeders. He never made a mistake in the breeding of any of the animals, the date of calving, their ages or the price. It was our turn to feel small and look foolish.'"

Mr. Dorey thus relates how Mr. Cooper began his purchases in Jersey and inaugurated a business which today aggregates tens of thousands of pounds. Mr. Dorey was the owner of the celebrated cow Coomassie for many years. It was he who bred from her the great bulls, Koffee, Vertumnus, Khedive and King of Ashantee.

The purchase of Khedive's Primrose at £1,000, which is a record price for a cow on this Island, also from Mr. Dorey, is one of Cooper's special features. A beautiful cow, and as her name implied, a daughter of one of Coomassie's great sons. Cooper worried

her owner for a price; and in order to "choke him right on," Mr. Dorey said, "£1,000." "It had no more effect on Cooper's features than if I had said £10," says Mr. Dorey. Some months after he received a letter from Mr. Cooper, asking him not to sell the cow, and on returning to the Island he said: "I'm going to have the cow."

"The price is £1,000."

"Quite so," said Cooper. "I shall pay you to-morrow."

I could relate many more interesting incidents, but one more will be amusing: In the 70's, Mr. LeBrocq had an appointment to drive out with an American gentleman who was also in quest of cattle, so Mr. Cooper hired a carriage and went out alone. He, however, found that the horses were too slow, so he got out and ran, and reached Rozey Manor just in time to have secured a "plum" before other buyers arrived.

I only wish that Mr. LeBrocq's eyesight was good, and that he would write about Mr. Cooper's purchases in the early 80's, and of his enthusiasm in ever endeavoring to raise the standard of excellence in the breed. If present day breeders could hear from their older brethren how he bought several bulls, including Perrot and Everton King, and left them on the Island for service, they would unanimously vote him one of the greatest pioneer benefactors in the Jersey cause.

But whenever the names of generous enthusiasts are mentioned, that of your countryman, T. S. Cooper, is likewise included for having so liberally contributed to the monument which we see to-day erected on a sound pedestal—the Jersey cow.

SAW SOME GOOD ONES.

TOM DEMPSEY, OHIO.

I had the pleasure recently, accompanied by Mr. W. R. Spann, of spending a day at "Linden Grove," and finding out what Mr. Cooper had in store for us at his next annual sale. There are many great animals now housed there—the grandest lot of cattle that I have ever seen. Even my friend Spann, who is just home from the Island, came near having a fit when he walked into the barn and saw that great string of cows and bulls, the latter including Noble of Oaklands and eight or ten other great sires. Such a grand string of "milk machines" I never saw before. What appeals most to a careful breeder is the fact that the cattle are not only great in appearance, but that all the cattle Mr. Cooper imported are either Highly Commended or sired by a Highly Commended bull or out of a Highly Commended cow.

Mr. Cooper has been very fortunate in saving calves, and he told Mr. Spann and myself that they still had some 25 to 30 cows that would calve between now and sale time, and if they were as fortunate with these calves as they had been with others, that he thought very favorably of holding part of the cattle over for the second day. However, for the good of all concerned, a one day's sale is best.

LADY VIOLA'S GREATEST DAUGHTER.

C. I. HUDSON, East Norwich, L. I., N.Y.

While the Jersey world will be full of news in regard to the importation of Noble of Oaklands, P. 3909, H. C., by the greatest judge and the man who has done more for Jerseys than anyone else in this country—Mr. T. S. Cooper—I wish to claim for Knollwood Farm the greatest daughter of Lady Viola, P. 8463, H. C., which I think no one will dispute when all the facts regarding this great cow are known. I wish to remind your readers that the following facts are official:

Willoh's Rosy, P. 10444, H. C., was sired by the great bull Willoh, P. 2855, H. C., dropped April 7, 1902, and was imported by me through Mr. Frank S. Peer, August 10, 1908, per S. S. Mesada. She was registered as Willoh's Lady Viola, 219486. She won parish prize, R. J. A. S., 1904; St. Owen parish prize, R. J. A. S., 1907; first Goddington prize in the public butter test, May, 1906; 3 lbs. of butter in 24 hours, 38 lbs. 10 oz. milk, when 38 days in milk, at four years one month old, which is the highest record for that age, even up to the present time. This alone shows her one of the greatest cows ever bred on the Island of Jersey, but she does not stop with this. She has produced three publicly tested daughters at early ages, by two different bulls.

She is dam of Brightness, P. 11606, H. C. (sired by Golden Champion, P. 3334, H. C.), who won Certificate of Merit, R. J. A. S., 2 lbs. 6¼ oz. butter in 24 hours, 31 lbs. 6 oz. milk, when 43 days in milk, May 1908—three-year-old class.

Dam of Miss Bagatelle, P. 13311, H. C. (sire, Vernonio, P. 3518, H. C.), who won parish prize and Certificate of Merit, public butter test, October, 1908—1 lb. 13¾ oz. butter, 24 lbs. of milk, when 120 days in milk, on first calf. How is this for richness? She won Certificate of Merit and third Goddington prize, public butter test, May, 1910—2 lbs. 8¾ oz. butter, 32 lbs. 14 oz. milk in 24 hours, when 97 days in milk, on second calf. Her milk required only 12.9 lbs. to make a pound of butter.

Dam of Pretty Rosy, P. 12758, H. C. (sire, Vernonio), full sister of Miss Bagatelle, who won Certificate of Merit, public butter test, October, 1909,—1 lb. 14 oz. butter, 33 lbs. 4 oz. milk in 24 hours, when 16 days in milk.

Dam of Rosy's Maid, P. 14667, H. C. (sired by Golden Maid's Prince, P. 3027, H. C.), who won first prize, R. J. A. S., as heifer-in-milk over the Island of Jersey in a class of 63, also parish prize and Reserve prize for Champion Challenge Cup, May, 1910.

Willoh's Lady Viola has dropped for Knollwood Farm the grandest heifer calf I have ever seen sired by Fairy Glen's Raleigh. As far as I know she has never dropped anything but heifer calves but I trust she will vary the sex to the service of our great young bull, Karnak's Noble 87952, grandson of Lady Viola and Karnak. I trust that your many readers will agree with me that with the above record "Willoh's Rosy" is Lady Viola's greatest daughter.

"The Blood of 'Linden Grove' Jerseys has Brought Refinement Wherever it has Touched."—*Jersey Bulletin*, May, '07.

1874—1911

"LINDEN GROVE"

Annual Decoration Day Sale of Imported Jerseys COOPERSBURG, PA., MAY 30, 1911

ANOTHER YEAR'S TRIUMPHS FOR THE BLOOD TO WHICH WE HAVE PINNED OUR FAITH FOR THE PAST THIRTY-FIVE YEARS.

This puts us in a position to know just what we want, and it is gratifying to know also that others are now clamoring for the same blood. What was true of Linden Grove Jerseys in 1907, as referred to by *The Jersey Bulletin*, is strengthened by subsequent developments. It was with great pride that we pointed last year to the 1909 record of prizes won by Jerseys from "Linden Grove." This feeling is intensified when we look over the record for 1910.

Our friends will remember that these premiums are obtained from reports in cases where the identity of a first prize winner is established. In many classes at numerous fairs there have been no doubt many other Linden Grove winners, but the reports do not always give names and breeding. It will also be remembered that hundreds of minor prizes have been won by cattle of "Linden Grove" blood. Many of the cattle sold from here are never exhibited, so that this wonderful list of prizes represents only a branch from the stream of winning blood that flows through "Linden Grove." We have no reason to doubt that this record for a single breeding and importing establishment is unapproached in the live stock world. The above should convince prospective buyers, in search of blue ribbon winners, that they should secure railroad tickets in time for the next Decoration Day sale.

A Bull, GOLDEN FERN'S LAD, 65300, A. J. C. C.
(FOR REFERENCE ONLY.)
(P. 2160, Highly Commended, Jersey Herd Book. 6236, English Herd Book.)
FIRST PRIZE AND CHAMPION AT NORTH CLUB SHOW, 1896 and 1897.

Bred by Philip J. Ahier, St. Martin, Island of Jersey.
 Born May 17th, 1894.
 Owned by T. S. Cooper, Coopersburg, Pa.
 Imported and sold at public auction, May 13th, 1903, when he was secured for exclusive use in the "Linden Grove" Herd, at \$2,250, being at that time (within four days) nine years of age. He died at "Linden Grove," May, 29, 1908.

Sire
BOYLE,
P. 1559, H. C.

Sire of the celebrated bull, Golden Fern's Lad, P. 2160, H. C., Fontaine 7th, 8th and 9th, all prize winners over the Island. Fontaine 9th milked over 9,000 lbs. milk in a year, 41 lbs. 4 ozs. in 24 hours, from which 2 lbs. 10 ozs. of butter was made.

"Boyle" also sired the great cow, "Speckled Band," dam of the wonderful cow, "Nursie," that made the phenomenal record of 2 lbs. 74 ozs. of butter in 24 hours in the public butter test, after being in milk 300 days and within 90 days of calving. She sold in our May, '07, sale for \$2,200 to Mr. A. B. Lewis.

During our visit to the Island of Jersey, for a number of years, it has always been our great pleasure to examine the daughters of the famous bull, Boyle. They were of great size, carrying beautiful heads, thin, long necks, strong, straight backs, the very best of loins, broad hips, sharp withers, "bread baskets," wide and deep, which alone told the tale. The very best of udders and teats of good size and beautifully placed.

Stella, F. 705, C.

Everton King, P. 390, C., was a remarkable sire of grand cows of magnificent dairy type, inheriting the same from his illustrious dam, Quality, who won first prize and Champion Cup at the Royal Show, 1882, and made 16 lbs. 8 ozs. of butter. Twenty-six years ago, when on the Island, I was so taken with her that I bought, at a long price, her son, Everton King, P. 390, C., and left him on the Island to be bred to my cows before shipment to America. Quality is also dam of the great bull, Happy, F. 309, C., that left a grand lot of dairy cows on the Island.

Brown Fern 2d, P. 1944, H. C., is out of Brown Fern, F. 4606, C. — Dam of Emmence, F. 7124, C. Sweepstakes, N. C. Show, '92. — Dam of Little Emmence, 21 lbs. 6 ozs. Winner of 1st prize, Wisconsin, Minnesota, Iowa, Indiana and St. Louis Fairs. Also Sweepstakes winner, Minnesota State Fair, '02. Emmence is also dam of Emmet and Emmet 2d, two famous Island sires. — Brown Fern is also dam of Brown Fern 2d, F. 1944, H. C., winner of 2d prize, St. Martin Show, '94, '95. — Brown Fern is also granddam of Golden Fern, P. 4711, H. C., 2d prize winner over Jersey, '94, and dam of the World Renowned Bull Golden Fern's Lad, P. 2160, H. C.

GOLDEN FERN'S LAD, P. 2160, H. C.

The most celebrated bull the Island of Jersey ever produced. He has more Highly Commended animals (for the numbers registered) in the Jersey Herd Book, and more Champions and First prize winners to his credit than any other bull. His son, Flying Fox, sold in our May, 1902, sale for \$7,500. His son, Eminent 2d, sold in our 1905 auction sale for \$10,000. His eight-months-old bull calf, "The Sensational Fern," sold in our May sale, 1907, for \$10,200, and in the same sale his grandson, "Stockwell," sold for \$11,500. His daughter, Golden Fern's Sensation, won Second prize at the great St. Louis Show, 1904, and was sold at auction for \$2,250. His daughter, Golden Sultana, won Third prize at the great St. Louis Show, September, 1904, and sold in the ring for \$2,350. Ten of his get have been sold at an average of \$4,560 each. His five tested daughters averaged 18 lbs. 5½ ozs. each. His son, Eminent 2d, has eighteen tested daughters averaging 19 lbs. 4½ ozs. each, and many more to come. His son, Flying Fox, has five tested daughters averaging 17 lbs. 13½ ozs. each. His son, Carnation's Fern Lad, has six tested daughters averaging 16 lbs. 1½ ozs. each. Golden Fern's Lad's best daughter in the public butter test is Freedom, 2 lbs. 10 ozs. butter in 24 hours at Tring Show Ring, England, being 140 days in milk. Gold Mine, another daughter, won Gold Medal, Tunbridge Wells, England, 2 lbs. 7 ozs. butter in 24 hours, being in milk 150 days.

The following is a copy of what Mr. Peter C. Kellog wrote in Mr. Peer's Sale Catalog when Golden Fern's Lad was sold:

"Golden Fern's Lad is without doubt the most popular Island bred bull with discriminating breeders in Jersey, England, and America, of any one that has ever appeared, not excepting his double grandsire, Golden Lad. He was taken from the Island to England in November, 1898, before his great worth as a sire became established, and ever since that time, Island breeders have expressed regret that he could not be brought back to Jersey. Had that been possible, those best informed express the belief that more money would have been paid for him and that he could have earned more in service fees than any other bull that ever stood on the Island.

"The uniform excellence of the cows got by Golden Fern's Lad, P. 2160, H. C., was the wonder of the Island of Jersey as soon as his earlier career as a sire had made the facts evident. Subsequently they became the admiration of all England, where the bull had gone and where most of his Island-bred daughters soon followed him. The leading herds of England were vying with each other to secure for exhibition and breeding purposes the very finest cows on the Island at the time when 'Fern's' daughters were coming into their inheritance. To obtain the best was to obtain his daughters, and it perforce followed that the Island was promptly almost stripped of them, and particularly of the better ones. They found places of honor in the herds of Lord Rothschild, at Tring Park; Mr. J. Reid Walker, at Rudgley; Mr. R. J. Pope, Plumpton; Capt. A. B. S. Frazer, at West Tarring; etc. A few determined Island breeders put prohibitive prices upon good daughters of Golden Fern's Lad, and when American breeders, after a long lapse, resumed importing on a more considerable scale, these few remaining daughters of Golden Fern's Lad were the highest priced cows on the Island. In his importation of 1899, sold at auction in May, 1900, Mr. T. S. Cooper brought one of these, registered here as Golden Sultana, 146282, that fetched the top price of his sale, \$1,600. Two years later, in May, 1902, the bull, Flying Fox, P. 2729, H. C., by Golden Fern's Lad, topped the same importer's sale by bringing \$7,500, which is the highest auction price for a Jersey that has yet occurred. But these conspicuous instances in this country very faintly reflect the great value of Golden Fern's Lad as a sire measured by the achievements of his daughters in the dairy tests and his sons and daughters in the show rings and the breeding fields of the Island, England, and, to some extent, America.

"I will not here present a list of his great winners, as that will appear in the catalog; but as an evidence of the appreciation in which Golden Fern's Lad was held on the Island of Jersey, after his departure therefrom, I append a quotation from a letter written by Mr. John A. Perree, the Secretary from the Island Herd Book Association, to the *Jersey Bulletin* in this country. This letter was dated January 27, 1902, when Golden Fern's Lad had been some years in England, and when it was never dreamed that he would come to the United States, and was as follows:

"I just want to say what we think of Golden Fern's Lad on the Island. I thought of sending you a list of show and butter test winners sired by this great bull, but out of respect for your valuable space I have not done so.

"No bull, living or dead, can compare with him for having contributed such a large number of show winners in so short a time. I doubt if Golden Lad, with a much longer career, could compare with his double grandson (Golden Fern's Lad) in numbers. How he came to be sold for exportation was accidental.

"His owner and breeder, Mr. P. J. Ahier, of La Ferne, St. Martin, had the misfortune to lose his dam previous to her having been judged in the cow classes and her points recorded. As it was necessary at that time for a bull to be shown with his dam and the points of both totaled, Golden Fern's Lad was debarred from competition at the "Royal" Show. This explains why no prize "over the Island" stands to his credit. One enthusiastic gentleman (Mr. Charles Nicolle), who told Mr. Cooper that the Island lost \$50,000 when Golden Fern's Lad was exported, determined to secure this bull for the Island's use, and generously offered a silver cup to the committee of our society "for an aged bull show with five of his female progeny." This offer, though much appreciated by the committee, was declined on the plea that the fundamental rules of the society were positive on the way bulls had to be judged (with their dams). Mr. Ahier was a little disappointed, and having a good offer for the bull and considering that he had all his cows in calf by him and a promising successor in Eminent 2d in his stable, sold him.

"By way of illustrating how we prized Golden Fern's Lad, I will mention what occurred about two years ago. A certain local breeder, being under the impression that the importation of cattle into this Island was prohibited by a minute of one of the State's committees (there were many of the same opinion), was so confident of having this minute rescinded in regard to Golden Fern's Lad by the mass of evidence he could produce in support of his demand, that he inquired a price from the present owner. A price was given, but away in the hundreds (pounds Sterling), yet this did not deter the breeder I refer to. He would have the bull back if he could get it back. He applied to the State's committee, when he was informed that the prohibition was due to a permanent law sanctioned by the Queen in council, against which there was no appeal. I happen to know the price Mr. Walker wanted, and, high as it was, I feel it would have been a very remunerative investment if only Golden Fern's Lad could have been got back.

"He was one of the most prepotent sires we have ever seen. I have known cases where bulls have been refused qualification in the Herd Book on account of their dams not having sufficient merit, yet those same cows when bred to Golden Fern's Lad have produced winners at the Island and English shows. As milkers, his daughters are unsurpassed, and I have not known a single poor one among them; on the contrary, I have heard complaints from breeders that they will not go dry, and my own experience confirms their persistency.

"For the last twenty years, at least, no bull has sired stock to sell as readily as that of Golden Fern's Lad.

"JOHN A. PERREE."

GOLDEN FERN'S LAD, P. 2160, H. C.

Winner of First Prize and Championship at the North Club Show, 1896-97.

Golden Fern's Lad has been universally acclaimed the Greatest Jersey bull the world has ever known. Never has any bull combined so many of the various requirements which are associated with the perfect dairy animal. His influence has been felt from Pole to Pole and wherever the name of the Jersey is known his blood is in continual demand.

Still the surface of Golden Fern's Lad's fame is barely scratched. He demonstrated his value while he was alive and while there was still time for breeders to avail themselves of his services. But with all this the wonderful vitality and re-producing power which existed in him was not appreciated to his true value. He was as so many other great bulls have been—admired and esteemed and the value of his get were recognized; but his enormous services to the cause of the Jersey cow were as yet undiscovered.

Golden Fern's Lad is now dead; but his blood still breeds on at "Linden Grove," where he lived since his importation to this country. It was while he lived here that the great St. Louis Fair of 1904 took place, where his sons and daughters covered themselves with glory, and there it was that breeders realized that a new vitalizing force had arisen in the Jersey world. They realized that Golden Fern's Lad was a bull of more than extraordinary prepotency and quickly sought his blood. Since then the get of Golden Fern's Lad have been the factor to deal with in the show-rings and public butter tests in England, on the Island, in America, in Australia, and in New Zealand. He and his near descendants have won practically every winning of any importance throughout the United States and elsewhere for the past three years and covered themselves with glory by winning the Championships and Grand Championships at the National Dairy Show, Chicago, Ill., The New England Fair, Worcester, Mass., The New York State Fair, The Brockton (Mass.) Fair and innumerable prizes at many other Fairs during 1908 and 1909.

During the past few years the get of Golden Fern's Lad have realized record prices at the various auction sales. His grandson, "Stockwell," sold for the record price of \$11,500; his son, "Eminent," sold for \$10,000, and his eight-months-old bull calf, "The Sensational Fern," sold for \$10,200. Ten of his get have averaged \$4,560 each at public auction.

GOLDEN FERN'S LAD Sired THE FOLLOWING BULLS AND COWS:

Flying Fox,	First and Champion over the Island, August, 1899; sold at auction for \$7,500. Flying Fox has five tested daughters averaging 17 lbs. 13½ ozs.
Eminent 2d,	First State's prize over Jersey, for best bull with five of his get, in 1901 and 1902, and Goddington Purse in 1902. He sold for \$10,000 in our 1905 sale, and he has eighteen tested daughters averaging 19 lbs. 4½ ozs. each and many more to come. Golden Fern's Lad sired "Golden Jolly," P. 2921, H. C. First prize and Champion, North Show, 1906. He sired the Bronze Medal Winner in the Public Butter Test on the Island, October, 1905, making the phenomenal test of 1 lb. 15 ozs. of butter in 24 hours, after being in milk 159 days, and after first calving. He also had five other daughters in same test, which attracted great attention.
Napoleon Bonaparte,	First over Jersey, April, 1899. First over Jersey, August, 1900. Second State's prize with his get, 1901. Goddington Purse, 1901.
Wellington,	First over Jersey, April, 1900. First prize over Jersey, August, 1901.
Dreyfus,	First prize over Jersey, April, 1901.
Leda's Prince,	First prize, Tunbridge Wells Show, 1901.
Chancellor,	First prize, and Reserve for Championship, Oxfordshire Show, 1901.
Crusoe,	First prize, Belfast Show, Ireland, 1901.

Carnation's Fern Lad. Mr. A. P. Walker, Rushville, Ind., has furnished us with the following list of prizes won by his bull, CARNATION'S FERN LAD. He has six tested daughters averaging 16 lbs. 1½ ozs. First prize and Sweepstakes Bull at Iowa State Fair, 1901. First prize at Minnesota State Fair, 1901. First prize at Wisconsin State Fair, 1901. Headed First prize herd at Iowa and Minnesota State Fairs, 1901. First prize and Sweepstakes Bull at Kentucky State Fair, 1901. Headed First prize herd at Kentucky State Fair, 1902. First and Sweepstakes, Shelbyville, Ky., 1903. First and Sweepstakes, Indiana State Fair, 1903. Headed First prize herd, Indianapolis and Shelbyville, 1903.

Mr. Walker also adds the following note: "Besides this, in 1901 and 1902 he won several First prizes as 'get of his sire,' being shown with three daughters of Golden Fern's Lad, including the two famous 'black cows' out of Brookhill Rose 2d. I can not begin to remember all the First prizes won by his get. They have often beaten select rings as 'get of sire,' and most of the young stock I showed in class was of his get. His son, Captain Nick, was a 'sensational' bull in 1904.

"It is hard to beat the Ferns, either in the show ring or at the pail. I have 'pinned my faith' largely to this blood, using outcross to some other branch of the Golden Lad and Wolseley strains. My best milkers have come from that breeding, and I am not ashamed of the young stock that has been bred from Carnation's Fern Lad on Golden Lad Cows."

Golden Fern's Grey Fontaine, First prize and Champion, Brockton, Mass., September, 1906.

Mona's Golden Fern, First and Champion at leading shows through Texas, 1906.

Fontaine's Boyle, First prize at London and Toronto, 1906.

Emanon, Grand Champion Bull at National Dairy Show, Chicago, 1906, and many other prizes.

B Bull. NOBLE OF OAKLANDS, 95700, A. J. C. C.

(P. 3909, H. C.)

First Prize, St. Saviour, 1907.

First Prize for bull and five female progeny, Royal Jersey Show, April, 1910.

This is the most coveted prize on the Island, and the greatest distinction that can be accorded a bull.

READ HIS MATCHLESS HISTORY AND ACHIEVEMENTS ON FOLLOWING PAGES.

Bred by J. A. Perce, St. Saviour, Island of Jersey.
Born April 13th, 1905.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

An outstanding bull of distinction, with style and carriage befitting the "King of the Island." A head absolutely majestic, exceedingly broad between the eyes, which are large, prominent and bright, strong, clean neck, with prominent crest; smooth throat, merging into a broad and wonderfully strong breast. In color, a very dark fawn on head, neck, face, legs, belly and thighs, lighter rich, brownish fawn on upper sides, withers and back, hair fine and soft to touch. This hide is thin, elastic and mellow, with rich, healthy, clean skin, redolent with the blood of "classic" ancestors which courses his veins. A bull of exceeding individuality and power, graceful in movement, intelligent and "alive" to his surroundings. No bull that we have seen, excepting Golden Fern's Lad, carried such a roomy, well ribbed paunch, nor carried it so easily. No bull but Golden Fern's Lad, that we have seen, carried just the characteristic adjustment of hind quarters, nor the setting of tail peculiar to the family. In length and depth of body, in all of the features of conformation that indicate the impressive sire, Noble of Oaklands has not been approached by any bull we have seen, unless it be Golden Fern's Lad, who has long been accepted as the most prepotent bull the Island ever produced. Noble of Oaklands occupies Golden Fern's Lad's late quarters at "Linden Grove," and had he four white feet many would not know the difference. In memory of "The Old Plum Tree," and in recognition of "Noble's" succession, may we not say "The King is Dead, Long Live the King!"

Sire
BLUE BELLE'S
BLUE FOX,

NOBLE OF OAKLANDS, 95700, A. J. C. C., P. 3909, H. C.

Crowned "King of the Island."

Won First Prize, St. Saviour Show, 1907.

First over Jersey, April, 1910, for Bull and Progeny (the most coveted and significant prize the Island affords).

Noble of Oaklands and his sons won all First Prizes at the Island of Jersey Bull Show, April, 1910.

In 1908 his get won 7 Firsts at English and Island Shows.

In 1909 his get won 17 First Prizes or Championships at Island and English shows.

In 1910 his get won 6 First Prizes and 1 Championship at Island and English shows.

In 1910—30 First Prizes in class, 8 Junior Championships, 6 Senior Championships, 4 Grand Championships, won by Noble of Oaklands' get at American shows.

Coming "King of America."

In 1911 2 Sons won First Prizes at the April Bull Show.

8 First Prizes for "get of sire" won by Progeny of Noble of Oaklands at the leading United States shows of 1910.

His sons headed 5 First Prize herds at important American shows in 1910.

(These prizes all substantiated by reports; many others might be claimed if reports with details were available.) First Prizes and Championships only are considered. His get also won many minor prizes. No bull has made a record to approach that of Noble of Oaklands at his age (six years).

Three Daughters with official butter tests on the Island and in America.

Ninety-two First Prizes and Championships Stand to the Credit of Noble of Oaklands and His Get Within the Past Three and One-half Years.

NOBLE OF OAKLANDS IS NOW AT "LINDEN GROVE,"

With His Dam, and His Choicest Sons and Daughters, and a Splendid Line of Aristocratic Females in Calf by Him, to be Offered in Our DECORATION DAY AUCTION, TUESDAY, MAY 30th, 1911, AT COOPERSBURG, PENNA.

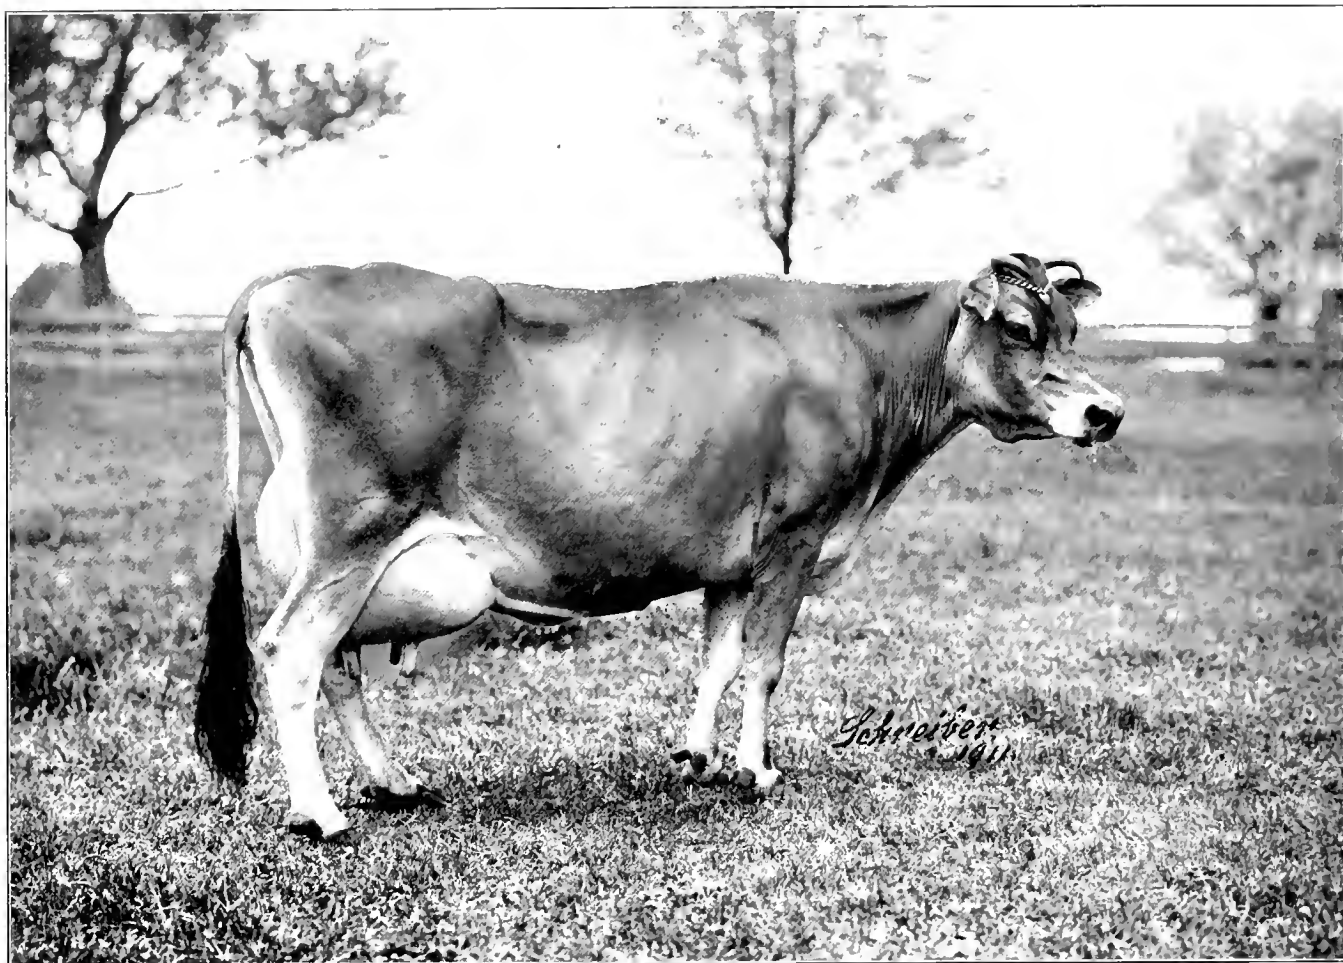

Noble of Oaklands was born April 13, 1905.

He was sired by Blue Belle's Blue Fox, P. 3633, H. C., a son of the famous old cow, Blue Belle, P. 4307, H. C., that sold in our 1904 auction to Mr. Howard Willets, owner of "Gedney Farm," for \$3,600, she being then 14 years of age.

His dam is Lady Viola, P. 8463, H. C., the great butter test and inspection class Champion Cow, who "swept the boards" at the Island and English shows from 1904 to 1908. Her record and history appeared in *The Jersey Bulletin* of April 5, 1911.

It is significant when such noted Island breeders as Wm. J. Labey, founder of the Fontaine family, and Chas. Mourant, of Oxford Lad fame, sent their best cows for service to Noble of Oaklands—and thereby reaped a very rich reward, selling their stock at the highest figures known on the Island.

American Breeders are now offered an opportunity of which the Islanders have been deprived, and for which many of the best breeders would be willing to pay large sums—viz., the benefit of service to Noble of Oaklands. Our cows and heifers are the very cream of the Island in breeding and individuality; more than 50 per cent. of those that have been bred have been to Noble of Oaklands. It does not require very deep probing to satisfy one's self of the fact that the coming "Linden Grove" auction offers to American breeders what can not be secured on the Island, though enviously coveted there—here it is, right at your doors, with all the risks and expenses of shipment and quarantine gone through with. It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get some of this blood while it is on the counter. As in the case of Golden Fern's Lad, in a few years it will be at a premium.

IMPORTED LADY VIOLA, 238437, A. J. C. C.

(Lady Viola, P. 8463, H. C.)

(Vol. XVII, page 336, English Jersey Herd Book.)

The Peerless Lady Viola "Shining Star" of the "Linden Grove" Herd.

For Lady Viola we claim that she is the greatest cow, living or dead. No cow of any breed, with such an individual record as she achieved, has ever produced stock to make such butter tests and win so persistently in the show ring, or progeny to sell for such high figures, as has Lady Viola, and at the same time live to tell the tale and go on doing business in the same way. And we submit her record to substantiate this claim.

Lady Viola Won First over Jersey, 1904.

Certificate of Merit in Public Butter Test, May, 1904; Yield, 2 lbs. 12 ozs., 50 Days in Milk.

First over Jersey and Winner of the Theatre Champion Cup, May, 1905.

First Prize, Sweepstakes and Champion, St. Saviour and Grouville Show, 1905.

First over England Wherever Exhibited, 1906.

First Prize, Royal Counties' Show, Cardiff, 1907. First Prize, Royal Show, Lincoln, 1907. First Prize, Tunbridge Wells Show, 1907.

First Prize, Fring Park Show, 1907.

First Prize, Fring Show, for Tested Cows (after being on the show circuit for eight weeks), 1907.

Champion at Fring Show, 1907.

First over England Wherever Exhibited, 1907, 1908.

LADY VIOLA IS DAM OF THE FOLLOWING DISTINGUISHED ANIMALS, AT THE HEAD OF WHICH IS THE
"KING OF THE ISLAND," NOBLE OF OAKLANDS:

Noble of Oaklands, 95700, A. J. C. C. (P. 3909, H. C.), Winner of First Prize, St. Saviour Show, 1907. First over Jersey, 1910, for Bull and Progeny. Noble of Oaklands and his sons won all First Prizes at the Island of Jersey Bull Show, April, 1910. Ninety-two First Prizes and Championships stand to the credit of Noble of Oaklands and his get within the past three years. (See front page B for full particulars regarding Noble of Oaklands.)

Miss Viola, P. 9644, H. C., Certificate of Merit in Public Butter Test, May, 1905; yield, 2 lbs. 15 ozs., 39 days in milk, when 1 years and 1 month old. (She is owned at "Linden Grove," and we also have her son, Viola's Golden Fern. See his pedigree, No. 44 of catalog.)

Willow's Rosy, P. 10444, H. C., Certificate of Merit in Public Butter Test, May, 1906; yield, 3 lbs., 38 days in milk, when 1 years and 1 month old. Winner of Parish Prize, August, 1904. Three of her daughters have won Certificates of Merit in the Public Butter Tests, and another won first prize over the Island.

Golden Jolly's Lady Viola, 203699 (Poppy Viola, P. 10902, H. C.), Winner of Bronze Medal in Public Butter Test, October, 1905. She is looked upon on the Island as having made the most phenomenal public butter test, taking into consideration age and lactation, ever made—testing 1 lb. 15 ozs., 159 days in milk, and only 30 months old. She made a private test of 2 lbs. 9 ozs. in 24 hours.

Viola's Golden Jolly, 79344, sold in our May, 1909, auction to Drs. Still and Laughlin for \$12,000—the highest price ever paid for a Jersey at auction.

Bull, sired by Blue Sultan, for which Mr. Alexander Miller-Hallet, Esq., refused an offer of 2,000 guineas (\$11,500).

We told the public in the *Jersey Bulletin* of April 5th, 1911, as follows:

"We challenge the world to produce a cow of ANY BREED to show such a record as Lady Viola Has Achieved."

(See Picture of Noble of Oaklands and Summary of Record.)

NOBLE OF OAKLANDS, P. 3909, H. C.

WHY CROWNED "KING OF THE ISLAND."

There are monumental reasons, and we give the most important of them:

"NOBLESSE OBLIGE."—In the first place, the expectation of individual merit and prepotency in a bull is based upon his pedigree. There is no other way to judge a bull before he matures, and you can see his mature progeny. We are led to expect this merit in the degree to which a bull is backed up by ancestral power. With Noble of Oaklands, the development of a strong individuality and ideal conformation, and the prepotency to transmit dairy type and butter capacity to his daughters, was a case of "noblesse oblige." For he is the son of one, and grandson of another, of the two most distinguished Jersey cows that ever graced American soil. In this we refer to his dam, the peerless Lady Viola, and his grandam, the immortal Blue Belle.

It was no accident that Noble of Oaklands became great. He was born to be great. And it was no "happen-so" that we brought out his ancestors, his brother and sisters, and scoured the Island and England, investigating his immediate family. For his blood is the blood we have clung to for more than thirty years. We have owned the bulls for four generations seen on the top line of his pedigree, viz.: Blue Belle's Blue Fox, Shy Fox, Flying Fox and Golden Fern's Lad. "And the greatest of these is Golden Fern's Lad," who stands among the bulls of the world where Lady Viola stands among cows—absolutely at the head. Golden Fern's Lad is conceded the greatest bull the Island of Jersey ever produced, and his name is a household word among all conversant with Jersey history.

We own the peerless Lady Viola, dam of Noble of Oaklands; her daughter, Miss Viola; and are retaining for service at Linden Grove three of her grandsons—one by Golden Fern's Lad, one by Sultana's Oxford Lad, and one by Viola's Golden Jolly. We imported Lady Viola's dam in 1899, and a year later her full sister (daughters of Golden Lad), the latter making the highest butter test to the credit of Golden Lad's daughters. We have owned daughters of her sire, Nobleman, and of her grandsire, Aristocrat (by Golden Lad), all of them bearing the Coomassie-Sultane stamp of pail fillers and winners in the show ring. We gave a detailed history of Lady Viola in the *Jersey Bulletin* of April 5, 1911.

We also imported the dam of Farmer's Glory, Bonheur, F. 1651, H. C., and sold her in our May, 1882, sale. Sir George, 7656, imported by us and sold in our 1882 sale for \$5,100, was a grandson of Coomassie, and traced through sire to Orange Peel, 129, previously mentioned. We knew intimately and handled the daughters of other ancestors of Blue Belle—Nero, Carlo, Hero, Duke, Grey King, etc.—nearly all of which produced daughters that made tests in the early days. What her personality and pedigree promised has been borne out by the quality of her descendants.

What these more recent acquisitions have done for the improvement of the Jersey breed is a matter of current history. Our object now is to acquaint the new student of Jersey affairs with the fact that what Noble of Oaklands is doing now is but a logical result of the concentrated influence of his ancestors, who have shown in every generation, for the past 35 years, to our personal knowledge, the qualities for dairy production and the development of breed type—ideal conformation, perfect udders and teats—passed down by those matchless mothers, Coomassie and Sultane. Prior to this period, history tells precisely the same story that is confirmed by our personal observation, i. e., the ancestors of Noble of Oaklands have been making butter and winning prizes since the records were started.

Golden Fern's Lad is inbred to the Coomassie bull, Cicero, P. 266, H. C., that we brought out thirty years ago and sold in our 1882 auction sale for \$3,100; and to the wonderfully prepotent cow, Sultane, P. 7, H. C. Sultane is the dam of Count Wolseley, who sired Oxford Lass. She is double ancestor of Golden Lad, P. 1242, H. C., whose sons and daughters we imported eleven years ago as the most typical representatives of the Coomassie-Sultane blood to be found on the Island at that time. About this time we brought out Flying Fox's dam, Rosette 5th, P. 2881, H. C., a granddaughter of Sultane, P. 7, H. C., and sired by a grandson of Cicero, above mentioned. Rosette 5th had won first over the Island, as did her son, Flying Fox, and she was the dam of Fortarshire and Alicante, both champion winners. Others of her progeny are Ravaehol, John Bull, Rosette's Golden Lad and Sultana's Rosette 2d, that made a butter record on first calf of 15 lbs. 7 ozs., for Mr. George W. Sisson, Jr.

Eight years ago we brought out Blue Belle, the paternal grandam of Noble of Oaklands, and though fourteen years old, she commanded, through her individual quality and the performances of her descendants, \$3,600 in our May, 1904, sale. The competition for this powerful old butter and brood cow was between some of America's best and most progressive Jersey breeders. Blue Belle represented, as nearly as any cow we had then seen, the combined type of beauty and capacity which we had learned to admire in the Coomassie-Sultanes. Blue Belle is doubly descended through long lines from Orange Peel, F. 129, H. C., a bull that we find again in the pedigree of Venus Violet, great grandam of Noble of Oaklands. Four generations back we find Farmer's Glory, F. 274, H. C., on the dam's side. Daughters of Farmer's Glory were familiar figures in our sales of the 80's, and it may be interesting to mention that one of these, Mussy 2d, 14965, was out of the same dam as Wolseley, P. 401, H. C.

So convinced were we of Blue Belle's prepotency that we paid \$3,000 for a calf from her by Golden Fern's Lad to use on the Linden Grove herd. Her daughter, Blue Nun, made 18 lbs. 5½ ozs. butter in seven days at Biltmore Farms, Mr. George Vanderbilt's place in North Carolina. So impressed with this blood was the manager, Mr. Weston, that he commissioned Prof. M. A. Seovell to attend our 1903 sale and buy another daughter, Golden Lad's Blue Belle, at any price, while he sailed for the Island to buy the old cow herself—but failed to get a price. Professor Seovell also purchased for Biltmore a grandson of Blue Belle by Flying Fox—almost the identical blood that produced the sire of Noble of Oaklands.

We secured from Hon. A. M. Bowman the daughter of Blue Belle by Flying Fox, at a long price, and she will be in our coming sale (in calf by Noble of Oaklands) as a type of this branch of "Noble's family tree." Blue Belle's son, Canma's Lad, produced Financial King, a noted butter bull, whose daughters include Financial Countess, who holds the world's record for year's confirmed butter test; Alexie, sire of Mr. R. A. Sibley's Interested Prince, in the front rank of the A. J. C. C. Register of Merit as a butter sire; and Guenon's Lad, purchased by Professor Seovell for the Kentucky Experiment Station herd and sold for \$4,000. Each of these bulls has a goodly list of tested daughters. Blue Belle's son, Blue Boy, produced Blue Belle Princess, test 15 lbs. 1 oz. on first calf; and Fereor, P. 2891, H. C., winner of first over Jersey, 1900, five of whose daughters sold in our May, 1901, auction for an average of \$707.

"PROOF OF THE PUDDING."—Noble of Oaklands has made good the traditional character of his antecedents. He has won, and his get have won, more first prizes than stand to the credit of any bull of his age. The summary at the beginning of this history does not tell the whole story; many more first prizes might be claimed if reports were available; those included in the summary are authentic. His get have won more than 100 minor prizes in England and on the Island of Jersey within the past three years, and no doubt an equal or greater number in America.

The prepotency of Noble of Oaklands came into evidence at a very early age. When he was two years and four months

old his daughter, **Noble Judy**, was born; and she, when fifteen months old, won first in her class at the August, 1908, show, where there were 32 entries. When 2½ years old his daughter, **Noble Dora**, was born; and before she was three years old had won Certificate of Merit in public butter test on the Island, October, 1910, with 1 lb. 11 ozs. to her credit, nearly six months after she had calved. If a performance under similar circumstances is of record in the archives of the Island, we don't know where to find it. The records of his American tested daughters appear further on.

SOME OF NOBLE OF OAKLANDS' PRIZE WINNING GET ON THE ISLAND ARE:

Noble Dora—(See butter test above.)

Noble's Jolly Sultan—1st pr., Class 3, April, 1910; 1st prize, Class 8, and Voisin Special, any age, August, 1910.

Matilda's Noble—1st prize, Class 2, April, 1910.

Noble Peer—1st prize and St. Saviour parish prize, Class 1, April, 1910; 1st and sweepstakes, St. Saviour-Grouville Show, 1910.

Noble Boy—1st at Three-Parish Show, 1910, 1st prize, Class 2, April, 1911.

The Squire—1st prize, Class 1, April, 1911.

Fontaine's Chief—Reserve, Class 2, April, 1909; 1st prize, Class 8, and Voisin Special, any age, August, 1909.

Noble's Judy—1st prize and St. Martin parish prize, Class 1, August, 1908.

Brunon 12th—1st prize, Class 2, and parish prize, May, 1909; one of group winning President's Cup and one of pair winning Voisin Special, "best cow and heifer," August, 1908.

Rozel's Pet 21st—1st prize, Class 2, and parish prize, August, 1910.

WHY THE "COMING KING OF AMERICA."

The very sound reasons for Noble of Oaklands being crowned "King of the Island" are essential under this head. His breeding, and his performance across the water, send him here eminently fitted for the position of "King of America."

THIS HONOR WAS CLINCHED LAST YEAR BY THE WINNINGS OF HIS GET.

31 First Prizes in Class, 8 First Prizes for "get of sire," five First Prize herds, 8 Junior Championships, 6 Senior Championships, 4 Grand Championships, is the unexcelled record of Noble of Oaklands' get in America in the single season of 1910.

Noble of Oaklands is only six years old, and has had but few daughters in milk in America. But two, to our knowledge, have been tried out for butter tests:

Brampton Oaklands Lady, owned by Messrs. B. H. Bull & Sons, produced in seven months of her year's authenticated test, 5,120.9 lbs. of milk, on second calf, which was born just twelve months after her first; was dry only

three weeks. The test was commenced just after she was three years old. "Her milk for the month of April," write her owners, "will be above that for any month previous, save one—testing 5 per cent—she is a show proposition all over. Blood will tell."

Noble's Imported Duchess, 3 years old, owned by Mr. George W. Sisson, Jr., who gives us her official record from April, 1910, to April, 1911, of 5,516 pounds of milk and 394 pounds of butter, 83 per cent. fat, with her first calf, which she carried through eight months of the test. She should make 500 pounds of butter this year on ordinary feed and care, according to Mr. Sisson.

AMONG HIS FIRST PRIZE WINNERS IN AMERICA ARE:

Noble Peer—1st pr. and Junior Champion, National Dairy Show, Waterloo (Iowa) Dairy Show, Ohio, Kentucky, Tennessee and Illinois State Fairs; 1st pr. and Grand Champion, National Jersey Show, Shelbyville, Ky.; 1st pr. Junior yearling, Tri State Fair, Memphis, Tenn., all in the season of 1910.

Nobleman of St. Cloud—1st pr. and Grand Champion, Texas State Fair and San Antonio International Exposition, 1910.

Golden Jolly's Noble—1st prize and Senior Champion, Tennessee State Fair, 1909, 1st prize, Senior Champion and Grand Champion, Tennessee State Fair, 1910.

Distinction's Noble—1st prize and Senior Champion, National

Jersey Show, Shelbyville, Ky., and at Kentucky State Fair, Louisville; headed 1st prize herds at Ohio State Fair and Memphis, Tenn., 1910.

Noble's Blossom—1st prize at National Jersey Show and Ohio and Kentucky State Fairs, 1910.

Noble Prince of St. Peter—1st prize two-year-old, Brockton, Mass., Fair, 1910.

Cute's Noble—1st pr., National Dairy Show, 1909.

Solitude's Noble—1st prize at National Dairy Show, at Waterloo, Iowa, and at Illinois State Fair, 1910.

Noble Fenwick—1st and Champion, Kentucky State Fair, 1909.

HOW THEY ARE APPRECIATED HERE.

Mr. Jas. L. Cooper, Nashville, Tenn., owner of Golden Jolly's Noble, writes: "He is a great bull. I refused an offer of \$3,000 for him by one of the best Jersey judges. I don't see how I could do without him, and asked \$5,000."

Noble Peer sold to go to Oregon in Mr. Spann's sale for \$3,000. **Distinction's Noble** sold for \$2,200 to go to Elmendorf Farm, Lexington, Ky.

Noble Princess of St. Martin sold for \$900.

Noble's Handsome Queen sold for \$875.

Noble's Grey Foxglove sold for \$875.

Noble Lady of St. Peter sold for \$650.

Noble's Brown Princess sold for \$650.

Noble Lady of Grouville sold for \$625.

Noble Duke of St. Saviour sold for \$560.

Patty's Noble Girl sold for \$550.

Noble Princess of Oaklands sold for \$550.

Noble's Hearty Belle sold for \$525.

Noble Queen of Trinity sold for \$525.

Noble's Darling sold for \$525.

Raleigh's Noble sold for \$510.

Noble's Pretty Belle sold for \$500.

Zanzibar's Noble sold for \$500.

Octavia's Noble Lass sold for \$500.

A RATHER DARING COMPARISON.

Noble of Oaklands, in Respect to Highly Commended Daughters, Surpasses His Ancestors, Golden Fern's Lad and Golden Lad.
NOBLE OF OAKLANDS, P. 3909, H. C.

1st prize, St. Saviour Show, 1907, beating the 1st prize winner over the Island of the previous year.

2. 3d prize with his progeny in 1908. When Noble of Oaklands won this prize he was competing with Golden Castor, 3558, then 5 years old, Astor, 8 years old, and Cambooge's Knight, 5 years old, whilst he was only three years old; and although the instructions to the judges were that preference was to be given to bulls with daughters in milk, the yearlings of "Noble" were so attractive, that he was placed third after much hesitation if he should not be placed first. This cost Noble's owner a heavy fine, besides losing the prize money, as Noble was too popular to be allowed to serve at the fees laid down by the Royal Jersey Agri. Society, which have to be charged by all owners of bulls accepting prizes.

3. 1st prize over Jersey in April, 1910, with his progeny. Generally declared to have been an easy win for Noble. The owners of the other bulls competing in this class were unanimous in saying: "We don't mind being beaten by Noble, for we must all take our hats off to him."

Here again the owner of Noble had to pay a fine much heavier than in 1908, as the fine is proportionate to the prize won.

Pages might be written in praise of Noble of Oaklands as a great sire; in fact, the greatest that the breed has ever seen as tables herewith show. No owner of a bull has ever had the audacity to draw comparisons with the great Golden Lad or Golden Fern's Lad; yet Noble of Oaklands, with many disadvantages, can do so and yet show to be at the head of the "Poll."

We say disadvantages, as Noble had a much shorter career on the Island than either of his great compeers; and besides, his stock was in great demand from birth; whereas in those years when Golden Lad and Golden Fern's Lad were three and four years old, the trade on the Island was very slow and exportation very dull.

In order to make comparisons of short and long careers, it is necessary to take the age of the bulls and the years which follow when their progeny were exhibited at the shows and their winnings; therefore the comparative years of these bulls are as follows:

Golden Lad, P. 1242, H. C., showed yearlings in 1891, two-year-olds in 1892, three-year-olds in 1893.

Golden Fern's Lad, P. 2160, H. C., showed yearlings in 1897, two-year-olds in 1898, three-year-olds in 1899.

Noble of Oaklands, P. 3909, H. C., showed yearlings in 1908, two-year-olds in 1909, three-year-olds in 1910.

But we were asked how Noble's daughters were doing as compared to his two great ancestors. We promptly wrote to the Island and had a reply that at the time of writing (November, 1910) 44 daughters of Noble of Oaklands had been qualified, of which number 35 had been Highly Commended. None rejected. Therefore, on turning over to the register of the Island Herd Book and comparing the results of 44 daughters qualified by Golden Lad and Golden Fern's Lad, we draw the following table:

THE BREEDER WHO SECURES NOBLE OF OAKLANDS will have advanced at a single bound much further than he could progress in years of the most careful mating with a younger or untried bull, or one that was not bred so strongly for the qualities the true Jersey breeder aims for.

We have never exploited a great bull that did not "make good," and we have owned, bred and imported many celebrities that have brought great prices. Within the past eleven years there have been Hamley, Mon Maisir, Flying Fox, Forfarshire, Eminent 2d, Stockwell, Sensational Fern, Viola's Golden Jolly, Raleigh's Fairy Boy and Sultana's Oxford Lad, sold in "Linden Grove" auctions for an average of \$7,650—and the patronage of these bulls by American people vindicates our claims for them.

THERE CAN BE BUT ONE FORTUNATE ENOUGH TO GET NOBLE OF OAKLANDS. If you are not the one, bear in mind we have some 35 other bulls, besides the grandest collection of females ever offered at auction anywhere in the world. **More than 175 head will be catalogued.**

COMPARATIVE STATEMENT OF HIGHLY COMMENDED DAUGHTERS (FIRST 44 HEAD SHOWN), BULLS NOT CONSIDERED.

	Highly Commended.	Commended.
Golden Lad	31	13
Golden Fern's Lad	32	12
Noble of Oaklands	35	9

The result of comparing these three bulls and the years mentioned above, as stated in the records of the Royal Jersey Agricultural Society (which do not comprise the prizes won at the parish shows, but over the Island only) are:

	Golden Lad.	Golden Fern's Lad.	Noble of Oaklands.
Championships			2
First Prizes	7	4	8
Second Prizes	6	3	6
Third Prizes	1	1	7
Fourth Prizes	1	1	4
Reserve ..	3	2	4
	18	11	31

Thus it will be seen that Noble is easily First.

It is only those who have visited the Island and had the good fortune to be present at one of the Examinations for Qualification, who can appreciate what it means for a sire to produce even 50 per cent. of Highly Commended daughters. All heifers after dropping their first calves must be presented to a Committee of five judges, who examine every animal carefully and if she (in case of a heifer) is individually good, with a well balanced udder and four well-placed teats, she gets Highly Commended; if any small defect in the udder is noticeable, then she gets Commended only; if the defect is important, she is rejected regardless of pedigree.

Therefore, in the following table, Noble stands at the Head, with a percentage of Highly Commended daughters as compared with Commended ones:

Noble of Oaklands	388 per cent.
Golden Fern's Lad	266 per cent.
Golden Lad..	237 per cent.

We therefore have no hesitation in saying that

NOBLE OF OAKLANDS

Is the Greatest and Most Prepotent Sire That the Island Has Produced. And we repeat that all these laurels have been won under great disadvantages, owing to the great demand for his offspring. Some of his daughters have been exported when young to Australia and England, notably:

Brunon 12th, 1st over Jersey, 1909; 3d over Jersey, 1908.
Bayleaf 38th, 2d over England. Mentora, 1st over England.
Annette, 2d over Jersey (to Australia). Noble Twylsh 2d, 2d over England.

And countless others of which we have no record.

All these have not remained on the Island to help swell the number of Highly Commended daughters which otherwise Noble would have had in his credit. Australia has been a keen buyer of Noble's progeny, and in several orders coming from that country which we have seen, it was invariably stipulated that preference should be given to "the get of Noble" and the reason is easily explained when, besides the above list of winnings, the tests of his dam and sisters are taken into consideration.

Bull.

GAMBOGE'S KNIGHT, 95698, A. J. C. C.

(P. 3645, H. C.)

Winner of Second Prize over Jersey, with his progeny, April, 1908, Bull Show.

SIRE OF OXFORD YOU'LL DO, P. 4075, H. C.

Winner of First Prize over Jersey, with his progeny, April, 1911, Bull Show (the most valuable prize and the greatest distinction that can be accorded a bull).

Sire of many other winners, including Public Butter Test cows.

Bred by Chas. Mourant, St. Saviour, Island of Jersey.

Born September 3d, 1903.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Spot behind right shoulder and on left thigh, white on flanks and right thigh and on left thigh, black, right side, belly, fore ankles, hind stockings and switch white.

A "dairy bull," if a Jersey ever displayed it in his conformation, character and his progeny. In color, a rich, bronze fawn on top, from withers to root of tail, extending down to brisket in front and rising diagonally to rump. Head, neck, legs, lower sides and thighs dark, almost black, with white markings as described. As "game" a bull as ever stood on four feet, stylish, and poses as though for a picture. Has a wonderfully good "bull" head, face dished, wide between his big, bright eyes shining with vitality, long muzzle, broad, with strong jaws, ears thin, golden inside and fringed with black, horns medium size, rich, amber color, and symmetrically returned. He has the cleanest possible neck and shoulders; neck long and proudly arched when in pose, merging into an almost faultless body. He has good depth and girth at heart, a great paunch comfortably carried; strong, round back and splendid loins; is long from point of hips to root of his slender tail, which sets admirably and is hung with a generous white switch. He is well cut out between hind legs, indicating what he creates in his daughters: plenty of room for udder—and he has unusually large, well placed rudimentaries. The splashes of white on his body betray, no less than his color and conformation, his distinguished dairy ancestry. He is most striking in his vigor, and, as the Jersey score card reads, "thoroughly masculine in character, with a harmonious blending of the parts to each other, thoroughly robust, and such an animal as in a herd of wild cattle would likely become master of the herd by the law of natural selection and survival of the fittest." Gamboge's Knight fills the specifications, and has made his mark. The man that wants a breeding bull that will put him ten years ahead of where he would otherwise be, should, as we have said only of the very best, "BID LAST" on Gamboge's Knight.

ity and conforma-
tion. We sold him
in our May, '09, sale
to Mrs. S. H. H. and
Laughlin, Kinloch
Farm, Kirksville,
Mo., for \$12,000—
the highest price
ever paid for a Jer-
sey bull at auction.
He has inherited from
his great sire, Golden
Jolly, P 2921, H C,
and from his dam,
Lady Viola, P 8463,
H C, dairy qual-
ities of unlimited
possibilities.
(See No. 64 for full
particulars of this
great sire.)

Dam

GOLDEN SULTANA, 146282, A. J. C. C.

Winner of 3d prize in
class for aged cows
at the Louisiana
Purchase Exposition,
St. Louis, 1904, in
the greatest ring
ever exhibited in
this country, where
she sold for \$2,350.
We afterwards
bought her for the
"Linden Grove" home herd.

Golden Sultana is an
intensely bred "Sul-
tana." She is sired
by Golden Fern's
Lad, P 2160, out of
Sultana 9th, P 1145,
H C, winner of
many first prizes
over the Island and
dam of Uncle
Peter, P 2115, H C.
Her dam, Sultana,
P 7, H C, is the
first of the greatest
family of Jerseys
ever bred and owned
by that famous
breeder, Mr J P
Marett. Thus
Golden Sultana is a
granddaughter of
old Sultana and her
nearest living
descendant. She has
inherited the famous
dairy type, espe-
cially in the udder
and teats for which
her grandam was fa-
mous, and has in-
herited all her abun-
dant dairy qualities,
having milked as
high as 48 lbs daily.

SULTANA'S GOLDEN JOLLY, 86180, A. J. C. C.

The handsomest and best bred bull ever owned at "Linden Grove." He is the admiration of all Jersey breeders, and is not for sale at any price. The question has quite often been asked, "What would Sultana's Golden Jolly bring on the Island?"

He swings a lovely lead, with large, prominent eyes; broad forehead; dished face; thin neck; strong, straight back, with remarkable depth and width of body; broad hips; best of loins and withers; tail thin, and beautifully set, with magnificent switch; skin very rich, soft, and thin as a mole's; very neat in bone.

In color (white spot on forehead, white hind legs and white switch) he has the precise markings of his famous dam and his illustrious grandsire, Golden Fern's Lad; and his value as a breeder and show bull can only be estimated by such that the value that Golden Fern's Lad has been to the Jersey interests at large.

In Sultana's Golden Jolly we have a bull that is just budding into "bullhood," has been carefully handled, limited in service, and the females that have been bred to him in this sale should appeal to prospective buyers. Examine the bull, then his dam, and knowing what one does know of his sire, Viola's Golden Jolly, and his grandsire, Golden Fern's Lad, and his grandam, the sensational Lady Viola, why we think we have not overestimated his value.

NOBLE'S JOLLY SULTAN, 97181, A. J. C. C.

(P. 1156, H. C.)

CHAMPION WINNING SON OF THE CELEBRATED NOBLE OF OAKLANDS.

First Prize over Jersey, April, 1910.

First Prize over Jersey and Champion, August, 1910.

Now at "Linden Grove," and the calves by him that will be shown on Decoration Day are "proof of the pudding."

Noble's Jolly Sultan is one of the three sons of Noble of Oaklands who won first prizes at the Royal Jersey Bull Show, April, 1910, winning for his illustrious sire the proud title of

"KING OF THE ISLAND."

His dam is Jolly Sultane, P. 11003, H. C., a daughter of Golden Jolly, P. 2921, H. C. (Sire of Viola's Golden Jolly, sold in our May, '09, sale to Drs. Still and Laughlin, Kirksville, Mo., for \$12,000), out of Young Sultane, P. 2895, C., a daughter of the most famous cow that the breed has produced—Sultane, P. 7, H. C.

L Bull.**NOBLE'S JOLLY SULTAN, 97181, A. J. C. C.**

(P. 4156, H. C.)

(FOR REFERENCE ONLY.)

Winner of First Prize over Jersey, Bull Show, April, 1910.**First over Jersey and Champion, Royal Show, August, 1910.**

Bred by Jno. A. Perreé, St. Saviour, Island of Jersey.

Born March 25th, 1907.

Imported April 3d, 1911, by T. S. Cooper & Sons.

Solid color, black tongue and switch.

A dairy and show bull with more quality and "dairy sense" than you will find in bulls of his scale and vigor. Has a strong handsome head, unusually wide between eyes, horns rich yellow at base and black tipped symmetrically incurved, eyes bright and prominent, a strong "bull" neck, clean shoulders, very sharp withers and excellent top line. His body is of unusual length, wide at heart and deep at paunch like his famous sire, Noble of Oaklands, broad, prominent hips, good rump, thin flat thighs and a faultless tail setting, abundant black switch reaching the ground. A hide thin, soft and elastic, covered with a coat of short, silky hair, and carries no surplus flesh, but essentially a bull of vigor and constitution. In color, a very rich, rather light, fawn, tending to brown dark about head, neck and stiles. Noble's Jolly Sultan impresses us as few bulls have in recent years, and we feel that we understand the feeling of Mr. Perreé, his breeder (who also bred his sire, Noble of Oaklands), who gave the impression in a recent letter that in his opinion there is nothing to beat Noble's Jolly Sultan when he "got his Sunday clothes on."

ALDAN'S NOBLE, 89581, A. J. C. C.
(FOR REFERENCE ONLY.)

Bred by F. D. Homellebecq, St. Clement, Island of Jersey.
Born April 1st, 1909.
Imported February 2nd, 1910, by T. S. Cooper & Sons.

Solid color, white tongue, black switch.

Alban's Noble meets the ideal in breeding and individuality, which we had in mind when seeking a son of Noble of Oaklands for use in the "Fountain Grove" herd, where the standard is high as much so in considering the influence of dam as the sire, upon the future generations of the herd. He is, as one visitor expressed it, a full, subtle, without a kink, stylish as a hackney, with splendid head and eyes, broad, strong muzzle, great width between the eyes, finely fashioned shoulders, clean neck and ideal withers, though a bull of extraordinary strength. He has an unusually level top line, and his middle-piece, the copy of Lady Aldan's capacious barrel, long, wide and deep, sets on the finest boned legs that ever supported a bull. He is a rich fawn in color, with grey trimmings, a hide soft and flexible, expressive of the bounding health beneath. Behind he is cut away up between the thinnest of hams, as though nature had intended a "Lady Aldan" under there had he been of the other sex. His hips and rump could not be improved, and his tail is set on in approved fashion, thin, long, and furnished with a flowing black switch. Aldan's Noble is the type expected from his royal breeding, the store in a nutshell.

LADY ALDAN, P. 8470, H. C.

First Prize Winner over the Island, August, 1909.
Blythwood Bowl Winner, Same Show, August, 1909.

She is a daughter of the world's famous bull, Golden Fern's Lad, P. 2166, H. C. Her son, Golden Fern's Noble, P. 4570, H. C. (sire, Noble of Oaklands, P. 3909, H. C.), won First Prize and Champion at Grenville and St. Saviour Show, April, 1911. He is owned by Mr. John A. Perce and now heads his famous herd.

Lady Aldan is also dam of our great cow, Lady Aldan 2d, P. 9788, H. C. (by Mabel's Pet, P. 2964, H. C.), who is dam of our promising young bull, Aldan's Noble, 89581, A. J. C. C. (by Noble of Oaklands, P. 3909, H. C.). Lady Aldan 2d is dam of Lady Aldan 8th, 11906, H. C., that tested 18 lbs. 6 ozs. of butter from 296 lbs. 7 ozs. of milk.

IMPORTED STOCKWELL, 75264, A. J. C. C.

(Stockwell, P. 3550, H. C.)

Stockwell sold in our May, 1907, auction sale to Hon. A. B. Lewis, Fredericksburg, Va., for \$11,500. He was sold at Mr. Lewis' auction sale to Dr. H. D. Rodman, Shelbyville, Ky., for \$7,500, where he is now owned. He is one of the best sons of Oxford Lad, P. 3123, H. C., and has for dam so great a cow as Golden Leda, P. 8000, H. C. She is one of the best daughters of Golden Fern's Lad; and as a successful breeder, she ranks amongst the best, being also dam of the famous bull, Leda's Golden Lad, P. 3063, H. C., selected by Mr. Wm. Rockefeller to head his noted herd at Tarrytown, N. Y. She is also dam of Sweet Leda, P. 10454, H. C., winner of first prize and sweepstakes, St. Saviour and Grouville Show, May, 1904.

Stockwell is the sire of a number of splendid animals in this sale, all of which will well repay a close inspection. He has produced some sensational show stock, a partial list of his winning get being given in pedigree No. 1 of catalog.

N**Bull.****THE OWL'S OXFORD PRINCE, 95699, A. J. C. C.**

(Lilac's Owl, P. 3846, C.)

Full Brother to Oxford Lilac of St. Saviour, 238449. (See No. 64 of Catalog.)

Bred by J. C. Godfray, St. Saviour, Island of Jersey.
Born March 5th, 1905.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color; Black tongue and switch.

The Owl's Oxford Prince, known on the Island (and to American breeders who have been fortunate enough to own any of his superior get) as "Lilac's Owl," is in every sense an admirable dairy sire and a show bull in every feature. He has the straightest back, with great, long body, finely fashioned shoulders and withers, and exceptionally good rump, long from hips to tail setting, which could not be improved, and his hips are wide, he has thin, flat thighs and fine muscular legs. He shows great character in head, large, expressive eyes; face very dished, the finest pair of rich, incurved horns that ever crowned the head of a bull. In color, he is quite dark on head and neck, and down shoulders to belly and legs; lighter shading from withers extending along back and partly down sides and to root of tail; His hide is thin, rich and mellow—a fine handler and is one of the kind of bulls that "grow upon you." You could spend days examining him, and admire him more each time. His individual quality and his splendid breeding should cause him to make the best record yet for the credit of his dam, both as to selling price and the character of his progeny. No breeder can afford to allow "Lilac's Owl" to escape him.

Sire**OXFORD LAD, P. 3123, H. C.**

1st prize, St. Saviour Show, '02.

Sweepstakes, St. Saviour and Groveville Show, Apr., '03.

Oxford Cora, Reserve over Jersey, May, '05; winner of Silver Medal (first prize) in the Island public butter test, Oct., '06.

2 lbs. 2 ozs., 139 days in milk; Par. prize, Aug., '09.

The progeny of Oxford Lad have been the sensation of recent sales, four sons having sold at an average of \$6,025 and twenty-five cows at an average of \$1,177 during the past 3 years.

Sons of Oxford Lad have realized world's record prices at auction. Stockwell having sold for \$11,500, and Sultana's Oxford Lad for \$11,100, at our '07 and '10 sales.

Three daughters of Oxford Lad have averaged \$2,450 at our auction sales.

Seventeen daughters of Oxford Lad, tested at the public Island butter test, averaged, in 144 days in milk, 31 lbs. 11 ozs. milk, 1 lb. 13½ ozs. butter.

(See his picture and further particulars, opposite No. 59 of catalog.)

No. 3. Bull Calf.**LAD'S BROWN SULTAN, 95475, A. J. C. C.**

Bred by T. S. Cooper & Sons, Coopersburg, Pa.

Born September 1st, 1910.

Solid color, except white tongue; spot on brisket and belly; black switch.

A beautiful calf, with lovely head; prominent eyes; thin, long neck; straight, strong back, with splendid loins and withers; good hips, thin tail, beautifully set; wide and deep body; thin, soft, mellow hide.

Here is a chance to get a show calf.

Sire—SULTANA'S OXFORD LAD.

(See pedigree, this page.)

Dam—STOCKWELL'S MILKMAID.

(See preceding page, No. 2.)

Sire**OXFORD LAD,
P. 3123, H. C.**

Oxford Lad has demonstrated to the complete satisfaction of dairymen in general and of Jersey men in particular, that he is a bull which has developed to an unprecedented degree the power to transmit dairy qualities of the highest order. The records of the public Island butter tests for the past three years make interesting reading on this subject. During that time no less than fifteen of his daughters have been entered in twenty tests, five of them having been tested twice. They were all successful in obtaining a Certificate of Merit or higher award. The average yield for the fifteen cows was 1 lb. 13.6 ozs., produced from 31 lbs. 0.7 oz. of milk, when 141 days in milk. Considering that many of these tests were made after their first calving, it is a marvelous record and said to be without equal.

Dam**GOLDEN****SULTANA,
146282, A. J. C. C.**

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island and dam of Uncle Peter, P. 2415, H. C. Her dam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Marett. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats for which her grandam was famous and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily while in the Gedney Farm herd and this on ordinary feed.

Silver Medal in Public Butter Test, May, 1906.

She made the phenomenal test of 2 lbs. 7 $\frac{3}{4}$ ozs. of butter in 24 hours in the Public Butter Test on the Island Show Grounds, being 300 days in milk at time of test, and within 90 days of calving.

Bred by P. J. Bree, Grouville, Island of Jersey.

Born February 13th, 1899.

Imported September 25th, 1906, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

A magnificent dairy cow; carries a nice head, dished face; large, prominent eyes; razor back, best of withers; broad hips; beautifully-set tail, which is thin and long, with magnificent switch; body of enormous depth and width; neat in bone; thin, loose, mellow hide; large, tortuous milk veins (like Old Blue Belle's); splendid udder, with good-sized and well-placed teats. One of the grandest dairy cows we have ever imported. A cow that will make 2 lbs. 7 $\frac{3}{4}$ ozs. of butter in 24 hours on a public fair ground when 300 days in milk, is not to be "sneezed" at.

We were told on the Island that the breeder and owner of Golden Fern's Niece, 203634, A. J. C. C. (Nursie, P. 8692, C.), felt confident if she was fed for test and put on a yearly test, she could, with comfort, make over 900 lbs. of butter, and nine chances to ten come close to the 1000-lb mark, as she was making daily within 3 ozs., 3 lbs. of butter per day at home a week before the test. This is food for reflection; a cow giving such a quantity and 300 days in milk and within 90 days of calving, is a cow of great value to breed from.

Sweepstakes over St. Saviour and Grouville Shows, April, '03.

1st State's prize over the Island, Apr. '03. Champion, St. Saviour and Grouville Shows, '05

Oxford Lad has demonstrated to the complete satisfaction of dairymen in general and of Jerseymen in particular that he is a bull which has developed to an unprecedented degree the power to transmit dairy qualities of the highest order. The records of the Public Island Butter Tests for the past three years make interesting reading on this subject. During that time no less than fifteen of his daughters have been entered in twenty tests, five of them having been tested twice. They were all successful in obtaining a Certificate of Merit or higher award. The average yield for the fifteen cows was 1 lb. 13 1/2 ozs., produced from 31 lbs. 07 oz. of milk, when 141 days in milk. Considering that many of these tests were made after their first calving, it is a marvelous record and said to be without equal.

At our May, '10, auction sale, fifteen animals sired by Oxford Lad were sold at an average of \$1,778.

Champion Flying Fox,
61441, A. J. C. C.Flying Fox,
P. 2729, H. C.

Champion winner over the Island, August, '09. Sold at our auction sale, May, '02, for \$7,500. In same sale three of his heifers on first calf averaged \$933.

Fox's Belle of Grouville, 21 lbs. 3 ozs.

Flying Fox's Rowena, 17 lbs. 2 1/2 ozs.

Flying Fox's Pearl, 15 lbs. 7 ozs.

Flying Fox's Brown Belle, 15 lbs. 3 ozs.

At the great St. Louis Show, Sept. '04, in the bull and progeny class (23 entries), the second, third and fourth prizes were won by the get of Flying Fox. At our '04 May sale, nineteen of the get of Flying Fox averaged \$635.77.

Oxford Lass,
P. 3582, C.

One of the most celebrated cows the Island ever produced. She was never tested for butter, but milked as high as 28 quarts daily and her milk veins were a sight to see. In ten years from now we will realize her great worth as a dairy cow through her sons and daughters.

Golden Fern's Lad,
P. 2160, H. C.

The most celebrated bull the Island of Jersey has ever produced. His son, Flying Fox, sold in our May, '02, sale for \$7,500. His son, Eminent 2d, sold in our '05 sale for \$10,000.

Sold in our May, 1907, auction sale to W. R. Spann for \$3,000.

Bred by Mrs. J. D. Richardson, St. Martin, Island of Jersey.

Born November 18th, 1904

Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

An exceedingly handsome cow, showing great stamina and splendid dairy qualities. Handsome head, with large, prominent eyes, dished face; thin neck; splendid withers; strong, straight back, with best of loins; hips of enormous width; tail thin and long and beautifully set, with splendid switch; skin thin, loose and very mellow; body of enormous depth and width; magnificent udder development, with large and beautifully-placed teats.

She is beautifully bred, and herself a grand individual, and can not help but grow into a great cow.

Her dam, Sultan's Black Beauty, is one of the most valuable cows that has ever crossed the Atlantic. Her breeder also bred the famous bull, "Golden Jolly," her dam being a full sister to that great bull. Her dam also produced Rose Fern Rosebud, that milked in one year, 12,503 lbs. of milk, estimated butter, 642 lbs. 11 ozs.; 17 lbs. 15 ozs. of butter in 7 days, and sold in Mr. A. P. Walker's sale, September, 1906, for \$2,600. She is a full sister to Golden Fern's Red Rose, that has a test of 23 lbs. 10 ozs. in 7 days; 12,290 lbs. of milk in a year.

Sire

VIOLA'S
GOLDEN FERN,
77393, A. J. C. C.

Viola's Golden Fern is siring for us a class of calves of which we are very proud. We are selling, in this sale, his two oldest daughters, Nos. 11 and 12, to show breeders how good they are. We predict both will do credit to their illustrious ancestors.

Viola's Golden Fern is sired by the world's famous bull, Golden Fern's Lad, P. 2160, H. C., out of Miss Viola, P. 9644, H. C. She is one of the very best dairy cows in the "Linden Grove" herd. She won, in the public butter test on the Island, the Goddington prize, testing 2 lbs. 15 ozs., in 24 hours, being in milk only 39 days and barely 4 years old. She is a daughter of the celebrated cow, Lady Viola, P. 8463, H. C., and a full sister to Mr. C. I. Hudson's great cow, Willoh's Rosy, P. 10444, H. C., that tested 3 lbs., in the public butter test, in 24 hours.

(See preceding page No. 11, for full pedigree of Viola's Golden Fern.)

STOCKWELL'S
BROWN LADY,
213958, A. J. C. C.

Imported in September, '07.
A good dairy cow and a magnificent breeder.

Stockwell.

P. 3550, H. C.
Sold at our May, '07, auction sale for \$11,500 to Hon. A. B. Lewis, Fredericksburg, Va.

Stockwell has been successful in siring a remarkable lot of animals which have shown themselves to be dairy cows of great value. All his daughters as they come in milk are proving his value as a sire. Considering how little he was used on the Island, he is making a great showing. He now heads Dr. H. D. Rodman's herd at Shelbyville, Ky.

Sire of
Woodland's Pride, 2d over Jer. and Par. prize, '09.

Stockwell's Giltedge, Champion winner at Kentucky, Iowa, Indiana, Tennessee and Missouri State Fairs, '08.

Jolly Sweet Thing 2d, Champion, Iowa State Fair, '08. Also first in class, Iowa, Tennessee and Illinois State Fairs, '08.

1st prize, St. Saviour Show, '02.

Sweepstakes over St. Saviour and Grouville Shows, April, '03.

1st State's prize over the Island, Apr. '03. Champion, St. Saviour and Grouville Shows, '05.

He was sold at auction for \$3,300.

Oxford Lad sired the great bulls, Majesty, Lucy's Champion and Sultana's Oxford Lad, sold at our May, '10, auction sale for \$11,100.

Seventeen daughters, by Oxford Lad, at the Public Butter Test, on the Island of Jersey, averaged, in 144 days in milk, 31 lbs. 11 ozs. of milk, 1 lb. 13½ ozs. butter. All winning Certificates of Merit, this is a larger number than have ever won, sired by one bull and many more to come.

He also sired the sensational bull, "Stockwell," that sold in our May, '07, sale for \$11,500.

At our May, '10, auction sale, fifteen animals, sired by Oxford Lad, averaged \$1,778.

Golden Leda.

P. 8000, H. C.
1st pr. over Jer., '00.
1st pr. and Championship, North Club Show, '00 and '01, and has milked over 40 lbs. per day with first calf.

Mr. Ahier, the owner and breeder of Golden Leda, also bred Golden Fern's Lad, Eminent 2d, and Leda's Golden Lad.

Golden Leda is also dam of Leda's Golden Lad and of Forfarshire's Golden Leda, 178458.

1st prize and Sweepstakes at St. Saviour and Grouville Shows, May, '04.

Red Chief.

P. 3119, H. C.
Red Chief is sired by the highly commended bull, Azax, P. 2683, H. C., a son of Cowship 16th, P. 6084, H. C. She is a daughter of the famous bull, Golden Lad, P. 1242, H. C., and nothing could induce her owner to name a price on her, and she was known on the Island as the £1000 (\$5,000) cow. The dam of Red Chief was Redfern's Rainbow, P. 8160, H. C., a highly commended daughter of Golden Fern's Lad, P. 2160, H. C.

A very handsome calf.

Sire—GOLDEN FERN OF LINDEN, 84011, A. J. C. C.,

who is by Golden Fern's Lad, P. 2160, H. C., out of the great cow, Golden Lad's Industry, 162058, being a daughter of the great bull, Golden Lad, P. 1242, H. C., a cow we imported and were so impressed with her great dairy qualities that we reserved her son, by "Old Fern," for our own use.

Dam—LENA'S PRETTY LADY, 214022, A. J. C. C.

(See above, No. 13.)

No. 14. Bull.

VIOLA'S OXFORD PRINCE, 90527, A. J. C. C.

SIRE—Viola's Golden Jolly, 79314, A. J. C. C.

(See full pedigree below.)

DAM—Annie Lee's Oxford Lady, 213938, A. J. C. C.

(See full pedigree on opposite page.)

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born March 3d, 1910.

Solid color; black tongue and switch.
Very handsome head; large, prominent eyes;
broad forehead, dished face; thin, long neck; broad
hips; tail well set, thin and long, with magnificent
switch, wide and deep body; soft, mellow hide.

We are selling in this sale the grandest bred and
individually the best lot of bulls we have ever sold,
but we are so "wedded" to Viola's Oxford Prince,
that it is with great reluctance that we part with
him and my advice to such that are anxious to build
up a reputation is to "bid last" on Viola's Oxford
Prince.

Golden Jolly,

Champion and
Grand Champion,
National Show, Chi-
cago, '08. He also
sired the four cows
that won first prize
for bull and produce,
National Dairy S.,
Chicago and Illinois
State Fair, '08.

Golden Jolly's Lady
Viola, that we im-
ported in '06. We
re-bought her at
Mr. J. M. Overton's
sale, '08, for \$2,550.
She is looked upon
on the Island as hav-
ing made the most
phenomenal public
butter test (taking
into consideration
age and lactation)
ever made, testing 1
lb. 15 ozs., 159 days
in milk, being only
30 months old.
At our '09 sale we sold
13 of his daughters
at an average of
\$530 each.

Viola's Golden Jolly
was exported to Eng-
land while still a year-
ling, so that there
is none of his progeny
on the Island.
In his English home
he was bred to a
very small number
of cows, being owned
in a small private
establishment.
He has inherited from
his great sire, Golden
Jolly, P. 2921, H. C.,
and from his dam,
Lady Viola, P. 8463,
H. C., dairy quali-
ties of unlimited
possibilities. Lady
Viola was imported
by us last winter.
She is the most sen-
sational cow that
the Jersey breed has
so far produced,
having won every
prize of any im-
portance while on
the Island, also first
over all England and
Championship
wherever shown in
the years '06, '07
and '08. She also
won 1st prize in
public butter test at
Tring Show in Eng-
land, as well as 2
lbs 12 ozs. in public
butter test on the
Island.

The get of Viola's
Golden Jolly made a
new record for year-
ling heifers, nine of
them selling for
\$7,160—an average
of \$795 each, at our
'10 auction sale, all
bred by us.

ANNIE LEE'S OXFORD LADY, 213938, A. J. C. C.

(Bessie Lee, P. 12094, H. C.)

Dam of Bull (No. 14), Viola's Oxford Prince, 90527.

(See opposite page for Sire and other particulars.)

Annie Lee's Oxford Lady sold in our 1910 auction sale for \$1,350 to Hon. A. M. Bowman, Salem, Va., who always buys the best.**Sire****OXFORD LAD,
P. 3123, H. C.**

1st prize, St. Saviour Show, '02.
Sweepstakes, St. Saviour and Grouville Shows, Apr., '03.
1st State's prize over the Island, Apr., '03.
Sire of
Oxford Lass of the Island, 14 lbs. 4 ozs. Oxford Cora, Reserve over Jersey, May, '05; winner of Silver Medal (first prize) in the Island public butter test, Oct., '06, 2 lbs. 2 ozs., 139 days in milk; Par. prize, Aug., '09.

The progeny of Oxford Lad have been the sensation of recent sales, four sons having sold at an average of \$6,025 and twenty-five cows at an average of \$1,177 during the past 3 years.

Sons of Oxford Lad have realized world's record prices at auction, Stockwell having sold for \$11,500, and Sultana's Oxford Lad for \$11,100, at our '07 and '10 sales.

Three daughters of Oxford Lad have averaged \$2,450 at our auction sales.

The heavy demand for the get of Oxford Lad can be seen by looking over the reports of recent sales; his get in every case having averaged hundreds of dollars more than any other bull whose get has been sold within the last three years.

Seventeen daughters of Oxford Lad, tested at the public Island butter test, averaged, in 144 days in milk, 31 lbs. 11 ozs. milk, 1 lb. 13½ ozs. butter.

No. 15. Bull.

VIOLA'S BROWN PRINCE, 90067, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born October 26th, 1909.

Solid color, black tongue and switch.

A beautiful head, finely chiselled, large, prominent eyes; lofty carriage; thin, long neck; strong, straight back; broad hips; splendid loins; tail thin and beautifully set, with splendid switch, neat in bone; hide very thin and soft; grand wedge-shaped body of great depth and width.

He will grow to be a beautiful bull and with his breeding and individuality is certain to prove a great sire.

Sire

**VIOLA'S
GOLDEN JOLLY,
P. 79314, A. J. C. C.**

He is a bull of matchless breeding, quality and conformation. We sold him in our May, '09, sale to Drs. Still and Laughlin, Kinloch Farm, Kirksville, Mo., for \$12,000—the highest price ever paid for a Jersey bull at auction. Viola's Golden Jolly was exported to England while still a yearling, so that there is none of his progeny on the Island. In his English home he was bred to a very small number of cows, being owned in a small private establishment.

He has inherited from his great sire, Golden Jolly, P. 2921, H. C., and from his dam, Lady Viola, P. 8463, H. C., dairy qualities of unlimited possibilities. Lady Viola was imported by us last winter. She is the most sensational cow that the Jersey breed has so far produced, having won every prize of any importance while on the Island, also first over all England and Championship wherever shown in the years '06, '07 and '08. She also won 1st prize in public butter test at Tring Show in England, as well as 2 lbs. 12 ozs. in public butter test on the Island.

The get of Viola's Golden Jolly made a new record for yearling heifers, nine of them selling for \$7,160—an average of \$795 each, at our '10 auction sale, all bred by us.

LADY VERNONIA, 195785, A. J. C. C.

(Highly Commended Cow, Vernonia, F. 8706, H. C.)

Winner First Prize over the Island, May, 1902.

Champion Winner over the Island, August, 1902.

First Prize, Sweepstakes and Champion Winner, Three Western Parishes, 1902, 1903 and 1904.

Winner St. Peter Challenge Prize, 1902 and 1904.

First Prize, Island Show, May, 1904.

Winner Theatre Challenge Cup and Championship, May, 1904.

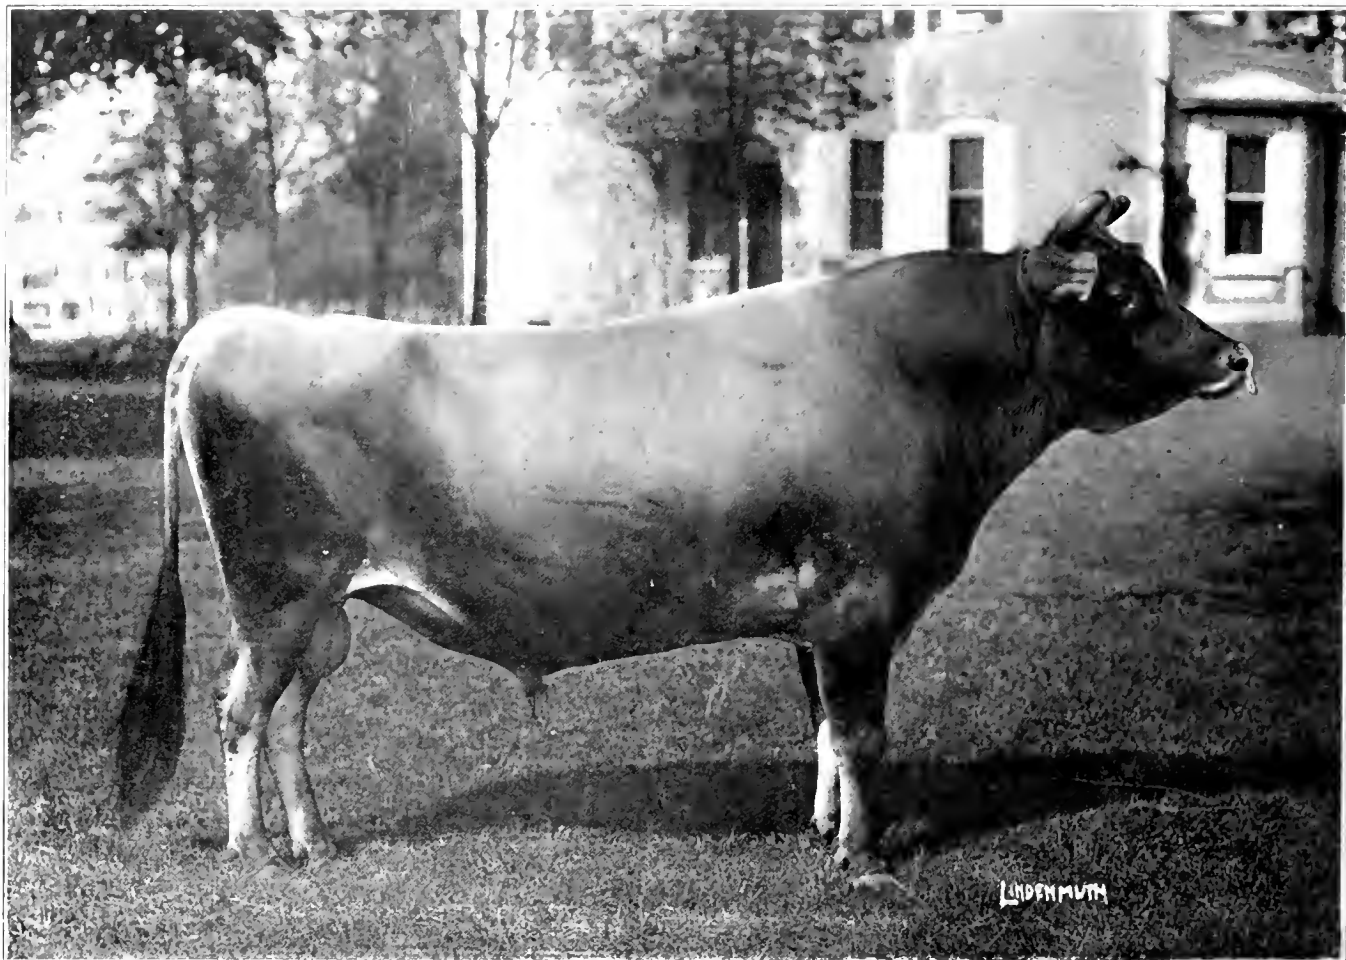

First Prize, Champion Sweepstakes and Special one of a Head of Four, St. Peter Show, 1905.

First Prize over the Island, August, 1905, as well as a number of other Prizes.

Dropped her last calf April, 1905, and was good enough to "clean the deck" at the Royal Show on the Island, August, 1905. She is a show cow 365 days in a year, and Mr. Francis Le Brocq (best judge on the Island) called her the greatest milker on the Island.

She sold in our May, 1906, auction for \$2,500 to Mr. J. M. Overton, Nashville, Tenn.

She is grandam of the bull, Viola's Brown Prince, 90067 (No. 15 of catalog).

VIOLA'S GOLDEN JOLLY, 79314, A. J. C. C.

Sold in our May, 1909, auction to Drs. Still & Laughlin, Kirksville, Mo., for \$12,000—the highest price ever paid for a Jersey at auction.

SON OF THE PEERLESS LADY VIOLA, P. 8463, H. C. (See No. 79 of catalog.)

She won First over Jersey, 1904; Certificate of Merit in Butter Test, May, 1904, yield, 2 lbs. 12 ozs., 50 days in milk; First over Jersey and winner of the Theatre Champion Cup, May, 1905; First prize, Sweepstakes and Champion, St. Saviour and Grouville Show, 1905; First over England wherever exhibited, 1906; First prize, Royal Counties Show, Cardiff, 1907; First prize, Royal Show, Lincoln, 1907; First prize, Tunbridge Wells Show, 1907; First prize, Iring Park Show, 1907; First prize, Tring Show, for tested cows (after being on the show circuit for eight weeks), 1907; Champion, Tring Show, 1907.

Lady Viola is sired by NOBLEMAN, P. 2555, H. C., First over Jersey, August, 1898. Her dam is Bagatelle 2d, P. 6564, H. C., a magnificent dairy cow, and full sister to Golden Lad's Fawn Duchess, 166538, that tested 23 lbs. 6 ozs. in 7 days.

Lady Viola is also dam of

NOBLE OF OAKLANDS, P. 3909, H. C., First over Jersey, with his progeny, April, '10. (See front page B.)

MISS VIOLA, P. 9644, H. C., Certificate of Merit in Butter Test, May, 1905, yield, 2 lbs. 15 ozs., 39 days in milk, when 4 years, 1 month old.

WILLOUT'S ROSY, P. 10444, H. C., winner of Parish Prize, August, 1904; Certificate of Merit in Butter Test, May, 1906, yield, 3 lbs., 38 days in milk, when 4 years, 1 month old.

POPPY VIOLA, P. 10902, H. C., now named GOLDEN JOLLY'S LADY VIOLA, 203699, A. J. C. C., winner of Bronze Medal in Public Butter Test, October, 1905.

Nine yearling heifers, by Viola's Golden Jolly, all bred by us, from great cows of the "Linden Grove" herd, sold in our 1910 auction for an average of \$795 each—a new record for yearling heifers.

EXAMINE THE GET OF VIOLA'S GOLDEN JOLLY IN THIS SALE EVERY ONE OUT OF A SUPERIOR DAM.

Golden Jolly's Lady Viola, the full sister to Viola's Golden Jolly, was imported by us in 1906, and sold to Mr. J. M. Overton, at whose closing out sale in 1908 we bought her for \$2,250. She is looked upon as having made the most phenomenal test on the Island, taking into consideration age and lactation—testing 1 lb. 15 ozs., when 150 days in milk and only 30 months old.

We are raising a young bull from Golden Jolly's Lady Viola, sired by Sultana's Oxford Lad, for use in the "Linden Grove" herd, and have already in service a son of Miss Viola (above) sired by Golden Fern's Lad—not to mention the son of Viola's Golden Jolly out of Golden Sultana. We have faith in this blood.

No. 16. Bull.

VIOLA'S GOLDEN BOBBY, 90480, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born January 13th, 1910.

Solid color; black tongue and switch.
A very handsome bull; nice head; prominent eyes; broad muzzle, thin neck; strong, straight back; good hips; tail thin and nicely set; splendid switch; thin, soft, mellow hide; large rudimentaries and nicely placed.

A bull that can not help but produce great dairy cows.

Sire

VIOLA'S
GOLDEN JOLLY,
P. 79314, A. J. C. C.

He is a bull of matchless breeding, quality and conformation. We sold him in our May, '09, sale to Drs. Still and Laughlin, Kinloch Farm, Kirksville, Mo., for \$12,000—the highest price ever paid for a Jersey bull at auction.

Viola's Golden Jolly was exported to England while still a yearling, so that there is none of his progeny on the Island. In his English home he was bred to a very small number of cows, being owned in a small private establishment.

He has inherited from his great sire, Golden Jolly, P. 2921, H. C., and from his dam, Lady Viola, P. 8463, H. C., dairy qualities of unlimited possibilities.

Lady Viola was imported by us last winter. She is the most sensational cow that the Jersey breed has so far produced, having won every prize of any importance while on the Island, also first over all England and Championship wherever shown in the years '06, '07 and '08. She also won 1st prize in public butter test at Tring Show in England, as well as 2 lbs. 12 ozs in public butter test on the Island.

The get of Viola's Golden Jolly made a new record for yearling heifers, nine of them selling for \$7,160—an average of \$795 each—at our '10 auction sale, all bred by us. (See No. 15 for his full pedigree.)

BELINDA'S STOCKWELL, 89582 A. J. C. C.

Bred by John E. Desreux, St. Mary, Island of Jersey.

Born February 13th, 1910.

Imported (in dam) February 2d, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

Stockwell, P. 3550, H. C.
Sold at our May, '07, auction sale for \$11,500. His is a son of the great Oxford Lad and out of one of the best daughters that Golden Fern's Lad ever sired. Time will prove that blood will tell and that he will prove a very successful sire.
The following is a list of winnings that some of his get have won:

Stockwell's Giltedge, 1st prize, Minnesota, Kentucky, Tennessee and Wisconsin State Fairs; also Champion bull at Iowa; Junior Champion at Indiana, Kentucky, Tennessee and Missouri State Fairs.
Jolly Sweet Thing 2d, 1st prize, Grand Champion, Iowa S. Fair; 1st prize Tennessee and Illinois S. Fairs; also 1st at Wisconsin and Minnesota.

SULTAN EXILE, 90066, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born October 19th, 1909.
Solid color; black tongue and switch.

Sire
SULTANA'S
OXFORD LAD,
76506, A. J. C. C.

A grand bull.
Sold in our May, '10, auction for \$11,100. At same time his dam, the distinguished Golden Sultana, brought \$3,700.

He now heads the Jersey herd at Elmendorf Farm, Lexington, Ky., owned by Mr. Jas. B. Hagglin. His dam was bought by Mr. M. S. Beltzhoover for his choice herd at "Rochroane," Irvington, N. Y.

Sultana's Oxford Lad is magnificently bred, and so good individually that he could not help proving a successful sire. His sire, Oxford Lad will go down in Jersey history as having sired the greatest string of dairy cows that ever lived.

His dam, Golden Sultana, is the greatest living representative of the Sultane family. Her dam, Sultane 9th, P. 1145, H. C., is dam of Uncle Peter, P. 2115, H. C., and of Sultane's Snowdrop, P. 8578, H. C., 1st over Jersey, May, '01. Sultane's Snowdrop is full sister to Golden Sultana, and is dam of the celebrated bull, Sultan of Oaklands. The get of Sultana's Oxford Lad will bear witness that he has the prepotency to hand down the qualities of the Oxford-Sultane families. (Look them over in this sale.)

Dam
EXILE'S DORCAS,
169097, A. J. C. C.

A grand dairy cow, possessing perfect udder, with large and beautifully-placed teats. Milked with second calf 22 qts. daily.

Oxford Lad, P. 3123, H. C.
1st State's prize over Jersey, April, '03. Within the last five years, in the ten Island butter tests, seventeen of Oxford Lad's daughters won prizes and Certificates of Merit; a wonderful record.

Among the best of these is Gamboge's Pride 7th, P. 10517, H. C. (now Oxford's Fontaine, 224580), Certificate of Merit and 2d Goddington prize, May, '07, 2 lbs. ½ oz., 120 days in milk; Certificate of Merit, May, '08, 1 lb 14½ ozs., 154 days in milk. Sold in our '09 sale to Dr. H. D. Rodman for \$2,525. (For further particulars, see No. 59.)

Golden Sultana, 146282, A. J. C. C. Sold in our May, '10, auction for \$3,700. At same time his son, Sultana's Oxford Lad sold for \$11,100.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. Golden Sultana is an intensely bred "Sultane."

Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Marett. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily while in the Gedney Farm herd, and this on ordinary feed.

FERN'S ADMIRAL TOGO, 95692, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born November 15th, 1909.
Solid color; black tongue and switch.

Sire
GOLDEN FERN
OF LINDEN,
84011, A. J. C. C.

By the celebrated Golden Fern's Lad, out of a daughter of Golden Lad, he has an inherited right to be an impressive sire. We retained his dam in the Linden Grove breeding herd for the express purpose of getting a son from her by Golden Fern's Lad, and Golden Fern of Linden was the result. Golden Lad's industry was one of the best daughters of Golden Lad we ever imported.

Dam
ADMIRAL TOGO'S
BLACK BEAUTY,
249791, A. J. C. C.

(For her full pedigree, see No. 19, on preceding page.)

Golden Fern's Lad, P. 2160, H. C. 1st and Champion at N. C. Show, '96, '97. The most celebrated bull the Island of Jersey has ever produced. His son, Flying Fox, sold in our May, '02, sale for \$7,500. His son, Eminent 2d, sold in our May, '05, auction sale for \$10,000. His ten-months-old bull calf sold in our May, '07, sale for \$10,200, and in the same sale his grand-son, "Stockwell," sold for \$11,500. Ten of his get have been sold at an average of \$4,560.

His sons and daughters have been winning 1st prizes and Grand Champion honors from the Atlantic to the Pacific. His son, Eminent 2d, has 41 tested daughters in America, tested by 12 different owners in 10 different states; besides, 25 have won Medals or Certificates in public tests on the Island.

His son, Flying Fox, has five tested daughters, averaging 17 lbs. 4 ozs.

His daughter, Golden Fern's Sensation, won 2d prize at the great St. Louis S., '04, and was sold at auction for \$2,250. She created a great sensation at the most famous shows in the fall of '08, and won Cham. honors without asking, wherever shown, including the great National D. Show at Chicago.

His daughter, Golden Sultana, won third prize at the great St. Louis Show, Sept., '04, and sold in the ring for \$2,350. She sold in our May, '10 auction for \$3,700, and her son, Sultana's Oxford Lad, sold for \$11,100.

Sold in our '09 sale to Dr. H. D. Rodman for \$2,525. A number of his daughters have entered the A. J. C. C. Register of Merit by yearly and seven-day authenticated tests.

(For further particulars, see No. 59)
Golden Sultana,
146282, A. J. C. C.
Sold in our May, '10, auction for \$3,700. At same time her son, Sultana's Oxford Lad, sold for \$11,100

The following is copied from a letter written by Dr. C. E. Still, of Kirksville, Mo., to Mr. Howard Willets, White Plains, N. Y.:
"In reply to your favor will say that Golden Sultana's milk has tested as high as 7.4. I selected her to go to the St. Louis test, thinking that she was the best cow I had. She was more persistent than Baronet, who was accepted by the Club, and was very much richer, and to say that I was disappointed when she was left out is putting it very mildly."

MABEL'S SULTAN, 95691, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born October 29th, 1909

Solid color, except some white on brisket and white line above left flank; white tongue; black switch.

A combination of the very choicest Island blood.

Sire
SULTANA'S
OXFORD LAD,
76506, A. J. C. C.

A grand bull.

Sold in our May, '10, auction for \$11,100. at same time his dam the distinguished Golden Sultana, brought \$3,700.

He now heads the Jersey herd at El-mendorf Farm, Lexington, Ky., owned by Mr. Jas. B. Haggin.

His dam was bought by Mr. M. S. Beltzhoover for his choice herd at "Roch-roane," Irvington, N. Y.

Sultana's Oxford Lad is magnificently bred, and so good individually that he could not help proving a successful sire. His sire Oxford Lad, will go down in Jersey history as having sired the greatest string of dairy cows that ever lived.

His dam, Golden Sultana, is the greatest living representative of the Sultane family. Her dam, Sultane 9th, P. 1145, H. C., is dam of Uncle Peter, P. 2115, H. C., and of Sultane's Snowdrop, P. 8578, H. C., 1st over Jersey, May, '01. Sultane's Snowdrop is full sister to Golden Sultana, and is dam of the celebrated bull, Sultan of Oaklands.

The get of Sultana's Oxford Lad will bear witness that he has the prepotency to hand down the qualities of the Oxford-Sultane families. (Look them over in this sale.)

Dam
FOX'S MABEL'S
FONTAINE,
180382, A. J. C. C.

A splendid daughter of the great Flying Fox, and it was only as a great favor that her breeder (Mr. Labey) parted with her.

Oxford Lad, P. 3123, H. C. 1st prize, St. Saviour Show, '02. Sweepstakes over St. Saviour and Grouville Show, Apr., '03. 1st State's pr. over the Island, Apr., '03. (For further particulars regarding Oxford Lad, see No. 59.)

Golden Sultana, 146282, A. J. C. C. Sold in our May, '10, auction for \$3,700. The following is copied from a letter written by Dr. C. E. Still, of Kirksville, Mo., to Mr. Howard Willets, White Plains, N. Y.: "In reply to your favor will say that Golden Sultana's milk has tested as high as 7.4. I selected her to go to the St. Louis test, thinking that she was the best cow I had. * * *

Flying Fox, P. 2729, H. C. Champion winner over the Island, August, '09. Sold at our auction sale, May, '02, for \$7,500. In same sale, three of his heifers on first calf averaged \$933.

Flying Fox's Pearl, 15 lbs. 7 ozs. Flying Fox's Brown Belle, 15 lbs. 3 ozs. Fox's Glove, 2 lbs. 8½ ozs. in public butter test, May, '07. Sam Loates, sire of Reindeer, Bronze Medal winner, public butter test, Oct., '07. 1 lb. 13½ ozs., 161 days in milk. Agatha's Flying Fox, sire of Agatha's Welcome Daisy, that tested 18 lbs. 1 oz. in seven days and 35 lbs. 13 ozs. in 14 days.

At the National Dairy Show, '07, his son, Brookhill Fox, won first in class, Champion and Grand Champion. Many of the principal prize winners were his sons and daughters. Brookhill Fox also won first at Royal Show, England, '02, in a class of 32, and sold at Mr. J. M. Overton's May, '08, sale for \$5,000.

Mabel 41st, P. 7899, H. C. One of Mr. Labey's best Mabels.

Golden Fern's Lad,

P. 2160, H. C. 1st and Champion at N. C. Show, '96, '97. The most celebrated bull the Island of Jersey has ever produced. His son, Flying Fox, sold in our May, '02, sale for \$7,500. His son, Eminent 2d, sold in our May, '05, auction sale for \$10,000. His ten-months old bull calf sold in our May, '07, sale for \$10,200, and in the same sale his grandson, "Stockwell," sold for \$11,500.

His two best daughters in the public butter test are Freedom, 2 lbs. 10 ozs. butter in 24 hrs. at the Tring Show Ring, Eng., being 140 days in milk, and Gold Mine, Gold Medal, Tunbridge Wells, England, 2 lbs. 7 ozs. butter in 24 hours, being in milk 150 days.

Rosette 5th,

P. 2881, H. C. A very rich and persistent milker.

Dam of Flying Fox, P. 2729, H. C. Alicante, P. 3880, H. C. Forfarshire, P. 2914, H. C. 3 Champion winners. Four of her get have sold in our auction sales at an average of \$2,762.50.

Actor, P. 2256, C. 1st p. ov. Jer., '96, '97. Actor was considered by his breeder, Mr. Wm. Labey, one of the best bulls ever on the Island.

His dam, Fontaine 7th, was owned by Mr. Wm. Rockefeller, and considered one of the best cows in his herd. She is full sister to Fontaine 9th, P. 6039, H. C., 1st p. Grouville, '99, 2 lbs. 10 ozs. butter in 24 hours, and milking 21 qts. daily. She is dam of Nunthorpe's Fontaine, 172289, that sold in our May, '03, sale to Hon. A. M. Bowman, Salem, Va., for \$1,035.

Fontaine 7th is half-sister to Fontaine 8th, the dam of Marcus, P. 2461, H. C., sire of Lady Rosette of St. Saviour, sold in our May, '02, sale for \$3,100 to Mr. L. L. Bradbury, Los Angeles, Cal.

Mabel 39th, P. 6694, H. C.

Boyle, P. 1559, H. C. Sire of the celebrated bull, Golden Fern's Lad, P. 2160, H. C. Fontaine 7th, 8th and 9th, all prize winners over the Island. Fontaine 9th milked over 9,000 lbs. milk in a year; 41 lbs. 4 ozs. in 24 hours, from which 2 lbs. 10 ozs. of butter was made.

A most remarkable cow. She was considered by many judges as the most perfect cow on the Island. She milked 24 quarts daily and won the following prizes:

- First over Jersey, May, 1905.
- First over Jersey, August, 1905.
- Winner Blythwood Challenge Bowl, August, 1905.
- First over Jersey, May, 1906.

Her sire, Orlando, P. 2533, H. C., is the sire of a remarkable lot of cows of wonderful conformation and dairy quality. Her dam, Brown Fairy, F. 7819, C., was a splendid cow, milking as high as 22 quarts daily. She sold in our May, 1901, sale for \$1,200. She traces to the famous Mabel 2d, F. 889, H. C., whose daughter, Mabel 4th, sold in our May, 1883, sale for \$2,100.

Fairy Glen was a great cow in every way; and all her granddaughters in this sale bespeak her great dairy and show qualities.

There is abundant evidence of the prepotency of the old cow, Eminence, F. 7124, H. C., dam of Eminent 2d. It appears, from the fact that her dam, Brown Fern, F. 4606, C., is also the great granddam of Golden Fern's Lad, that there was a powerful influence projected by this old Foundation Stock cow. An instance of the butter quality where this blood is concentrated is presented by the record of Eminent 2d's daughter, Aurea, P. 8693, H. C., a splendid cow that we have imported and who will be seen in this sale. Aurea's dam is Brown Fern 2d, a daughter of the old cow, Brown Fern. Aurea won Certificate of Merit in the May, 1907, butter test with 2 lbs. 4 1/2 ozs. of butter, and she is the dam of Aurea's Fern, P. 11259 (by Oxford Lad), who won Certificate of Merit in May, 1909, with 1 lb. 12 1/2 ozs. of butter when 236 days in milk.

When we note how unfailingly the daughters and descendants of Brown Fern prove such unusually good animals we can not help thinking that it was the multiplication of her blood that gave Aurea her prepotency.

No. 29. Cow.**EMINENT'S GOLDEN BELLE, 213899, A. J. C. C.**

ROYAL MAJESTY, 79313, A. J. C. C.

(Majesty, P. 3523, H. C.)
(FOR REFERENCE ONLY.)Bred by Charles Mourant, St. Saviour, Island of Jersey.
Born February 28th, 1903.

Imported October 8th, 1907, by T. S. Cooper & Sons

Solid color, black tongue and switch
Royal Majesty was sold in our 1908 auction sale to Mr. George Council, who sold him at his auction sale to Mr. Edwin S. George, Detroit, Mich., for \$4,000. He is bred in great butter channels and is proving himself a great sire. (See his picture, with other interesting notes, on opposite page.)

Distinction Queen, 1st over the Island, August, '06; also Blythwood Challenge Bowl. Sold at our '10 auction sale for \$2,600.

Oxford Cora, Reserve over Jersey, May, '05; winner of Silver Medal (first prize) in the Island public butter test, Oct., '06, 2 lbs. 2 ozs., 139 days in milk; Par. prize, Aug., '09.

The progeny of Oxford Lad have been the sensation of recent sales, four sons having sold at an average of \$6,025 and twenty-five cows at an average of \$1,177 during the past 3 years.

Sons of Oxford Lad have realized world's record prices at auction; Stockwell having sold for \$11,500 and Sultana's Oxford Lad for \$11,100, at our auction sales.

Three daughters of Oxford Lad have averaged \$2,450 at our public auctions.

The heavy demand for the get of Oxford Lad can be seen by looking over the reports of recent sales; his get in every case having averaged hundreds of dollars more than any other bull whose get has been sold within the last three years.

Seventeen daughters of Oxford Lad, tested at the public Island butter test, averaged, in 144 days in milk, 31 lbs. 11 ozs. milk, 1 lb. 13½ ozs. butter.

MAJESTY'S PEARL, 252166, A. J. C. C.

(Majesty's Pearl, P. 14299, H. C.)

Winner in Public Butter Test, First Goddington Prize, May, 1910, testing 2 lbs. 4 $\frac{3}{4}$ ozs., 275 days in milk, and this after first calf, which was born when she was two years and five months of age, and the test made 40 days within calving. She is one of the most (if not the most) sensational butter producers the breed has evolved.

Bred by Charles Mourant, St. Saviour, Island of Jersey.

Born March 14th, 1907.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color, black tongue; black and white switch. She carries a handsome head; rich horns; thin, long, ewe neck; splendid withers; best of loins; broad hips; thin, long, whip tail, beautifully set, with splendid switch; thin, loose, mellow hide; neat in bone; large, tortuous milk veins; splendid udder, with good sized and beautifully-placed teats.

Sire
MAJESTY,
P. 3523, H. C.,

now named
ROYAL MAJESTY,
79313, A. J. C. C.

Winner of
1st and Grand Cham.,
Nat. Dairy S., '08.
1st at Illinois State
Fair, '08.
1st and Grand Cham.,
Mich. State Fair, '10
—only time shown
last year.

Sold in our May, '08,
sale to Willowdale
Farm, where he was
sold two years later
for \$4,000—just
four times his former
price, and not
half his value. Now
at head of Erden-
heim Farm herd,
owned by Dr. Edw.
S. George, Detroit,
Mich.

Majesty is an unusually prepotent sire; he gets butter producers and showing winners. One of the most (if not the most) sensational butter producers of the breed is his daughter, Majesty's Pearl, who, with her first calf, made 2 lbs. 3 ozs. butter in the Oct., '09, test on the Island and 2 lbs. 4 $\frac{3}{4}$ ozs. in the May, '10, test—being on the latter occasion, 275 days in milk and 40 days before second calving and only two years and five months old when calf was born. Not so bad for a "beginner"—Majesty is yet a young bull.

(For further particulars regarding Majesty's tested daughters and prize winners, see No. 30.)

Many years ago, while
on the Island, we
called to see Oxford
Lass, having been
told it would be hard
to find her equal in
Jersey. Nothing
could tempt the
owner to name a
price on her. She
has milked as high as 28 quarts daily, and her
milk veins and udder were a sight to see. We
were so much impressed with her that we
went to see her several times. Her daughter,
Oxford Ixia, tested on the public fair grounds,
2 lbs. 13 ozs. in 24 hours. She is also dam

No. 32. Heifer Calf.

MAJESTY'S NOBLE PEARL, 252257, A. J. C. C.

Bred by Charles Mourant, St. Saviour, Island of Jersey.
Born June 19th, 1910.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color—black tongue and switch.
Beautiful head, lovely eyes, thin, long neck, long, straight back, broad hips, tail thin and long, with splendid switch; meat in bone—thin loose, mellow hide, wide and deep body, remarkable udder development, with large and beautifully placed teats.
Watch this calf—She is as handsome as a picture and one of the best in the sale.

Sire
NOBLE OF
OAKLANDS,
P. 3909, H. C.

(95700, A. J. C. C.)

1st pr. St. Saviour, '07.

1st pr. Royal Show, '10, for bull and 5 female progeny.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng. Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, 1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prizes in Eng. and on the Island within three years; and no doubt a corresponding number in America.

(See front page B for picture and full particulars.)

No. 33. Bull Calf.

ARISTOCRATIC NOBLE, 96133, A. J. C. C.

Bred by T. Le Ruez, St. Mary, Island of Jersey.
Born August 15th, 1910.
Imported on dam February 2d, 1910, by T. S. Cooper & Sons.

Solid color, black tongue and switch.
Beautiful head, lofty carriage, large, prominent eyes, thin, long neck, straight and long back, best of withers, splendid loins, tail thin and long and beautifully set with splendid switch; meat in bone, very thin, loose, mellow hide, wide and deep body.

The handsomest and most aristocratic youngster in the sale, one that is certain to be called up from the index for the blue ribbon. Mr. W. R. Sporn put the night before he called for the Island, and he pronounced Aristocratic Noble the best bull calf he ever saw.

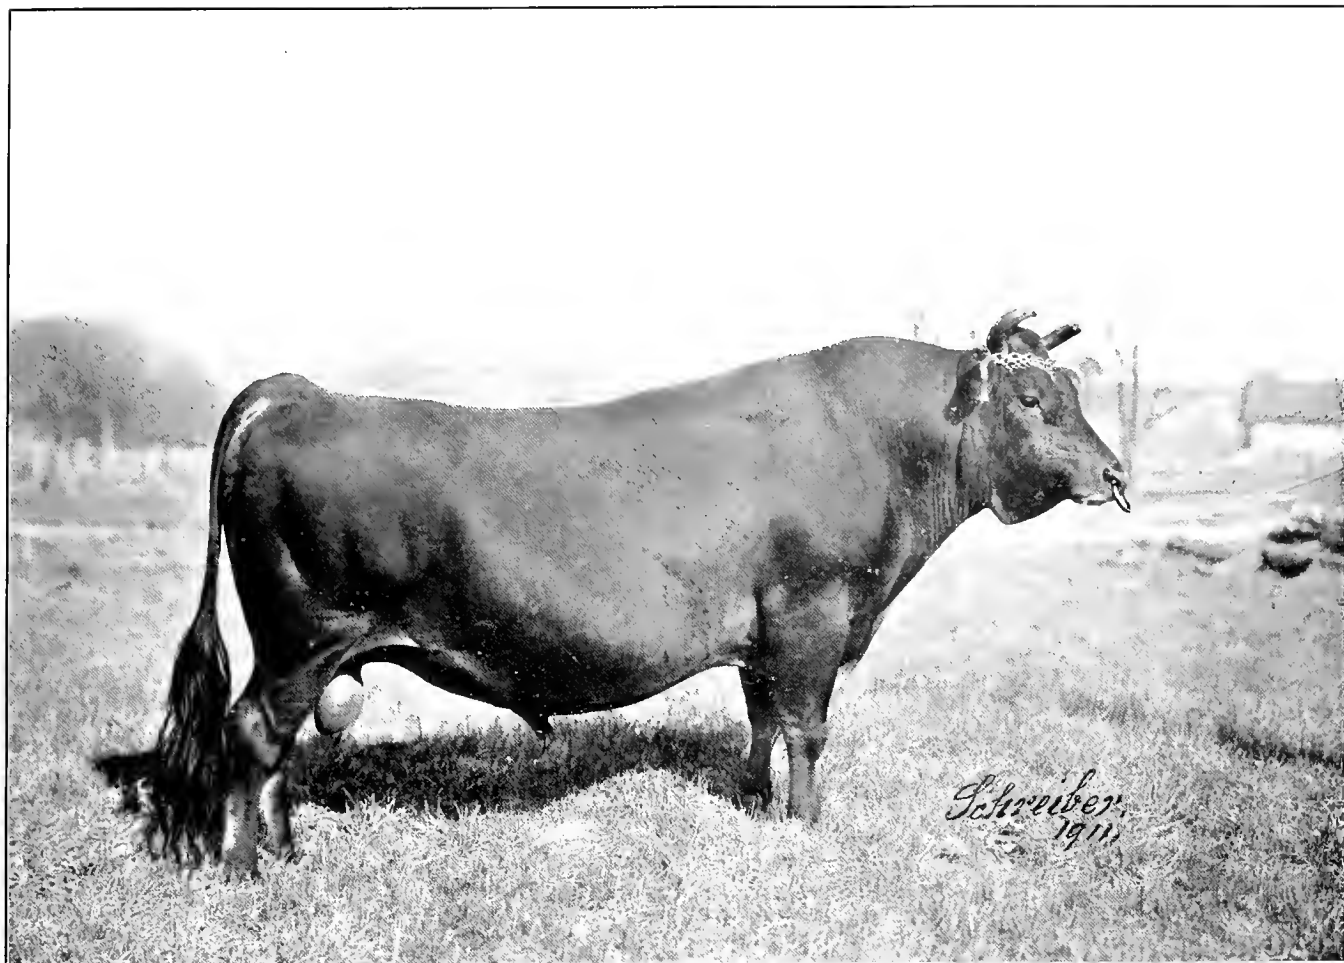

Sire NOBLE OF OAKLANDS, P. 3909, H. C.

NOBLE OF OAKLANDS, 95700, A. J. C. C., P. 3909, H. C.

Crowned "King of the Island."

Coming "King of America."

Won First Prize, St. Saviour Show, 1907.

First over Jersey, April, 1910, for Bull and Progeay (the most coveted and significant prize the Island affords).

Noble of Oaklands and his sons won all First Prizes at the Island of Jersey Bull Show, April, 1910.

In 1908 his get won 7 Firsts at English and Island Shows.

In 1909 his get won 17 First Prizes or Championships at Island and English shows.

In 1910 his get won 6 First Prizes and 1 Championship at Island and English shows.

In 1910—30 First Prizes in class, 8 Junior Championships, 6 Senior Championships, 4 Grand Championships, won by Noble of Oaklands' get at American shows.

In 1911 2 Sons won First Prizes at the April Bull Show.

8 First Prizes for "get of sire" won by Progeny of Noble of Oaklands at the leading United States shows of 1910.

His sons headed 5 First Prize herds at important American shows in 1910.

(These prizes all substantiated by reports; many others might be claimed if reports with details were available.) First Prizes and Championships only are considered. His get also won many minor prizes. No bull has made a record to approach that of Noble of Oaklands at his age (six years).

Three Daughters with official butter tests on the Island and in America.

Ninety-two First Prizes and Championships Stand to the Credit of Noble of Oaklands and His Get Within the

Past Three and One-half Years.

NOBLE OF OAKLANDS IS NOW AT "LINDEN GROVE,"

With His Dam, and His Choicest Sons and Daughters, and a Splendid Line of Aristocratic Females in Calf by Him, to be Offered in Our DECORATION DAY AUCTION, TUESDAY, MAY 30th, 1911, AT COOPERSBURG, PENNA.

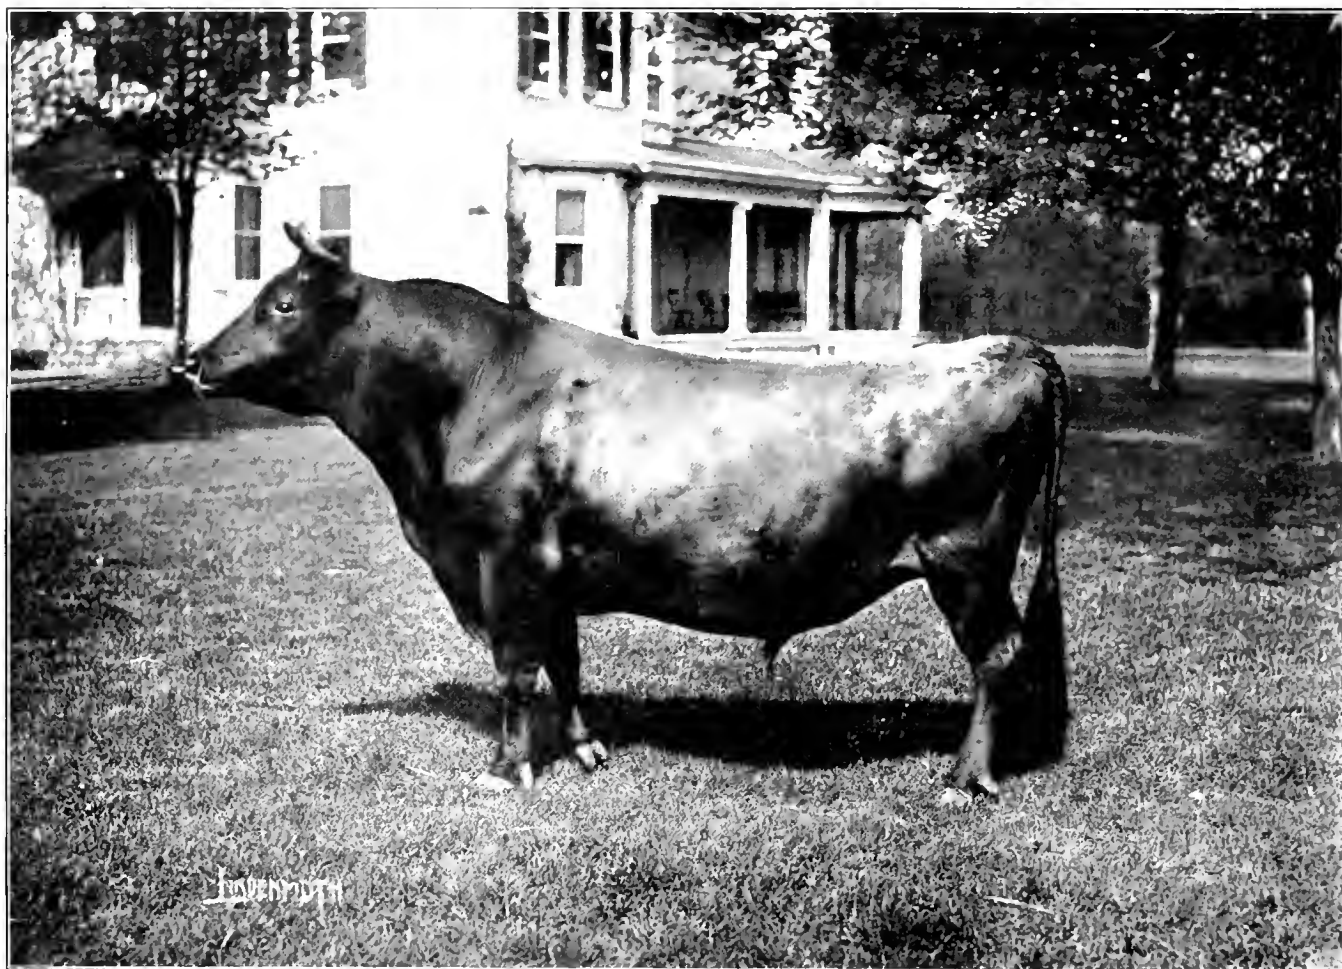

Noble of Oaklands was born April 13, 1905.

He was sired by Blue Belle's Blue Fox, P. 3633, H. C., a son of the famous old cow, Blue Belle, P. 4307, H. C., that sold in our 1904 auction to Mr. Howard Willets, owner of "Gedney Farm," for \$3,600, she being then 14 years of age.

His dam is Lady Viola, P. 8463, H. C., the great butter test and inspection class Champion Cow, who "swept the boards" at the Island and English shows from 1904 to 1908. Her record and history appeared in *The Jersey Bulletin* of April 5, 1911.

It is significant when such noted Island breeders as Wm. J. Labey, founder of the Fontaine family, and Chas. Mourant, of Oxford Lad fame, sent their best cows for service to Noble of Oaklands and thereby reaped a very rich reward, selling their stock at the highest figures known on the Island.

American Breeders are now offered an opportunity of which the Islanders have been deprived, and for which many of the best breeders would be willing to pay large sums—viz., the benefit of service to Noble of Oaklands. Our cows and heifers are the very cream of the Island in breeding and individuality; more than 50 per cent. of those that have been bred have been to Noble of Oaklands. It does not require very deep probing to satisfy one's self of the fact that the coming "Linden Grove" auction offers to American breeders what can not be secured on the Island, though enviously coveted there—here it is, right at your doors, with all the risks and expenses of shipment and quarantine gone through with. It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get some of this blood while it is on the counter. As in the case of Golden Fern's Lad, in a few years it will be at a premium.

ROYAL MAJESTY, 79313, A. J. C. C.

(Majesty, P. 3523, H. C.)

Royal Majesty is a son of the famous Oxford Lad, P. 3123, H. C. His dam is the well-known butter-test cow, Oxford Ixia 3d, P. 8584, H. C. She won the following prizes in the public butter tests on the Island:

Silver Medal, October, 1903, 2 lbs. $1\frac{1}{2}$ ozs., 235 days in milk.
Bronze Medal, May 1904, 2 lbs. $15\frac{1}{2}$ ozs., 94 days in milk, and a number of other butter-test prizes. She was sold at a long price to Dr. Watney, England, who only buys big butter-test cows.

Her dam, Oxford Ixia, P. 7100, H. C., made the following tests:

Bronze Medal, March, 1900, 2 lbs. 8 ozs., 70 days in milk.
Certificate of Merit, May, 1900, 1 lb. $15\frac{1}{2}$ ozs., 127 days in milk.
Certificate of Merit, May, 1901, 2 lbs. $1\frac{1}{2}$ ozs., 147 days in milk.
Certificate of Merit, March, 1902, 2 lbs. $5\frac{1}{2}$ ozs., 48 days in milk.
Certificate of Merit, May, 1902, 2 lbs. $6\frac{1}{2}$ ozs., 99 days in milk.
Certificate of Merit, May, 1903, 2 lbs. $2\frac{1}{2}$ ozs., 49 days in milk.

Majesty was sold in our May, 1908, auction for \$1,000, and two years later sold for \$4,000—just four times his former price. He is now owned by Dr. Edw. S. George, Detroit, Mich., owner of Erdenheim Farm at Pontiac. We always claimed that Royal Majesty was a \$10,000 bull, and he would have brought that amount had he been sold under favorable circumstances.

Royal Majesty won:

First and Grand Champion, National Dairy Show, 1908.

First Prize, Illinois State Fair, 1908.

First Prize and Grand Champion, Michigan State Fair, 1910—only time shown last year.

He is sire of many noted winners and public butter-test cows.

No. 34. Cow.

MAJESTY'S LOUISE, 238450, A. J. C. C.

(FOR REFERENCE ONLY.)

(Ste Louise 8th, P. 13403, H. C., Dam of No. 33.)

Parish Prize, August, 1908. Third Prize in Public Butter Test, October, 1909, yield, 2 lbs. 6 ozs., 67 days in milk.

Bred by T. Le Ruez, St. Mary, Island of Jersey.
Born March 6th, 1906.
Imported February 2d, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

A very handsome cow; nice head, large, prominent eyes; dished face, thin long neck, rich, amber horns, sharp withers; broad hips; tail thin and long, beautifully set, with magnificent switch, splendid body, very thin, soft, mellow hide; large, tortuous milk veins; good-sized and well placed teats.

A great milk machine.

Sold in our 1910 auction sale for \$1,000, to White Horse Farm, Paoli, Pa.

four times his former
price, and not
half his value. Now
at head of Erden-
heim Farm herd,
owned by Dr. Edw.
S. George, Detroit,
Mich.

Majesty is an unusu-
ally prepotent sire;
he gets butter pro-
ducers and show-
ing winners. One
of the most (if not
the most) sensa-
tional butter pro-
ducers of the breed
is his daughter,
Majesty's Pearl, who,
with her first calf,
made 2 lbs. 3 ozs.
butter in the Oct.,
'09, test on the Is-
land and 2 lbs. 4½
ozs. in the May, '10,
test—being on the
latter occasion, 275
days before second
calving and only
two years and five
months old when
calf was born. Not
so bad for a "be-
ginner"—Majesty is
yet a young bull.

Cora's Majesty, bought
by Mr. R. B. Swift,
of Libertyville, Ill.,
at a long price—one
of the few unbeaten
bulls at last year's
shows—is a son of
Majesty. He was
1st pr. two-year-old
at six of the im-
portant western
shows.

Sire
MAJESTY,
 P. 3523, H. C.,
 now named
ROYAL MAJESTY,
 79313, A. J. C. C.
 Winner of
 1st and Grand Cham,
 Nat Dairy S., '08.
 1st at Illinois State
 Fair, '08.
 1st and Grand Cham,
 Mich State Fair, '10
 —only time shown
 last year.
 Sold in our May, '08,
 sale to Willowdale
 Farm, where he was
 sold two years later
 for \$4,000—just
 four times his former
 price, and not
 half his value. Now
 at head of Erden-
 heim Farm herd,
 owned by Dr Edw.
 S. George, Detroit,
 Mich.
 Majesty is an unusu-
 ally prepotent sire;
 he gets butter pro-
 ducers and show-
 ring winners. One
 of the most (if not
 the most) sensa-
 tional butter pro-
 ducers of the breed
 is his daughter,
 Majesty's Pearl, who,
 with her first calf,
 made 2 lbs 3 ozs
 butter in the Oct.,
 '09, test on the Is-
 land and 2 lbs. 4½
 ozs. in the May, '10,
 test—being on the
 latter occasion, 275
 days in milk and 40
 days before second
 calving and only
 two years and five
 months old when
 calf was born. Not
 so bad for a "be-
 ginner"—Majesty is
 yet a young bull.
 Cora's Majesty, bought
 by Mr. R. B. Swift,
 of Libertyville, Ill.,
 at a long price—one
 of the few unbeaten
 bulls at last year's
 shows—is a son of
 Majesty. He was
 1st pr. two-year-old
 at six of the im-
 portant western
 shows.
 Majesty's Oxford Lass,
 his daughter, now
 owned by Mr. Jas.
 F. Middleton, Shel-
 byville, Ky., was
 1st at Ill. State Fair
 and Grand Cham.
 at Nat. Dairy Show,
 '09.
 Majesty sired
 Rosie's Boy, 1st prize,
 Royal Show, Eng.,
 '08.
 Lucy Belle, 1st St.
 Saviour, Aug., '07.
 Majesty's Lady Hop-
 la, sold in our May,
 '08, sale to Kinloch
 Farm, Kirkcubright,
 Mo., for \$2,000.
 Golden Majesty, 1st
 prize yearling and
 Junior Cham., Mich
 State Fair, '10—
 only time shown.

No. 41. Cow.

MAJESTY'S PRETTY ROSE, 252204, A. J. C. C.

Bred by E. P. Syvret, St. Mary, Island of Jersey.
Born March 2d, 1908.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color, except stripe on brisket and three small spots on belly; black tongue and switch.
A very handsome young cow, with nice head, large, prominent eyes, thin, long neck; straight back; good hips, splendid withers; tail thin and long and well set, neat in bone; good body, soft, mellow hide; beautiful udder, with good sized and well placed teats.

Sire
MAJESTY,
P. 3523, H. C.,
now named
ROYAL MAJESTY,
79313, A. J. C. C.

Winner of
1st and Grand Cham.,
Nat. Dairy S., '08.
1st at Illinois State
Fair, '08
1st and Grand Cham.,
Mich. State Fair, '10
—only time shown
last year
Sold in our May, '08,
sale to Willowdale
Farm, where he was
sold two years later
for \$4,000—just
four times his former
price, and not
half his value. Now
at head of Erden-
helm Farm herd,
owned by Dr. Edw.
S. George, Detroit,
Mich.

Majesty is an unusu-
ally prepotent sire;
he gets butter pro-
ducers and show-
ing winners. One
of the most (if not
the most) sensa-
tional butter pro-
ducers of the breed
is his daughter,
Majesty's Pearl, who,
with her first calf,
made 2 lbs. 3 ozs.
butter in the Oct.,
'09, test on the Is-
land, and 2 lbs. 4½
ozs. in the May, '10,
test—being on the
latter occasion, 275
days in milk and 40
days before second
calving and only
two years and five
months old when
calf was born. Not
so bad for a "be-
ginner"—Majesty is
yet a young bull.

Cora's Majesty, bought
by Mr. R. B. Swift,
of Libertyville, Ill.,
at a long price—one
of the few unbeaten
bulls at last year's
shows—is a son of
Majesty. He was
1st pr. two-year-old
at six of the im-
portant western
shows.
(For further particu-
lars regarding Maj-
esty's tested daugh-
ters and prize win-
ners, see No. 30.)

First over Jersey, August, 1906.

First Prize, St. Helier Show, May, 1906.

First over Jersey, April, 1909.

First Prize and Champion, St. Saviour and Grouville Show, April, 1909.

In competition with Beauvoir King, Plymouth Lad and other bulls; and judged by two different sets of judges, thereby winning a very handsome silver shield.

Combination is sired by Agatha's Flying Fox, P. 3256, H. C., First prize and Sweepstakes, St. Saviour and Grouville Show, '02; First over the Island in a class of 44, '02; and First over the Island, August, '03. Agatha's Flying Fox was imported by Mr. Howard Willets, Gedney Farm, White Plains, N. Y., who purchased him from Mr. J. A. Perree for \$5,000. Combination's dam was Jersey Skater 6th, P. 5865, H. C., a splendid daughter of Golden Lad, P. 1242, H. C. She won the Champion prize at the St. Helier Show, '04, and was imported by Mr. Howard Willets. She was a magnificent cow, typical of the daughters of her famous sire, often milking as high as 22 quarts daily.

At the show of the St. Helier Agricultural Society, April 29, 1910, three daughters of Combination won as follows: Combust, First prize in heifers-in-milk class; Lady Carita 8th, Second prize, heifers-in-milk class; Lily 12th, First prize young cow and Champion of show. See following page for their pictures.

Combination was imported to "Linden Grove" in 1909, and from his record and breeding, and the quality of his get, would have been sold for a "record" price but for an accident which resulted in his death. Several breeders informed us of their willingness to have paid a high price for Combination.

We have in this sale ten daughters and one son of the great bull, Combination, and we ask critical breeders to look them over for confirmation of the qualities claimed for their sire. The get of Combination is attracting great attention on the Island, and are in great demand, not only by American and English breeders, but from other foreign countries.

LILY 12th.

First prize and Champion.

COMBUST.

First prize.

LADY CARITA 8th.

Second prize.

Three daughters of Combination, prize winners at the St. Helier Show, 1910.

All three to be sold in the Decoration Day sale, May 30, '11.

This picture is published to show how Combination breeds. We expected great results from him and our judgment is proving right. It was the same with Majesty; we knew his breeding and all his ancestors and what could be expected of him, so we imported him and sold him in our 1908 auction sale. We said, after we had sold him for \$1,000, that he was a cheap \$10,000 bull. He sold in less than 18 months for \$4,000, and we are satisfied that had he been sold under favorable circumstances, he would have brought \$10,000. And such would have been the case with Combination had he lived, and we would have sold him this year with his daughters that are attracting great attention on the Island.

No. 46. Cow.

COMBINATION'S CHAMPION, 252159, A. J. C. C.

COMBINATION OF
ST. SAUVOUR,
88245.1st prize, 1st May, '06.
1st prize, St. Helier Show, Aug., '06.

1st prize and Champion, St. Saviour and Grouville Shows, April, '09, in competition with Beauvoir King, Plymouth Lad and other bulls; and judged by two different sets of judges, thereby winning a very handsome silver shield.

1st prize over Jersey, April, '09, beating all the other prize winners of previous years.

Combination was imported by us in '09, and from his record and breeding, and the quality of his get, he would have been sold at a record price but for an unfortunate injury which finally resulted in his death.

Several breeders told us they would have bid high on Combination.

(See No. 45 for full particulars.)

Due to calve May 11th, 1911, by the celebrated bull, Noble of Oaklands, P. 3909, H. C. (See front page B, for full particulars of this great sire.)

NOBLE OF OAKLANDS, 95700, A. J. C. C., P. 3909, H. C.

Crowned "King of the Island."

Coming "King of America."

Won First Prize, St. Saviour Show, 1907.

First over Jersey, April, 1910, for Bull and Progeny (the most coveted and significant prize the Island affords).

Noble of Oaklands and his sons won all First Prizes at the Island of Jersey Bull Show, April, 1910.

In 1908 his get won 7 Firsts at English and Island Shows.

In 1909 his get won 17 First Prizes or Championships at Island and English shows.

In 1910 his get won 6 First Prizes and 1 Championship at Island and English shows.

In 1910—30 First Prizes in class, 8 Junior Championships, 6 Senior Championships, 4 Grand Championships, won by Noble of Oaklands' get at American shows.

In 1911 2 Sons won First Prizes at the April Bull Show. 8 First Prizes for "get of sire" won by Progeny of Noble of Oaklands at the leading United States shows of 1910.

His sons headed 5 First Prize herds at important American shows in 1910.

(These prizes all substantiated by reports, many others might be claimed if reports with details were available.) First Prizes and Championships only are considered. His get also won many minor prizes. No bull has made a record to approach that of Noble of Oaklands at his age (six years).

Three Daughters with official butter tests on the Island and in America.

Ninety-two First Prizes and Championships Stand to the Credit of Noble of Oaklands and His Get Within the Past Three and One-half Years.

NOBLE OF OAKLANDS IS NOW AT "LINDEN GROVE,"

With His Dam, and His Choicest Sons and Daughters, and a Splendid Line of Aristocratic Females, in Calf by Him, to be Offered in Our DECORATION DAY AUCTION, TUESDAY, MAY 30th, 1911, AT COOPERSBURG, PENNA.

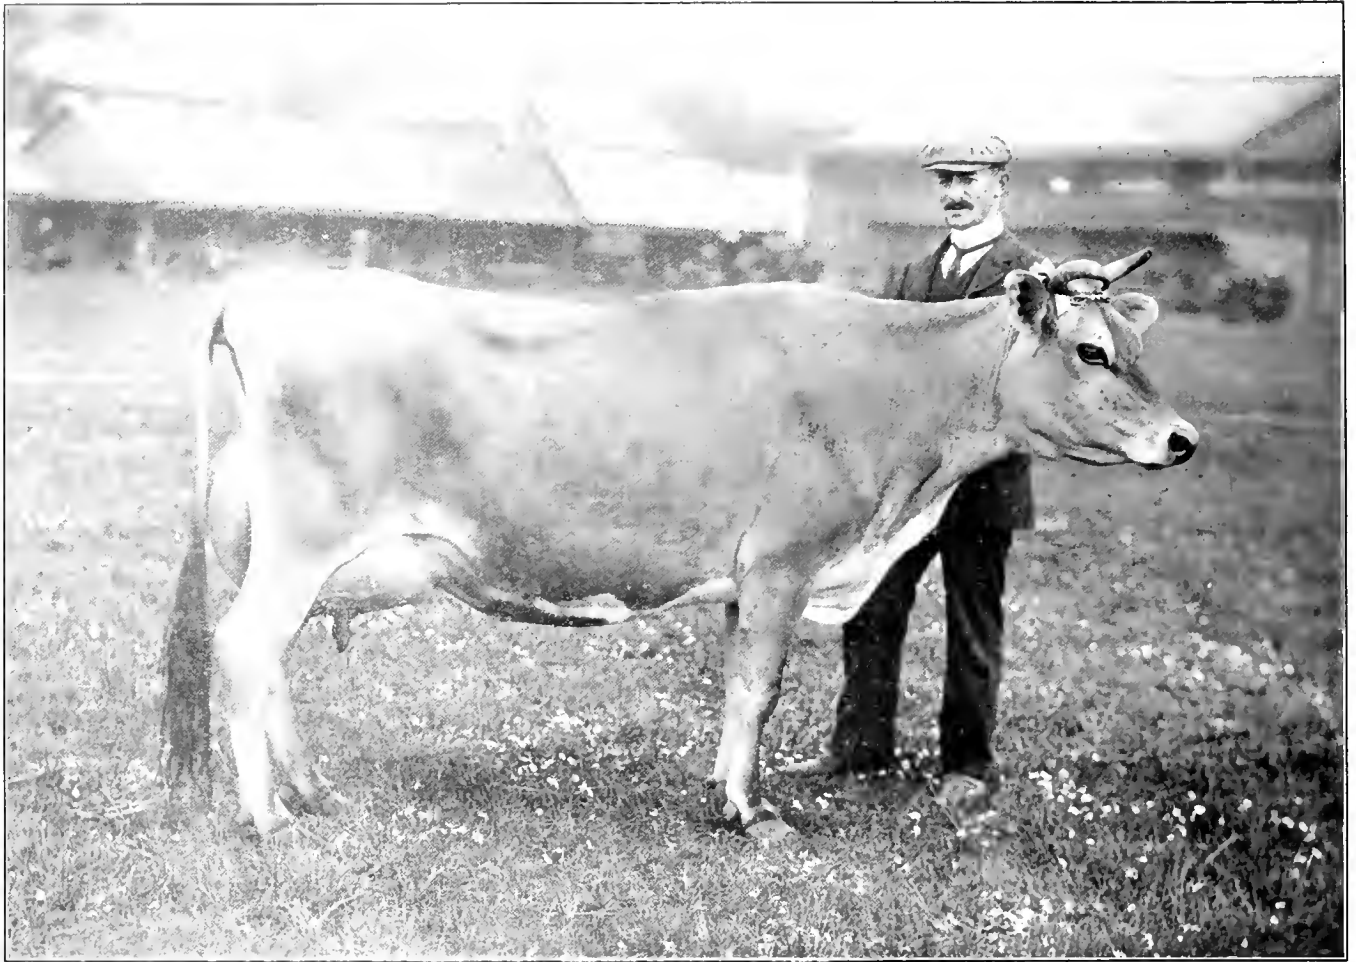

Noble of Oaklands was born April 13, 1905.

He was sired by Blue Belle's Blue Fox, P. 3633, H. C., a son of the famous old cow, Blue Belle, P. 4307, H. C., that sold in our 1904 auction to Mr. Howard Willets, owner of "Gedney Farm," for \$3,600, she being then 14 years of age.

His dam is Lady Viola, P. 8463, H. C., the great butter test and inspection class Champion Cow, who "swept the boards" at the Island and English shows from 1904 to 1908. Her record and history appeared in *The Jersey Bulletin* of April 5, 1911.

It is significant when such noted Island breeders as Wm. J. Labey, founder of the Fontaine family, and Chas. Mourant, of Oxford Lad fame, sent their best cows for service to Noble of Oaklands—and thereby reaped a very rich reward, selling their stock at the highest figures known on the Island.

American Breeders are now offered an opportunity of which the Islanders have been deprived, and for which many of the best breeders would be willing to pay large sums—viz., the benefit of service to Noble of Oaklands. Our cows and heifers are the very cream of the Island in breeding and individuality; more than 50 per cent. of those that have been bred have been to Noble of Oaklands. It does not require very deep probing to satisfy one's self of the fact that the coming "Linden Grove" auction offers to American breeders what can not be secured on the Island, though enviously coveted there—here it is, right at your doors, with all the risks and expenses of shipment and quarantine gone through with. It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get some of this blood while it is on the counter. As in the case of Golden Fern's Lad, in a few years it will be at a premium.

Oxford Cora, Reserve over Jersey, May, '05, winner of Silver Medal (first prize) in the Island public butter test, Oct., '06, 2 lbs 2 ozs., 139 days in milk, Par prize, August, '09.

The progeny of Oxford Lad have been the sensation of recent sales, four sons having sold at an average of \$6,025 and twenty-five cows at an average of \$1,177 during the past 3 years.

Sons of Oxford Lad have realized world's record prices at auction, Stockwell having sold for \$11,500, and Sultana's Oxford Lad for \$11,100, at our '07 and '10 sales.

Three daughters of Oxford Lad have averaged \$2,450 at our auction sales.

The heavy demand for the get of Oxford Lad can be seen by looking over the reports of recent sales; his get in every case having averaged hundreds of dollars more than any other bull whose get has been sold within the last three years.

Seventeen daughters of Oxford Lad, tested at the public Island butter test, averaged, in 144 days in milk, 31 lbs. 11 ozs. milk, 1 lb. 13½ ozs. butter.

OXFORD COCOTTE, 235180, A. J. C. C.

(P. S. 13134, H. C.)

Bred by C. Quenault, St. Saviour, Island of Jersey.
Born November 11th, 1905.
Imported September 13th, 1909, by T. S. Cooper & Sons.

White on brisket, sides, right hip, studies, belly, flanks and forelegs, white tongue; few white hairs in black skirt.

A beautiful cow, with lovely head, large, prominent eyes, broad forehead, dished face, rich, curving horns; thin, long neck; long, strong, straight back; very broad hips, tail thin and long and beautifully set, splendid switch; very thin, soft, mellow hide; body of remarkable depth and width, magnificent udder, with good sized and beautifully-placed teats.

One of the best, if not the most valuable, Oxford Lad cows living.

Fleur de l'Air,
F. 1736, C.

Cocotte was one of the handsomest and best dairy cows the Island ever produced, also a remarkably good breeder. We sold one of her daughters in the '05 sale for \$750, to Hon. A. M. Bowman, of Salem, Va. Nothing could tempt the owner of Cocotte to name a price on her.

She is also dam of the cow, The Owl's Sensation, 162128, A. J. C. C., whose 9 months old son, The Sensational Fern, 75924, sold in our May, '07, auction sale to Hon. A. M. Bowman, Salem, Va., for \$10,200.

The Owl's Sensation is a magnificent dairy cow. She stood third for the Blythwood Bowl at the Royal Show on the Island, Aug., '02. She was an outstanding winner for the Bowl, but owing to an accident she had to be milked before the judges passed on her.

Her son, The Sensational Fern, in his present environment, is an object lesson to the ambitious breeder and student of breeding principles. A strong individual himself, of wonderful character, he is backed up by royal blood and influence, not the least of which is this grand old foundation cow, Cocotte. Such a bull must needs improve an "ordinary" herd, but bred to the descendants of Golden Fern's Lad and other great cows in Mr. Bowman's high-class herd, he is producing a type and quality of offspring that will add lustre to the name of his ancestors which others of the Cocotte blood must share.

Due to calve July 15th, 1911, by that great sire, Viola's Golden Fern, 77393, A. J. C. C., son of the world's famous bull, Golden Fern's Lad, P. 2160, H. C., out of Miss Viola, P. 9611, H. C., one of the best dairy cows in the "Linden Grove" herd. She won the Goddington prize in the public butter test on the Island, testing 2 lbs. 15 ozs. in 24 hours, 39 days in milk, when scarcely 4 years old. She is a daughter of the celebrated cow, Lady Viola, P. 8163, H. C., and a full sister to Mr. C. I. Hudson's great cow, Willow's Rosy, P. 10111, H. C., which tested 3 lbs. in public butter test in 24 hours. (See No. 11 for full particulars of Viola's Golden Fern.)

No. 59. Cow.

MY OXFORD FANCY, 235155, A. J. C. C.

(Oxford Fancy, P. 10794, H. C.)

Winner of Certificate of Merit in Public Butter Test, May, '06, 2 lbs. 2½ ozs., 41 Days in Milk.

Certificate of Merit, May, '08, 2 lbs. 4¼ ozs., 91 Days in Milk.

Certificate of Merit, October, '08, 1 lb. 8 ozs., 225 Days in Milk.

Bred by C. Mourant, St. Saviour, Island of Jersey.
Born July 30th, 1902.
Imported September 13th, 1909, by T. S. Cooper & Sons.

White on right shoulder, flanks, fore feet and hind legs, white tongue; black and white switch.

Beautiful head, lofty carriage; large, sparkling eyes; dished face; rich, amber horns; thin, long neck, long, strong, straight back; splendid withers, grand loins; very broad hips, tail thin and beautifully set; splendid switch, remarkable width and depth of body; very thin, soft, mellow hide; magnificent udder of enormous size, with large and beautifully-placed teats.

She has milked as high as 26 quarts daily, and it is almost impossible to get her dry. With her great butter record, and that of her entire family, and her remarkable individuality, classes her in a class by herself.

April 22nd,

Due to calve ~~about~~ about 1911, by that great sire, Viola's Golden Fern, 77393, A. J. C. C., son of the world's famous bull, Golden Fern's Lad, P. 2160, H. C., out of Miss Viola, P. 9614, H. C., one of the best dairy cows in the "Linden Grove" herd. She won the Goddington prize in the public butter test on the Island, testing 2 lbs. 15 ozs. in 24 hours, 39 days in milk, when scarcely 4 years old. She is a daughter of the celebrated cow, Lady Viola, P. 8463, H. C., and a full sister to Mr. C. I. Hudson's great cow, Willow's Rosy, P. 10444, H. C., which tested 3 lbs. in public butter test in 24 hours. (See No. 11 for full particulars of Viola's Golden Fern.)

Caicest, P. 2591, H. C.
1st pr. and Championship and State's pr., Grouville Show, '98.
Eight daughters of Caicest, in our '05 sale, averaged \$987.50

Sire of Gamboge's Pride 4th, P. 8801, H. C., 2 lbs. 7¼ ozs., being 48 days in milk in public butter test; 1st pr. winner over the Island and Blythwood Bowl, Aug., '04. Sold in our auction sale, May, '05, for \$2,500.
Gamboge's Pride 4th (now Fontaine's Oxford Fancy) is dam of the celebrated bull, Gamboge's Knight, P. 3645, H. C.

Caicest is sire of Mabel's Poet, P. 2964, H. C., who has had a wonderful record. He has been awarded twenty-two first prizes and is the sire of over fifty first prize winners, including Poet's Pride, Champion cow for young cows and Grand Champion, Brockton Fair, Mass., '06.
Lady Aldan 2d, 2d over Jersey, '03; Mabel's Blue Belle, 20 lbs. 1 oz., and sold at our '05 sale for \$1,000; and many other great animals. He was sold at auction for \$3,000.

Among the tested daughters of Caicest is Gamboge 5th, P. 9394, H. C. (now Fontaine's Gamboge, 195820, A. J. C. C.), a remarkable dairy cow.

Out of the same dam as Fontaine 7th, dam of Actor, P. 2256, C., 1st p. ov. Jersey, '96, '97.

Actor was considered by his breeder, Mr. Wm. Labey, one of the best bulls ever on the Island.

Fontaine 7th is half-sister to Fontaine 8th, the dam of Marcus, P. 2461, H. C., sire of Lady Rosette of St. Saviour, sold in our May, '02, sale for \$3,100, to Mr. L. L. Bradbury, Los Angeles, Cal.

Oxford Lass, P. 3582, C.
One of the most celebrated cows the Island ever produced. Dam of the famous bull, Oxford Lad (See opposite page.)

Some years ago, while on the Island, we called to see Oxford Lass, having been told it would be hard to find her equal in Jersey. Nothing could tempt the owner to name a price on her, and he finally told us that if he sold the cow, he also would have to leave the Island. She has milked as high as 28 quarts daily.

Una's Boy 2d, P. 2070, H. C.
A great butter sire.

Sire of Oxford Lxxa, 2 lbs. 13 ozs.
Useful Maid, 2 lbs. 6 ozs.

1st State's prize over the Island, Apr., '03

Sire of
Oxford Lass of the Island, 14 lbs. 4 ozs.
Oxford Cora, Reserve over Jersey, May, '05; winner of Silver Medal (first prize) in the Island public butter test, Oct., '06, 2 lbs. 2 ozs., 139 days in milk, Parish prize, Aug., '09

The progeny of Oxford Lad have been the sensation of recent sales, four sons having sold at an average of \$6,025 and twenty-five cows at an average of \$1,177 during the past 3 years.

Sons of Oxford Lad have realized world's record prices at auction, Stockwell having sold for \$11,500, and Sultana's Oxford Lad for \$11,100, at our '07 and '10 sales.

Three daughters of Oxford Lad have averaged \$2,450 at our auction sales

The heavy demand for the get of Oxford Lad can be seen by looking over the reports of recent sales, his get in every case having averaged hundreds of dollars more than any other bull whose get has been sold within the last three years

Seventeen daughters of Oxford Lad, tested at the public Island butter test, averaged, in 144 days in milk, 31 lbs. 11 ozs. milk, 1 lb. 13½ ozs. butter.

Certificate of Merit, '00, 2 lbs. 1 oz., '02, 1 lb. 8 ozs.

Golden Fern's Lad,

P. 2160, H. C.

Judging by what the descendants of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that they are making, and their great popularity among Island, England and American breeders, convinced us that "Golden Fern's Lad" is the most prepotent, most distinguished and pre-eminent Jersey bull that the world has ever produced.

The progeny of Oxford Lad have been the sensation of recent sales, four sons having sold at an average of \$6,025 and twenty-five cows at an average of \$1,177 during the past 3 years.

Sons of Oxford Lad have realized world's record prices at auction; Stockwell having sold for \$11,500, and Sultana's Oxford Lad for \$11,100, at our '07 and '10 sales

Three daughters of Oxford Lad have averaged \$2,450 at our auction sales

The heavy demand for the get of Oxford Lad can be seen by looking over the reports of recent sales; his get in every case having averaged hundreds of dollars more than any other bull whose get has been sold within the last three years.

Seventeen daughters of Oxford Lad, tested at the public Island butter test, averaged, in 144 days in milk, 31 lbs 11 ozs. milk, 1 lb 13 1/4 ozs. butter.

Oxford Lad has dem-

onstrated to the

complete satisfac-

tion of dairymen in

general and of Jer-

sey men in particular

that he is a bull

which has developed

to an unprecedented

degree the power to

transmit dairy qual-

ities of the highest

order. The records

of the public Island

butter tests for the

past five years make

interesting reading

on this subject.

During that time no

less than 17 of his

daughters have been

entered in twenty

tests, a number of

them having been

tested twice. They

were all successful

in obtaining a Cer-

tificate of Merit or

higher award.

female progeny.

Born April 13, '05

The prepotency of

Noble of Oaklands

came into evidence

at a very early age.

When he was two

years and four

months old his

daughter, Noble

Judy, was born, and

she, when fifteen

months old, won

first in her class on

the Island at the

Aug., '08, show,

where there were 32

entries. When 2½

years old his daughter,

Noble Dora,

was born, and before

she was three

years old had won

a Certificate of Merit

in the Island butter

test of Oct., '10,

with 1 lb 11 ozs

butter to her credit,

nearly six months

after she had calved.

If a performance

under similar cir-

cumstances is of

record in the ar-

chives of the Island,

we do not know

where to find it.

90—1st prizes and

Championships

stand to the credit

of Noble of Oaklands

and his get in the

past three years.

The first prize win-

nings of his get no

doubt exceed those

to the credit of any

bull of his age.

1908—7 first prizes at

English and Island

shows.

1909—15 first prizes

and 2 Champion-

ships, Eng., Island

of Jersey and Amer-

ica.

1910—36 first prizes in

class, 19 Champion-

ships, Island of Jer-

sey and America.

Sons headed five

first prize herds at

important American

shows.

Noble of Oaklands and

his sons won all 1st

prizes at the Island

bull show, April, '10.

1910—8 first prizes for

"get of sire" won

by progeny of Noble

of Oaklands at lead-

ing United States

shows.

These prizes all au-

thentic; many more

might be claimed if

reports of shows

were available.

Dam of the bull, Cetewayo, P. 224, C., who sired Everton King, P. 390, C.Due to calve April 15th, 1911, by Dairy Boy, P. 4467, H. C., he by Raleigh's Fairy Boy, P. 3851, H. C., out of Dairylike, P. 9043, H. C. Raleigh's Fairy Boy, by Eminent's Raleigh, was sold in our '09 sale for \$8,200. Dairylike, P. 9043, H. C., won Certificate of Merit in public butter test, Oct., '03, 1 lb. $11\frac{1}{2}$ ozs., 159 days in milk. She is by Leda's Prince, P. 2762, H. C., winner of many first prizes in England, and full brother to Golden Leda, dam of Stockwell, Leda's Golden Lad, Topsman, etc. Dairylike's dam is Brown Beauty of St. Saviour, 157320 (Amyl, P. 6230, H. C.), a 22-quart cow, sold in our '01 auction for \$1,200.There is abundant evidence of the prepotency of the old cow, Eminence, F. 7124, H. C., dam of Eminent 2d. It appears from the fact that her dam, Brown Fern, F. 4606, C., is also the great granddam of Golden Fern's Lad, that there was a powerful influence projected by this old Foundation Stock cow. An instance of the butter quality where this blood is concentrated, is presented by the record of Eminent 2d's daughter, Aurea, P. 8693, H. C., now named Eminent's Fern of St. Martin. Aurea's dam is out of the old cow, Brown Fern. Aurea won Certificate of Merit in the May, '07, butter test, with 2 lbs. $4\frac{1}{2}$ ozs. of butter and Bronze Medal in public butter test, October, '03, 2 lbs. $1\frac{1}{2}$ oz., 127 days in milk. She is the dam of Aurea's Fern, P. 11259 (by Oxford Lad), who won Certificate of Merit in May, '09, with 1 lb. $12\frac{3}{4}$ ozs. of butter when 236 days in milk.

When we note how unfailingly the daughters and descendants of Brown Fern prove such unusually good animals, we can not help thinking that it was the multiplication of her blood that gave Aurea her butter power and prepotency. Aurea traces three times to Brown Fern, F. 4606, C., and has 402 per cent. of her blood.

No. 67. Cow.

BROWN PRINCESS OF ST. MARTIN, 252205, A. J. C. C.

(Noble Aurea, P. 14931, H. C.)

(Tiddlededywink Chaseme, P. 13768, H. C.)

Bred by G. P. Perredes, Grouville, Island of Jersey.
Born October 26th, 1906
Imported September 20th, 1910, by T. S. Cooper & Sons

Spot on right stifle, on right flank and on right ankle, white on left flank, left fore and hind legs and tail, brisket, left stifle, belly, right hind stock, tongue and switch white

Nice head, rich, amber horns, large, prominent eyes, thin, long neck; splendid withers, neat in bone, broad hips, thin, long tail, with splendid switch, thin, soft, mellow hide, large, tortuous milk veins, splendid udder, with nicely-placed teats

A great dairy cow and a magnificent breeder

Sire

MAJESTY,
P. 3523, H. C.,
now named

ROYAL MAJESTY,
79313, A. J. C. C.

Winner of
1st and Grand Cham.,
Nat. Dairy S., '08
1st at Illinois State
Fair, '08.
1st and Grand Cham.,
Mich. State Fair, '10
—only time shown
last year.

Sold in our May, '08,
sale to Willowdale
Farm, where he was
sold two years later
for \$4,000—just
four times his former
price, and not
half his value. Now
at head of Erdene-
heim Farm herd,
owned by Dr. Edw.
S. George, Detroit,
Mich.

Majesty is an unusu-
ally prepotent sire;
he gets butter pro-
ducers and show-
ing winners. One
of the most (if not
the most) sensa-
tional butter pro-
ducers of the breed
is his daughter,

Majesty's Pearl, who,
with her first calf,
made 2 lbs. 3 ozs
butter in the Oct.,
'09, test on the Is-
land and 2 lbs. 4½
ozs in the May, '10,
test—being on the
latter occasion, 275
days in milk and 40
days before second
calving and only
two years and five
months old when
calf was born. Not
so bad for a "be-
ginner"?—Majesty is
yet a young bull

Cora's Majesty, bought
by Mr. R. B. Swift,
of Libertyville, Ill.,
at a long price—one
of the few unbeaten
bulls at last year's
shows—is a son of
Majesty. He was
1st pr. two-year old
at six of the im-
portant western
shows

Majesty's Oxford Lass,
his daughter, now
owned by Mr. Jas.
F. Middleton, Shel-
byville, Ky., was
1st at Ill. State Fair
and Grand Cham.
at Nat. Dairy Show,
'09.

MY OXFORD'S TIDDLEDYWINK, 252235, A. J. C. C.

Bred by G. P. Perredes, Grouville, Island of Jersey.

Born March 13th, 1909.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Spot on left shoulder, extending to left side; white on thighs, left arm, left fore shank, fore ankles and tail; brisket, hind stockings, tongue and switch white.

Nice head; prominent eyes, thin neck; strong, straight back; splendid loins, broad hips; tail thin and well set; very thin, mellow hide; splendid body; magnificent udder development, with large and beautifully-placed teats.

Sire

OXFORD
YOU'LL DO,
P. 4075, H. C.

A double Oxford Lass bull.

When in '05, we introduced to American breeders the daughters of Caiest (son of Oxford Lass), we devoted two pages of our catalog to the Oxford family winnings at that time, and the list was not complete, owing to the difficulty and time required in tracing the show prizes as printed in the Herd Book of the English Jersey Cattle Society, many of the members of the family having been taken to England at long prices. Fifteen of the daughters of Caiest, in our '05 and '06 sales, averaged \$865 each. As we predicted, the Oxford Lass blood became even better appreciated in subsequent years; the performances of later descendants stimulating a world-wide demand that has resulted in four bulls by her son Oxford Lad fetching an average of \$7,400, and 25 cows averaging \$1,177 each.

The blood is "breeding on," as witness the performance of Oxford Lad's 17 daughters in the public butter tests on the Island (a number of these cows having daughters tested, and sons with winning progeny); and the record of his sons, Majesty, Stockwell, Lucy's Champion, etc., and their get.

Oxford You'll Do, out of the only living daughter of Oxford Lass, and sired by Gambo's Knight (son of Gambo's Pride 4th, a most sensational grand daughter of Oxford Lass), has the blood inheritance to follow in the tracks of his more mature relations, and we judge from his get we have seen that he is breeding true to his family type.

Sire

OXFORD

YOU'LL DO,

P. 1075, H. C.

Judging from the character of his calves in this sale, Oxford You'll Do is breeding consistently with his superior pedigree.

Winner of 1st prize over Jersey, with his progeny, at the last bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

(For extended pedigree of this splendidly bred young bull, see No. 72, Oxford of Linden, 89846.)

Dam

OXFORD

IXIA'S BEAUTY,

235172, A. J. C. C.

(OXFORD)

IXIA'S GEM,

P. 11885, H. C.)

Sold in our May, 10, auction for \$1,025, to Elmendorf Farm, Lexington, Ky.

Expected to be bred before day of sale to Sultana's Golden Jolly, a bull that is the admiration of every one that visits "Linden Grove," and many times has the question been asked, "What would he bring on the Island of Jersey?" He is a son of the famous cow, Golden Sultana, the nearest living representative of the famous cow, Sultane, P. 7, H. C. Golden Sultana sold in our May, '10, auction sale, at the age of 12, for \$3,700, and her son, Sultana's Oxford Lad, sold in same sale for \$11,100. Oxford Ever,

P. 8340, H. C.

"Oxford Ever" is about the best and most valuable cow in Mr. Perree's herd. She is the only living daughter of the great Oxford Lass, P. 3582, C.

Oxford Lad,

P. 3123, H. C.

Oxford Lad has demonstrated to the complete satisfaction of dairymen in general and of Jersey men in particular that he is a bull which has developed to an unprecedented degree the power to transmit dairy qualities of the highest order. The records of the public Island butter tests for the past 5 years make interesting reading on this subject. During that time no less than 17 of his daughters have been entered in twenty tests, some of them having been tested twice. They were all successful in obtaining a Certificate of Merit or higher award.

At our May, '10, auction sale, 15 animals sired by Oxford Lad sold for an average of \$1,778—the highest average of any sire of the great dairy breeds.

Amongst a lot of other wonderful animals, he sired:

Sultana's Oxford Lad, 76506, A. J. C. C., sold in our 1910 auction for \$11,100, to Mr. Jas. B. Haggin, Elmendorf Farm, Lexington, Kentucky.

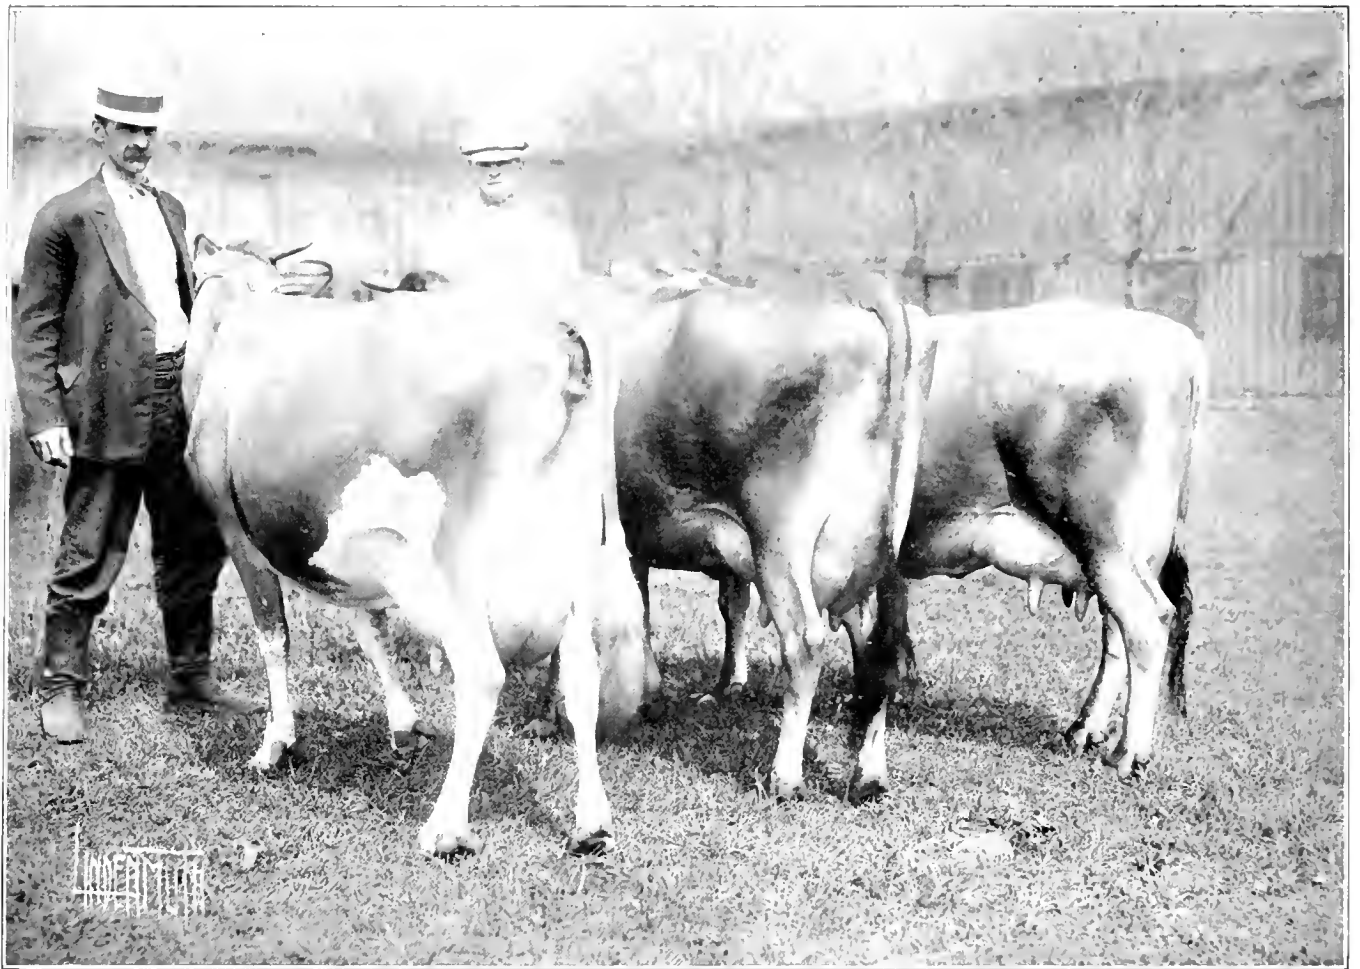

Majesty, P. 3523, H. C., First Prize, Illinois State Fair, 1908; First Prize, Senior Champion and Grand Champion, National Dairy Show, Chicago, 1908. Majesty sired Majesty's Lady Honpla, sold in our May, 1908, sale to Dr. C. E. Still for \$2,000. She was the best one of the group of four winning the President's Cup, Aug., 1907. Majesty was later sold at auction for \$4,000 to Dr. Edw. S. George, Erdenheim Farm, Pontiac, Mich.

THREE DAUGHTERS OF OXFORD LAD, P. 3123, H. C.

In the Linden Grove Sale, May, 1910.

The cow on the left is Oxford Beauty of St. Saviour, 235161. A splendid dairy cow of beautiful conformation, milking 22 quarts daily. She sold for \$1,325.

The cow in the centre is Oxford Lad's Brown Beauty, 235174. She is another daughter of Oxford Lad with the dairy quality which is typical of his get, and milks 24 quarts when fresh. She has for dam, Bamboozle, P. 9913, H. C., winner of the Gold Medal in the public butter test, May, '09, 2 lbs. 9¼ ozs., 103 days in milk. She sold for \$925.

The cow on the right is Oxford Ixia's Beauty, 235172. Her dam is Oxford Ixia 2d, P. 7953, H. C. She won Parish prize in May, '02, and made 1 lb. 12½ ozs. in the public butter test. The grandam of Oxford Ixia's Beauty is the famous cow, Oxford Ixia, P. 7100, H. C., who has made a number of very high public butter tests and was sold in our May, 1909, auction sale, when 13 years old, for \$525. Her dam was Oxford Lass, P. 3582, C., who is also dam of Oxford Lad, P. 3123, H. C. Oxford Ixia's Beauty sold for \$1,025.

The above cows are the sort that give milk; but they can't help it. They are bred in the channels that tap the blood of Golden Fern's Lad. This is the blood to which we have pinned our faith for thirty odd years, and we are glad to say that we have never boomed a certain bull or a particular family that has not done more than what we predicted they would do. And we promise the lover of the Jersey cow that if he keeps in touch with what we offer he will not be misled by our statements, as our familiarity with the best strains of cattle on the Island puts us in a position to know just what we want to bring the best results to our patrons, otherwise we would not have been in business for so many years.

THEIR DAUGHTERS IN OUR 1911 AUCTION.

From Oxford Ixia's Beauty (at the right) we offer Miss You'll Do (see No. 71), a yearling by the son of Gamboge's Knight, Oxford You'll Do. She will probably be bred before the sale to Sultana's Golden Jolly, son of Viola's Golden Jolly and Golden Sultana. From Oxford Lad's Brown Beauty (in center) the splendid yearling bull, Oxford of Linden (see No. 72), also by Oxford You'll Do. A two year-old daughter of this same cow, named Oxford Lad's Bamboozle (see No. 73), by Oxford Knight (full brother to Oxford You'll Do). She is due to calve August 7, 1911, by Noble of Oaklands. From Oxford Beauty of St. Saviour (at left) the great cow, Majesty's Tiddledywinks (see No. 69), a four-year old by Royal Majesty, due to calve in July by Noble of Oaklands. Her daughter, My Oxford's Tiddledywinks, two years old, sired by Oxford You'll Do, and due to calve May 4, 1911, by Noble of Oaklands.

A great dairy cow, out of Fancy 12th, P. 2160, H. C. (See No. 35 for tests.)

Sire—OXFORD MAJESTY, P. 4057, H. C.

Majesty, P. 3523, H. C., now named Royal Majesty, 79313, A. J. C. C. Winner of 1st and Grand Cham., Nat. Dairy S., '08. 1st at Illinois State Fair, '08. 1st and Grand Cham., Mich. State Fair, '10—only time shown last year. Sold in our May, '08, sale to Willowdale Farm, where he was sold two years later for \$4,000—just four times his former price, and not half his value. Now at head of Erdenheim Farm herd, owned by Dr. Edw. S. George, Detroit, Mich. Majesty is an unusually prepotent sire, he gets butter producers and showing winners. One of the most (if not the most) sensational butter producers of the breed is his daughter, Majesty's Pearl, who, with her first calf, made 2 lbs. 3 ozs. butter in the Oct., '09, test on the Island and 2 lbs. 4½ ozs. in the May, '10, test—being on the latter occasion, 275 days in milk and 40 days before second calving and only two years and five months old when calf was born. Not so bad for a "beginner"—Majesty is yet a young bull. Cora's Majesty, bought by Mr. R. B. Swift, of Libertyville, Ill., at a long price—one of the few unbeaten bulls at last year's shows—is a son of Majesty. He was 1st pr. two-year-old at six of the important western shows. Majesty's Oxford Lass, his daughter, now owned by Mr. Jns. F. Middleton, Shelbyville, Ky., was 1st at Ill. State Fair and Grand Cham. at Nat. Dairy Show, '09. Majesty sired Rosie's Boy, 1st prize, Royal Show, Eng., '08. Lucy Belle, 1st St. Saviour, Aug., '07. (For further particulars regarding Majesty's tested daughters and prize winners, see No. 30.)

Lucy 18th, P. 10580, H. C., now named Oxford Lad's Lucy, 213913. 1st over Jer., Aug., '06, '07. Reserve for Blythwood Bowl, '07. She sold at our '09 auction sale to Dr. H. D. Rodman, Shelbyville, Ky., for \$1,300. One of the very best Oxford Lad cows we ever imported.

Oxford Lad, P. 3123, H. C. 1st prize, St. Saviour Show, '02. Sweepstakes over St. Saviour and Grouville Shows, April, '03. 1st State's prize over the Island, Apr., '03. Champion, St. Saviour and Grouville Shs., '05. Sire of Sultane's Oxford Lad, sold at our auction sale, May, '10, for \$11,100. First Union Queen 1st over the Island and Blythwood Bowl, Aug., '06. She sold at our auction sale, May, '10, for \$2,600. Oxford Ixia 6th, Reserve over Jersey, public butter test, 1 lb 14 ozs., 145 days in milk. She sold at our auction sale for \$2,225. She is still sister to Royal Majesty, recently sold at auction for \$4,000. At our May, '10, auction sale 15 animals, sired by Oxford Lad, averaged \$1,778—the highest average for any sire of the great dairy breeds.

Oxford Ixia 3d, P. 8584, H. C. Following prizes have been won in public butter tests: Silver Medal, Oct., '03, 2 lbs. 1½ ozs., 235 days in milk; Bronze Medal, May, '04, 2 lbs. 15½ ozs., 94 days in milk, and a number of other butter prizes. She was sold at a long price to Dr. Watney, England, who only buys Lig butter test cows.

Oxford Lad, P. 3123, H. C. 1st prize, St. Saviour Show, '02. Sweepstakes over St. Saviour and Grouville Shows, April, '03. 1st State's prize over the Island, Apr., '03. Champion, St. Saviour and Grouville Shs., '05. Sire of many celebrated animals. (See above.)

Lucy 12th, P. 9236, C. One of the best dairy cows on the Island. Certificate of Merit, Oct., '05, in public butter test, 2 lbs 2 ozs., 118 days in milk.

Flying Fox, P. 2729, H. C. Champion winner over the Island, August, '99. Sold at our auction sale, May, '02, for \$7,500. In same sale, three of his heifers on first calf averaged \$933. Sire of Sam Loates, sire of Reindeer, Bronze Medal winner, public butter test, Oct., '07, 1 lb. 13½ ozs., 161 days in milk. Brookhill Fox (out of the great cow, Brookhill Rose 2d), 1st at Royal Show, England, '02, in a class of 32, and sold at auction for \$5,000.

Bred April 7th, 1911, to the celebrated bull, Noble of Oaklands, P. 3909, H. C. Noble of Oaklands "cleaned the platter" at the Island of Jersey bull show, April, '10, winning first over Jersey with his progeny (the greatest distinction that can be accorded a bull), and his sons won all first prizes in all the other classes. The first prize winnings of the get of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a nick of the blood of those two distinguished cows, Lady Viola and Blue Belle. (See front page B for full particulars of his illustrious parentage.) The calf by this distinguished sire, from so great a cow as Mabel's Poet's Beauty, will be of great value, whether a bull or heifer.

IMPORTED LADY VIOLA, 238437, A. J. C. C.

(Lady Viola, P. 8463, H. C.)

(Volume XVII, page 336, English Jersey Herd Book.)

The Peerless Lady Viola—Greatest Cow of Any Breed, Living or Dead.

See following pages for her Matchless Record, Picture and History.

Dam of Noble of Oaklands, "King of the Island" and "Coming King of America." (See front page B.)

Bred by J. W. Le Bontillier, St. Ouen, Island of Jersey
Born April 28th, 1899

Imported February 2d, 1910, by T. S. Cooper & Sons

Solid color, black tongue and switch
What shall we say for this grand old matron—a family name so familiarly known in every Jersey home in the world—dam of more high priced animals than any other cow in the country can show up? Thousands of breeders are anxious to know what her son, Noble of Oaklands, P. 3907, H. C., will sell for at our next Decoration Day sale, and who the fortunate buyer will be. Such cows are only born once in a lifetime.

She swings the most exquisite head ever seen on a Jersey, with large, sparkling eyes, rich colored, down curving horns, broad forehead, dished face, broad, open muzzle, thin, long neck, straight, razor back, very sharp withers, broad hips, good limbs, thin, long, whip tail, beautifully set, with magnificent switch, very neat in bone, body of enormous depth and width, and close to the ground, hide thin and soft as a mole's, splendid milk veins, udder the most perfect we have ever seen on a cow, running way to the front and rear, with good sized and most beautifully placed teats. A marvelous cow.

Sire of the peerless Lady Viola.
Nobleman's dam, the magnificent cow, Gipsy Maid, P. 4424, H. C., is strongly bred to the families with which we "fell in love" on the Island in the early '80s. Wolsley's grandson of Farmer's Glory, Angela, the dam of Imported Tormentor, Bobby, representative of Mr. Arthur's captivating "Rose" family, and last, but not least, old "Commasie."

Perry Farm Maid, P. 178, C.

Bred April 6th, 1911, to Gamboge's Knight, P. 3645, H. C. (See front page E for full particulars of this famous sire.) Gamboge's Knight is distinctly of Comassie-Sultane descent, and the union of his blood with that of Lady Viola can not help producing splendid and far-reaching results. Without breeding her back to her own son, Noble of Oaklands, we could not have accomplished a more promising mating, even among the many great bulls at "Linden Grove." Gamboge's Knight brings in, to support his Golden Lad-Oxford Lass inheritance, the influence of those grand old butter and breeding cows, Gamboge's Pride and Fontaine, whose records and those of their descendants place them in the class with Oxford Lass as progenitors of the "Jersey quality." Gamboge's Knight is proving a credit to his illustrious parentage, and that his is a prepotent influence has been abundantly demonstrated in his daughters. And his son, Oxford You'll Do, has just brought laurels home to the family, by winning, with his progeny, first prize over Jersey at the April, '11, bull show on the Island—the most valuable prize, and the greatest distinction that can be accorded a bull.

The coming calf from Lady Viola by Gamboge's Knight is one to reserve a prominent place for in future Jersey history.

GOLDEN LAD'S VICTORIA, 157325, A. J. C. C., DAM OF LADY VIOLA, P. 8463, H. C.

A highly commended daughter of Golden Lad, P. 1242, H. C. Island name, Bagatelle 2d, P. 6564, H. C. Dam of Lady Viola. She sold in our May, 1901, auction for \$745. Full sister to Golden Lad's Fawn Duchess, test, 23 lbs. 6 ozs.; highest testing daughter of Golden Lad. Sold in our 1903 auction to the late Capt. M. C. Campbell, Spring Hill, Tennessee.

IMPORTED LADY VIOLA, 238437, A. J. C. C.

(Lady Viola, P. 8463, H. C.)

(Vol. XVII, page 336, English Jersey Herd Book.)

The Peerless Lady Viola "Shining Star" of the "Linden Grove" Herd.

For Lady Viola we claim that she is the greatest cow, living or dead. No cow of any breed, with such an individual record as she achieved, has ever produced stock to make such butter tests and win so persistently in the show ring, or progeny to sell for such high figures, as has Lady Viola; and at the same time live to tell the tale and go on doing business in the same way. And we submit her record to substantiate this claim.

Lady Viola Won First over Jersey, 1904.

Certificate of Merit in Public Butter Test, May, 1904, Yield, 2 lbs. 12 ozs., 50 Days in Milk.

First over Jersey and Winner of the Theatre Champion Cup, May, 1905.

First Prize, Sweepstakes and Champion, St. Saviour and Grouville Show, 1905.

First over England Wherever Exhibited, 1906.

First Prize, Royal Counties' Show, Cardiff, 1907. First Prize, Royal Show, Lincoln, 1907. First Prize, Tunbridge Wells Show, 1907.

First Prize, Tring Park Show, 1907.

First Prize, Tring Show, for Tested Cows (after being on the show circuit for eight weeks), 1907.

Champion at Tring Show, 1907.

First over England Wherever Exhibited, 1907, 1908.

**LADY VIOLA IS DAM OF THE FOLLOWING DISTINGUISHED ANIMALS, AT THE HEAD OF WHICH IS THE
"KING OF THE ISLAND," NOBLE OF OAKLANDS:**

Noble of Oaklands, 95700, A. J. C. C. (P. 3909, H. C.), Winner of First Prize, St. Saviour Show, 1907; First over Jersey, 1910, for Bull and Progeny. Noble of Oaklands and his sons won all First Prizes at the Island of Jersey Bull Show, April, 1910. Ninety-two First Prizes and Championships stand to the credit of Noble of Oaklands and his get within the past three years. (See front page B for full particulars regarding Noble of Oaklands.)

Miss Viola, P. 9644, H. C., Certificate of Merit in Public Butter Test, May, 1905; yield, 2 lbs. 15 ozs., 39 days in milk, when 4 years and 1 month old. (She is owned at "Linden Grove," and we also have her son, Viola's Golden Fern. See his pedigree, No. 11 of catalog.)

Willow's Rosy, P. 10444, H. C., Certificate of Merit in Public Butter Test, May, 1906, yield, 3 lbs., 38 days in milk, when 4 years and 1 month old. Winner of Parish Prize, August, 1901. Three of her daughters have won Certificates of Merit in the Public Butter Tests, and another won first prize over the Island.

Golden Jolly's Lady Viola, 203699 (Poppy Viola, P. 10902, H. C.), Winner of Bronze Medal in Public Butter Test, October, 1905. She is looked upon on the Island as having made the most phenomenal public butter test, taking into consideration age and lactation, ever made—testing 1 lb. 15 ozs., 159 days in milk, and only 30 months old. She made a private test of 2 lbs. 9 ozs. in 24 hours.

Viola's Golden Jolly, 79314, sold in our May, 1909, auction to Drs. Still and Laughlin for \$12,000—the highest price ever paid for a Jersey at auction.

Bull, sired by Blue Sultan, for which Mr. Alexander Miller-Hallet, Esq., refused an offer of 2,000 guineas (\$11,500).

WE CHALLENGE THE WORLD TO PRODUCE A COW OF ANY BREED TO SHOW SUCH A RECORD AS LADY VIOLA HAS ACHIEVED.

Lady Viola was not an "Accident"—She was Bred from a Never-Failing Formula, the Blending of Coomassie and Sultane.

"Chance" was not an element in the creation of Lady Viola, nor in our possession of her and her famous son, Noble of Oaklands. She is an example of a "happy nick" of blood lines which we have known for thirty years to be prepotent for dairy capacity and ideal type—perfect udders and teats, and conformation true to the east of the breed. We have known her immediate family for years, and watched the development and performance of her sons and daughters with the keenest pleasure and interest. Her matings with bulls of consanguineous ancestry have brought such splendid results, both in sons and daughters, that we shall use the blood permanently in the "Linden Grove" herd, having retained two bulls out of her high testing daughters—one by Golden Fern's Lad, the other by Sultane's Oxford Lad—that are to carry down the Coomassie-Sultane influence to future generations of "Linden Grove" Jerseys.

Golden Jolly's Lady Viola, full sister to Viola's Golden Jolly, was imported by us in 1906, and sold in our 1907 auction to Mr. J. M. Overton for \$625. Such faith had we in this blood that we re-bought her in Mr. Overton's sale of 1908 for \$2,550. Another daughter, Willoh's Rosy, emphasizes the "breeding-on" quality of this blood by having three daughters that have won public butter test honors, and another that won first on the Island at the Royal Show. (See Mr. Hudson's letter in reference to this famous cow on front pages.)

But it was not wholly on the knowledge of Lady Viola and her daughters and sons that we accepted this family for all that is desirable in type, quality and inheritance. Her ancestry, near and remote, has been our inspiration through years of devotion to the Jersey industry. Twelve years ago we imported her dam, Bagatelle 2d, P. 6564, H. C., by the Coomassie-Sultane bull, Golden Lad, whose great-grand sire, Cicero, we had brought over **thirty years previously** and sold in our October, 1882, sale for \$3,100. At same time we brought out Sir George, a bull bearing exactly the same relation to Coomassie as Cicero, and sold him for \$5,100, and the next year we brought out St. Clementaise and her son, Count St. George (by Sir George), and the mother and son brought a total of \$5,200, in our 1883 auction.

Bagatelle 2d was named Golden Lad's Victoria, and sold in our 1901 auction for \$745 to Mr. F. G. Crane, Dalton, Mass. Then we brought over Bagatelle 2d's full sister, registered as Golden Lad's Fawn Duchess, who was selected in our 1902 auction by Mr. R. F. Shannon for the late Capt. M. C. Campbell, for whom she made the remarkable record of 23 lbs. 5 ozs. butter in seven days—the **highest tested daughter of Golden Lad**.

Captain Campbell's herd in Tennessee was one of the most noted in America. Here such cows as Baron's Sophie, Oonan, Kathletta and contemporary notables held sway in the early eighties—with old Tormentor, 3533, imp., right next door at Major Campbell Brown's to give them the Coomassie cross which produced such bulls as Sophie's Tormentor (sire of Figgis), Oonan's Tormentor, etc.

We knew the quality of Lady Viola's sire, Nobleman, P. 2555, H. C., who had won first over Jersey in August, 1898, and in 1901 imported his daughter, Nobleman's Lady Mary, 162076, that was bought by that veteran breeder, the late Mr. John A. Middleton, of Shelbyville, Ky., who showed her to an **unbeaten record** at Kentucky fairs. The dam of Nobleman, Gipsy Maid, P. 4424, H. C., a magnificent dairy cow who won second over Jersey and Sweepstakes at the Three-Parish Show in 1897, was also dam of Gipsy Maid 2d, P. 9641, H. C., winner of first over Jersey, August, 1902, and many other prizes. Gipsy Maid is descended from Orange Peel, P. 288, C.; Bobby, P. 208, H. C., and Angela's Lad, P. 397, H. C. (the latter being out of the same dam as Imported Tormentor, 3533), her sire being Poster, P. 1152, H. C. In 1901 we imported a splendid granddaughter of Poster from the herd of Mr. R. J. Pope in England—Beresford Darkie, F. 8367, H. C., who had won Certificate of Merit in the London Dairy Show **public butter test** the year previously, yielding 2 lbs. 1 oz. in 24 hours. Those who attended our earlier sales will certify to the excellence of the individuals mentioned as representative of their respective families.

Aristocrat, P. 2280, H. C., son of Golden Lad, was the sire of Nobleman and grandsire of Lady Viola, doubling up the Coomassie-Sultane blood with that through Lady Viola's dam, Bagatelle 2d. Aristocrat, because of the blood he carried and the type of his daughters, impressed us so that

we have brought over a number of his daughters, one of which was Aristocratic Beauty, winner of **Silver Medal** in the public butter test on the Island, yielding 2 lbs. 10½ ozs. when 124 days in milk. She was sold for \$1,000 to Mr. J. M. Overton, who has selected her son, by Golden Fern's Lad, for use in the Overton Hall Farm herd. Aristocrat's dam was Nameless, P. 3222, H. C., a granddaughter of Wolseley. She won first over Jersey in 1891, and **First in Champion Class four following years** in succession, scored 97 points, and made a private butter test of 2 lbs. 11 ozs. in one day.

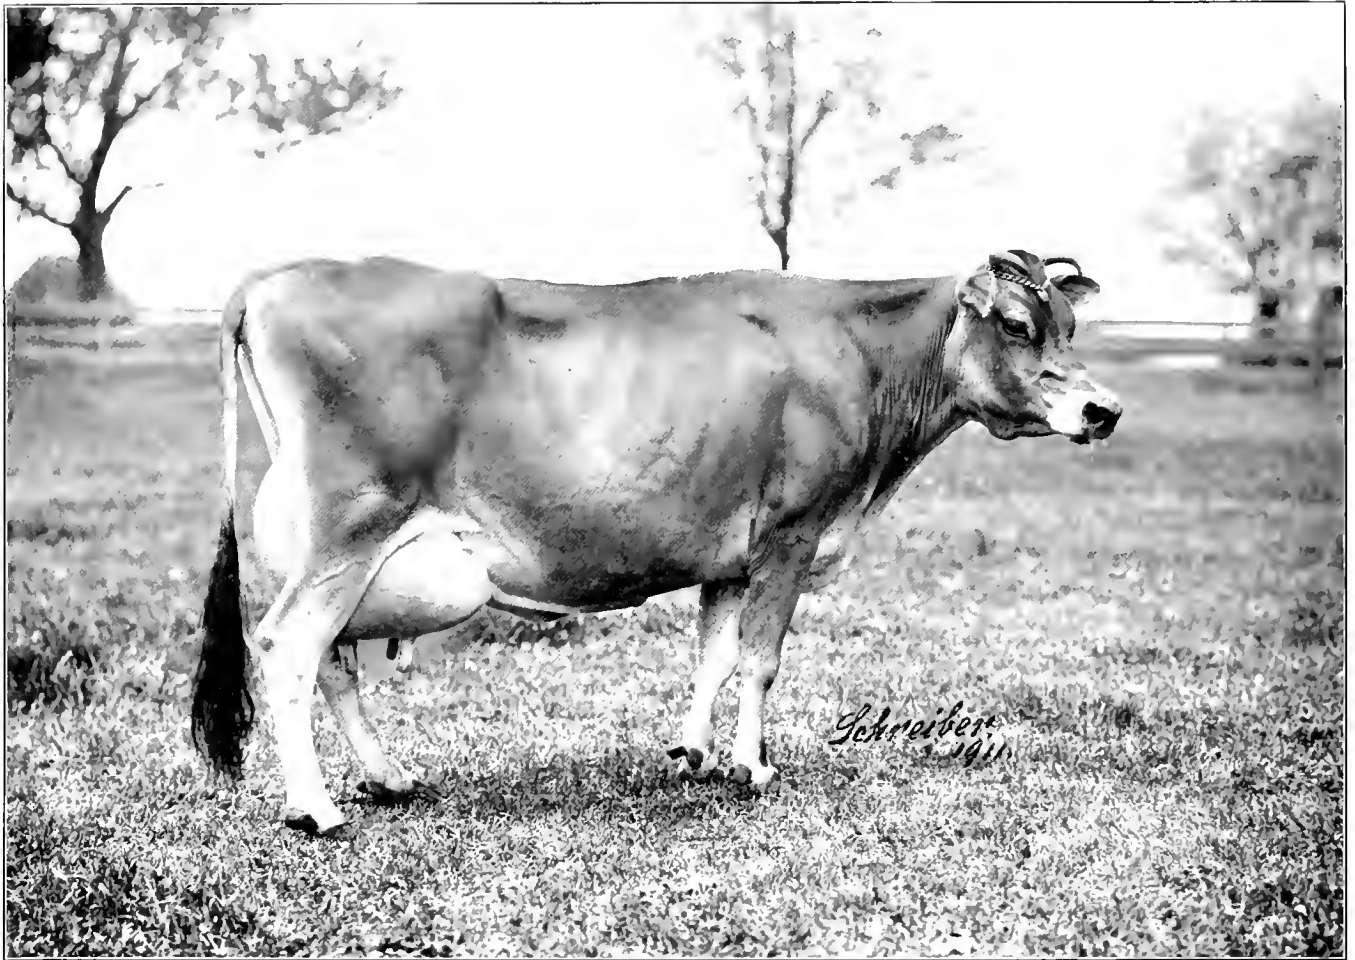

Such is the inheritance of Lady Viola. We have watched for more than three decades the successful results from the blending of the blood of old Sultane, P. 7, H. C., with the descendants of Coomassie, F. 1412, H. C., and those contemporary notables with which we "fell in love" more than thirty years ago. The pedigree of Lady Viola is full of it, and the records of her ancestry tell the tale of Sultane blood coupled with Wolseley (grandson of Farmer's Glory), Angela (the dam of Imported Tormentor), Bobby (representing Mr. Arthur's captivating Young Roses), Carlo, Orange Peel, etc. **It has never failed.** Golden Lad, double Sultane, bred to Nameless, granddaughter of Wolseley, produced Aristocrat. Aristocrat, bred to Gipsy Maid, who traces close up to those early families mentioned, produced Nobleman. Golden Lad, bred to Bagatelle (Farmer's Glory again), produced Bagatelle 2d, dam of Lady Viola, and her full sister, Golden Lad's Fawn Duchess, with the highest test to the credit of Golden Lad.

The harmony of this "nick" through Golden Lad and old Gipsy Maid shows with marked emphasis in Nobleman and his superior daughters. **But not there alone.** It developed a climax when Lady Viola was bred to Willoh, a three times Golden Lad bull. From matings with Willoh came her two highest testing daughters, Willoh's Rosy (3 lbs.) and Miss Viola (2 lbs. 15 ozs.), whose wonderful butter tests are just an ounce apart and made when each was four years and one month old, and when they were the same length of time after calving. It is seldom that the opportunity for arriving at a conclusion presents itself so happily as in the comparison of the work of these two full sisters under identically the same circumstances. A "match race" could not have been more satisfactorily arranged. And the uniformity of their work, under similar conditions, forces the conclusion that these high testing daughters of Lady Viola, like their dam, were not "accidents," but the **creation of the powerful butter blood sent down by Coomassie and Sultane.**

A recent example, through another channel, of how the blood of our earlier importations is blended with that of Sultane in sensational individuals, is seen in the remarkable cow Distinction's Queen, P. 11732, H. C., a cow in our 1910 auction coveted by many of the best breeders, and sold for \$2,600. She is by Oxford Lad, essentially representative of the "happy nick," his dam being by a son of Wolseley and Sultane, and out of a granddaughter of the Coomassie bull, Cicero. His sire is bred in these same lines, tracing several times each to Cicero and Sultane. Distinction's Queen was first prize winner over the Island, August, 1906; also winner of the Blythwood Bowl, beating with ease all the mature cows on exhibition. We are convinced that her quality is characteristic of the Sultane-Coomassie nick that produced Lady Viola. They not only win in the show ring and make dairy records, but they make records that in some other families (where it was not so common or anticipated) would seem phenomenal and freakish. But it is **in the blood**, and they can't help it, and **that blood breeds on.**

Through still another channel, this "nick" produced Viola's Golden Jolly and his full sister, the "phenomenal" Golden Jolly's Lady Viola. Their sire, Golden Jolly, was by the double grandson of Golden Lad, Golden Fern's Lad, and out of Brookhill Rose 2d, who is by a son of Sultane and out of a granddaughter of the Coomassie bull, Cicero—exactly the same formula that produced the dam of Oxford Lad. And we find the grand climax **when the blood that is in Lady Viola met that of Blue Belle** (with a top-cross of Coomassie-Sultane through Golden Lad again), and fashioned Noble of Oaklands, "King of the Island" and "Coming King of America."

With all this evidence, can we be blamed here at "Linden Grove," for thirty years ago "putting our eggs in the Coomassie-Sultane basket" and keeping them there?

1st St. Saviour pr., '07.
1st pr., Royal Jersey Show, '10, for bull and five female progeny.

90 first prizes and championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and two Championships, England, Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all first prizes at the Island bull show, April, '10. 1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prs. all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prs. in England and on the Island within three years, and no doubt an equal or greater number in America.

His first daughter that came into milk, Noble Dora, P. 14736, won Certificate of Merit in public butter test, Oct., '10, before she was three years old—1 lb. 11 ozs., 157 days in milk.

Sire
NOBLE OF
OAKLANDS,
P. 3909, H. C.

(95700, A. J. C. C.)

1st pr., St. Saviour, '07.

1st pr., Royal Show, '10, for bull and 5 female progeny.

Born April 13, '05.

The prepotency of

Noble of Oaklands

came into evidence

at a very early age.

When he was two

years and four

months old his

daughter, Noble

Judy, was born; and

she, when fifteen

months old, won

first in her class

on the Island at the

Aug., '08, show,

where there were 32

entries. When 2½

years old his daughter,

Noble Dora,

was born, and before

she was three

years old had won

a Certificate of Merit

in the Island butter

test of Oct., '10,

with 1 lb. 11 ozs.

butter to her credit,

nearly six months

after she had calved.

If a performance

under similar

circumstances is

of record in the

archives of the Island,

we do not know

where to find it.

90 first prizes

and Championships

stand to the credit

of Noble of Oaklands

and his get in the

past three years.

The first prize win-

nings of his get no

doubt exceed those

to the credit of any

bull of his age.

1908—7 first prizes

at English and Island

shows.

1909—15 first prizes

and 2 Champion-

ships, Eng., Island

of Jersey and Amer-

ica.

1910—36 first prizes

in class, 19 Champion-

ships, Island of Jer-

sey and America.

Sons headed five

first prize berds at

important American

shows.

Noble of Oaklands

and his sons won all 1st

prizes at the Island

bullshow, April, '10.

1910—8 first prizes

for "get of sire" won

by progeny of Noble

of Oaklands at lead-

ing United States

shows.

Venus Violet,

P. 3946, H. C.

A magnificent dairy

cow, milking 20 qts.

daily.

Bobby, P. 208, H. C., inherits through his dam the blood of Mr. Arthur's

famous Roses. This family has won many honors in the show ring, and

they are noted for their uniform quality and great ability as butter pro-

ducers. They inherit these qualities from a long line of noted ancestors,

among which are Orange Peel, 129; Clement, 61; old Noble, Cowslip, 330.

Rose, 339; Forget-me-not, 333, all of which were great prize winners and

heavy butter-making cows, of the sires and dams of such. The blending of

Coomassie and Young Rose blood has been, through Bobby, productive of

the most excellent results and their descendants have always found a ready

sale and commanded liberal prices.

Winner of

1st and Grand Cham.,

Nat. Dairy S., '08.

1st at Illinois State

Fair, '08.

1st and Grand Cham.,

Mich. State Fair, '10

—only time shown

last year.

Sold in our May, '08,

sale to Willowdale

Farm, where he was

sold two years later

for \$4,000—just

four times his form-

er price, and not

half his value. Now

at head of Erden-

heim Farm herd,

owned by Dr. Edw.

S. George, Detroit,

Mich.

Majesty is an unusu-

ally precocious sire;

he gets butter pro-

ducers and show-

ing winners. One

of the most (if not

the most) sensa-

tional butter pro-

ducers of the breed

is his daughter,

Majesty's Pearl, who,

with her first calf,

made 2 lbs. 3 ozs.

butter in the Oct.,

'09, test on the Is-

land and 2 lbs. 4½

ozs. in the May, '10,

test—being on the

latter occasion 275

days in milk and 40

days before second

calving and only

two years and five

months old when

her calf was born. Not

so bad for a "be-

ginner"—Majesty is

yet a young bull.

Cora's Majesty, bought

by Mr. R. B. Swift,

of Libertyville, Ill.,

at a long price—one

of the few unbeaten

bulls at last year's

shows is a son of

Majesty. He was

1st pr. two-year old

at six of the im-

portant western

shows.

Majesty's Oxford Lass,

his daughter, now

owned by Mr. Jas.

F. Middleton, Shel-

byville, Ky., was

Sire
NOBLE OF OAKLANDS,
P. 3909, H. C.

(95700, A. J. C. C.)

1st St. Saviour pr., '07.
1st pr., Royal Jersey Show, '10, for bull and five female progeny.

90 first prizes and championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age;

1908—7 first prizes at English and Island shows.

1909—15 first prizes and two Championships, England, Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all first prizes at the Island bull show, April, '10.

1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prs. all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prs. in England and on the Island within three years, and no doubt an equal or greater number in America.

His first daughter that came into milk, Noble Dora, P. 14736, won Certificate of Merit in public butter test, Oct., '10, before she was three years old—1 lb. 11 ozs., 157 days in milk.

(See front page B for picture and full particulars regarding the great bull, Noble of Oaklands.)

Winner of First Prize and Sweepstakes, Grouville and St. Saviour Show, '10.**Second over Jersey and Parish Prize, May, '10.****A CHAMPION WINNER, AND OUT OF A CHAMPION AND GRAND CHAMPION WINNING DAM.**

Bred by C. Mourant, St. Saviour, Island of Jersey.
Born July 13th, 1907.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Spot in forehead and on each fore ankle; white on right flank and hind legs; brisket, armpits, stiles, belly, left flank, most of tail and switch white.

An exceedingly handsome young cow; beautiful head, with large, sparkling eyes; dished face, rich-colored horns; thin, long neck, long, strong, straight back; splendid withers; broad hips; best of loins; thin, long, whip tail, beautifully set, with magnificent switch; very neat in bone; splendid body; skin thin and soft as a mole's; large milk veins, absolutely perfect udder, running way to the front and rear, with good-sized and beautifully-placed teats.

She is one of the handsomest and most valuable young cows in the herd. She is a first prize and sweepstakes winner herself on the Island; is sired by a first prize winner on the Island, and her dam is a first prize, Champion and Grand Champion winner. She being so good individually and so royally bred, her chances for success are beyond questioning. She herself is proud of her great beauty and parentage, and swings her lovely head most gracefully.

A great cornerstone for any herd.

Bred by Chas Mourant, St. Saviour, Island of Jersey.

Born September 3d, 1903

Imported September 20th, 1910, by T. S. Cooper & Sons.

Spot behind right shoulder and on left stifle; white on flanks and right thigh; dot on left thigh; brislet, right stifle, belly, fore ankles, hind stockings and switch white.

A "dairy bull," if a Jersey ever displayed it in his conformation, character and his progeny. In color, a rich, bronze fawn on top, from withers to root of tail, extending down to brisket in front and rising diagonally to rump. Head, neck, legs, lower sides and thighs dark, almost black, with white markings as described. As "game" a bull as ever stood on four feet, stylish, and poses as though for a picture. Has a wonderfully good "bull" head, face dished, wide between his big, bright eyes shining with virility; long muzzle, broad, with strong jaws; ears thin, golden inside and fringed with black; horns medium size, rich, amber color, and symmetrically intumed. He has the cleanest possible neck and shoulders; neck long and proudly arched when in pose, merging into an almost faultless body. He has good depth and girth at heart, a great paunch comfortably carried; strong, broad back and splendid loins; is long from point of hips to root of his slender tail, which sets admirably and is hung with a generous white switch. He is well cut out between hind legs, indicating what he creates in his daughters—plenty of room for udder—and he has unusually large, well-placed rudimentaries. The splashes of white on his body betray, no less than his color and conformation, his distinguished dairy ancestry. He is most striking in his vigor, and, as the Jersey score card reads, "thoroughly masculine in character, with a harmonious blending of the parts to each other, thoroughly robust, and such an animal as in a herd of wild cattle would likely become master of the herd by the law of natural selection and survival of the fittest." Gamboge's Knight fills the specifications, and has made his mark. The man that wants a breeding bull that will put him ten years ahead of where he would otherwise be, should, as we have said only of the very best, "BID LAST" on Gamboge's Knight.

First Prize over the Island, August, 1904; Blythwood Bowl Winner, August, 1904.

DAM OF THE GREAT DAIRY BULL, GAMBOGE'S KNIGHT, P. 3645, H. C.

Fontaine's Oxford Pride was sold in our May, 1905, sale to Mr. Howard Willets, White Plains, N. Y., for \$2,500. She was a typical dairy cow from the end of her nose to the tip of her switch. When fresh she milked 22 quarts daily and 14 quarts when within four months of calving; it was impossible to dry her completely before calving. She was sired by Caiest, P. 2591, H. C., whose eight daughters averaged \$987.50 in our 1905 sale. Her dam is the famous butter-test cow, Gamboge's Pride, P. 4508, H. C.

Her daughter, Oxford's Fontaine, sold in our 1909 auction for \$2,525 to Dr. H. D. Rodman, Shelbyville, Ky.

She is grandam of Oxford You'll Do, the bull that just won at the April, 1911, Bull Show on the Island, First prize shown with progeny—the most valuable prize and the greatest distinction that can be accorded a bull.

The daughters of Gamboge's Knight have the same milky appearance and dairy conformation as what we see in their famous grandam, Fontaine's Oxford Pride. They are heavy and persistent milkers and great butter producers.

A BATTLE OF FLOWERS ON THE ISLAND OF JERSEY.

No. 92. Cow.

GAMBOGE'S HANDSOME DUCHESS, 252150, A. J. C. C.

(Gamboge's Duchess, P. 13312, C.)

First Prize Winner in Two-Year-Old Heifer Class, St. Brelade Show, 1908.

Bred by J. Nicolle, St. Helier, Island of Jersey.

Born June 13th, 1900.

Imported September 20th, 1910, by T. S. Cooper & Sons.

White in forehead, on throat, armpits, croup, stiles, flanks, thighs and tail; brisket, belly, fore ankles, hind stockings and switch white; black tongue.

One of the handsomest young cows in the sale, and a great credit to her illustrious sire. She carries a lovely head; large, prominent eyes; dished face; beautiful, rich-colored horns; thin, long neck; long, strong, straight back; splendid withers; broad hips; best of loins; thin, long, whip tail, beautifully set, with magnificent switch; very neat in bone; great depth and width of body; skin thin and soft as a mole's; magnificent udder, with good-sized and beautifully-placed teats.

A great dairy cow, as well as a magnificent breeder, she is still milking 10 quarts daily, 10 weeks within calving.

Sire**GAMBOGE'S KNIGHT, P. 3645, H. C.**

Winner of 2d pr. over Jersey (with his progeny), April, '08.

His son, Oxford You'll Do, has just won first prize for bull and progeny at the April, '11, Bull Show, Island of Jersey.

Among his better tested daughters are:

Patent's Snowdrop, P. 13763, H. C., Certificate of Merit, May, '10, public butter test, 1 lb. 15½ ozs., 84 days in milk.

Miss Roselle, P. 12852, H. C., Certificate of Merit, May, '08, 1 lb. 12 ozs., 130 days in milk.

Tiddleywink's Daisy 2d, P. 12934, H. C. (now Oxford Lad's Granddaughter, 238448), Certificate of Merit, May, '08, 1 lb. 11 ozs., 79 days in milk; Certificate of Merit, May, '09, 1 lb. 11 ozs., 118 days in milk. A Champion winner at leading shows last fall.

Some other prize winners he has sired are:

Due to calve July 19th, 1911, by Noble of Oaklands, P. 3909, H. C. Noble of Oaklands "cleaned the platter" at the Island of Jersey bull show, April, '10, winning first over Jersey with his progeny (the greatest distinction that can be accorded a bull), and his sons won all first prizes in all the other classes. The first-prize winnings of the get of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a nick of the blood of those two wonderful cows, Lady Viola and Blue Belle. (See front page B for full particulars of his illustrious parentage.) It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get a little of this blood while it is "on the counter." As in the case of Golden Fern's Lad, in a few years it will be at a premium.

No. 93. Bull Calf.

NOBLE'S FAWN PRINCE, 95705, A. J. C. C.

Bred by J. H. Le Boutillier, St. Brelade, Island of Jersey

Born July 16th, 1910

Imported September 20th, 1910, by T. S. Cooper & Sons

Solid color, except very few white hair in black switch; white tongue, few white hair over right flank

A very handsome young bull, and one that will stand a very good chance of being called up front by the judge for the blue ribbon. He is lofty in his carriage, handsome head, large, prominent eyes, thin, long neck; strong, straight back, good withers, splendid loins, broad hips, thin, whip tail, beautifully set, with magnificent switch, wide and deep body, soft, thin, rich, mellow hide, neat in bone.

GAMBOGE'S PROSPERITY, 252142, A. J. C. C.

(Gamboge's Sibyl, P. 13419, H. C.)

Bred by D. Ollivier, St. John, Island of Jersey.
Born January 20th, 1906.
Imported September 20th, 1910, by T. S. Cooper & Sons.

White on right shoulder, right stifle, left flank and thighs, brisket, armpits, left stifle, belly, right fore shank, fore ankles, hind stockings, half of tail and switch white.

A grand young cow, possessing great dairy qualities. She has never been dry, and has made her owner happy, by presenting him with twin heifer calves at her last two calvings. She carries a nice head, large, prominent eyes; dished face; rich, amber horns; thin, long, ewe neck, strong back; best of withers, broad hips, good loins, thin, long, whip tail, with magnificent switch, wide and deep body, placed on short, neat legs; skin like a mole's, large milk veins; magnificent udder, with large and beautifully-placed teats.

Still milking 10 quarts daily, three months within calving.

Due to calve August 3d, 1911, by Noble of Oaklands, P. 3909, H. C. (See front page B for full particulars concerning this famous sire.) The daughters of Gamboge's Knight have in most cases been bred to Noble of Oaklands, and vice versa. Buyers of cows will see the results and public appreciation of this cross by noting the individual quality and the demand for calves sired by one of these bulls and out of the daughters of another. The opportunity to get this combination of blood will not likely be offered again at public auction to any extent.

No. 96. Cow.

GAMBOGE'S FANCY PRINCESS, 252154, A. J. C. C.

(Princess Fancy, P. 13623, C.)

Bred by P. J. Picot, St. Saviour, Island of Jersey.
Born July 27th, 1906.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Spot on left stifle and on left thigh; white on flanks, left hind shank, left hind and both fore ankles and tail; brisket, armpits, belly, right hind stocking and switch white.

A beautiful cow, with handsome head, large, prominent eyes; very rich colored horns; dished face; broad forehead; thin, long neck; long, strong, straight back; best of withers; good loins, broad hips; thin, long, whip tail, with splendid switch; soft, mellow hide; wide and deep body, neat in bone; magnificent udder, running way to the front, with good sized and beautifully-placed teats. Milking 22 quarts daily.

Gamboge, F. 5846, H. C.

Scipio, P. 157, H. C.

Dora, P. 155, C.

Bred April 7th, 1911, to Noble of Oaklands, P. 3909, H. C. Noble of Oaklands "cleaned the platter" at the Island of Jersey bull show, April, '10, winning first over Jersey with his progeny (the greatest distinction that can be accorded a bull), and his sons won all first prizes in all the other classes. The first-prize winnings of the get of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a nick of the blood of those two wonderful cows, Lady Viola and Blu Belle. (See front page B for full particulars of his illustrious parentage.) It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get a little of this blood while it is "on the counter." As in the case of Golden Fern Lad, in a few years it will be at a premium.

No. 97. Heifer.

FANCY PRINCESS OF ST. SAVIOUR, 252244, A. J. C. C.

Bred by P. Picot, St. Saviour, Island of Jersey.

Born March 18th, 1910.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color, black tongue and switch.

A beautiful heifer and a great credit to her sire, handsome head, large, prominent eyes, dished face, thin, long neck, long, strong, straight back, good withers, best of loins, broad hips, tail thin and long, with splendid switch, thin, soft, mellow hide, wide and deep body, remarkable under development with large and beautifully placed teats.

1st at Illinois State

Fair, '08.

1st and Grand Cham.,

Mich. State Fair, '10

—only time shown

last year.

Sold in our May, '08,

sale to Willowdale

Farm, where he was

sold two years later

for \$4,000—just

four times his former

price, and not

half his value. Now

at head of Erden-

heim Farm herd,

owned by Dr. Edw.

S. George, Detroit,

Mich.

Majesty is an unusu-

ally prepotent sire;

he gets butter pro-

ducers and show-

ing winners. One

of the most (if not

the most) sensa-

tional butter pro-

ducers of the breed

is his daughter,

Majesty's Pearl, who,

with her first calf,

made 2 lbs. 3 ozs.

butter in the Oct.,

'09, test on the Is-

land and 2 lbs. 4½

ozs. in the May, '10,

test—being on the

latter occasion, 275

days in milk and 40

days before second

calving and only

two years and five

months old when

calf was born. Not

so bad for a "be-

ginner"—Majesty is

yet a young bull.

Cora's Majesty, bought

by Mr. R. B. Swift,

of Libertyville, Ill.,

at a long price—one

of the few unbeaten

bulls at last year's

shows—is a son of

Majesty. He was

1st pr. two year-old

at six of the im-

portant western

shows.

Majesty's Oxford Lass,

his daughter, now

owned by Mr. Jas.

F. Middleton, Shel-

byville, Ky., was

first at Illinois State

Fair, and Grand

Champion at Nat.

Dairy Show, '09.

Majesty's sired Rosie's

Boy, 1st prize, Royal

Show, England, '08.

Lucy Belle, 1st St.

Saviour, Aug. '07.

Majesty's Lady Hou-

pli, sold in our May,

'08, sale to Kinloch

Farm, Kirkville,

Mo., for \$2,000.

(For further partic-

ulars regarding Maj-

esty's tested daugh-

ters and prize win-

ners, see No. 30.)

1st State's prize over

the Island, Apr. '03

Sire of

Oxford Lass of the Is-

land, 14 lbs. 4 ozs.

Oxford Cora, Reserve

over Jersey, May,

'05, winner of Silver

Medal (first prize) in

the Island public

butter test, Oct. '06,

2 lbs. 2 ozs., 139

days in milk, Par

prize, Aug. '09

The progeny of Oxford

Lad have been the

sensations of recent

sales, four sons hav-

ing sold at an aver-

age of \$6,025 and

twenty five cows at

an average of \$1,177

during the past 3

years.

Sons of Oxford Lad

have realized world's

record prices at auc-

tion. Stockwell hav-

ing sold for \$11,500,

and Sultan's Ox-

ford Lad for \$11,100,

at our '07 and '10

sales.

Three daughters of

Oxford Lad have

averaged \$2,450 at

our auction sales.

The heavy demand for

the get of Oxford

Lad can be seen by

looking over the re-

ports of recent sales,

his get in every case

having averaged

hundreds of dollars

more than any other

bull whose get has

been sold within the

last three years.

Fresh. Expected to be bred to Noble of Oaklands, P. 3909, H. C. (See front page B for full particulars concerning this famous sire.) The daughters of Gamboge's Knight have in most cases been bred to Noble of Oaklands, and vice versa. Buyers of cows will see the results and public appreciation of this cross by noting the individual quality and the demand for calves sired by one of these bulls and out of the daughters of another. The opportunity to get this combination of blood will not likely be offered again at public auction to any extent.

No. 100. Cow.

GAMBOGE'S GOLDEN LENA, 213982, A. J. C. C.

Bred by R. Le Feuvre, St. Helier, Island of Jersey.
Born July 24th, 1906.
Imported October 8th, 1907, by T. S. Cooper & Sons.

Solid color, black tongue and switch.

One of the best Gamboge Knights in the sale. By a great sire and out of a magnificent dam, and being heavy in calf by the world's famous bull, Noble of Oaklands, P. 3909, H. C., it does not take long to figure out what a bull calf of such a coupling ought to be worth. She has a beautiful head, with very rich-colored horns; large, prominent eyes, broad forehead; dished face, thin, long neck; strong, straight back; splendid withers, best of loins, broad hips, tail thin and long and beautifully set, with magnificent switch, neat in bone; thin, soft, mellow hide, body of remarkable depth and width, large, tortuous milk veins; magnificent udder with good sized and beautifully placed teats.

Due to calve August 25th, 1911, by Noble of Oaklands, P. 3909, H. C. (See front page B for full particulars regarding this famous sire.) She will freshen at just the right time for "bloom" at the fall shows. The daughters of Gamboge's Knight have in most cases been bred to Noble of Oaklands, and vice versa. Buyers of cows will see the results and public appreciation of this cross by noting the individual quality and the demand for calves sired by one of these bulls and out of another. The opportunity to get this combination of blood will not likely be offered again at public auction to any extent.

No. 101. Heifer.

FERN'S GOLDEN GAMBOGE, 254301, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born November 1st, 1909.

Spot in forehead, white on bricket and belly, two white spots over left flank, both hind legs white, white tongue and switch.

A very handsome heifer by a good sire, and out of a magnificent dam. She has a beautiful head, rich colored horns, thin neck, strong, straight back, broad hips, splendid loins, tall thin and beautifully set, wide and deep body, soft, mellow hide, neat in bone, splendid udder development, with good sized and beautifully placed teats.

Golden Fern's Lad,
P 2160, H. C.

1st and Champion at N. C. Show, '96, '97. The most celebrated bull the Island of Jersey has ever produced. His son, Flying Fox, sold in our May, '02, sale for \$7,500. His son, Eminent 2d, sold in our '05 auction sale for \$10,000.

His daughter, Golden Sultana, won third prize at the great St. Louis Show, September, '04, and sold in our '10 auction for \$3,700, her son, Sultana's Oxford Lad, selling for \$11,500.

Ten of his get have been sold at an average of \$4,500 each. Twenty eight of his get (some only calves) sold at our auction sale at an average of \$1,032. His son, Eminent 2d, has 41 daughters that have made tests in America, and 25 in Island tests.

Sire of Golden Fern's Sensation, 2d prize at the great St. Louis S. '04, and sold at auction for \$2,250.

Golden Fern's Red Rose, 23 lbs 10 ozs.

Golden Fern's Tulip, 19 lbs 8½ ozs.

Rozel of Clearview, 18 lbs 2½ ozs.

Golden Rose of St. Martin, 16 lbs 13 ozs.

Golden Fern's Rainbow, 15 lbs.

Judging by what the descendants of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that they are making, and their great popularity among Island, England and American breeders, convinces us that "Golden Fern's Lad" is the most prepotent, most distinguished and pre-eminent Jersey bull that the world has ever produced.

Golden Lad,
P 1242, H. C.

1st pr. over Island, Aug. '90; also winner of £15 pr. The most prepotent bull the Island has ever produced, transmitting the Sultane type (for udder and teats) to his entire progeny. (See above.)

MAJESTY'S CROCUS, 252147, A. J. C. C.

Bred by W. P. Mourant, St. Saviour, Island of Jer.
Born June 11th, 1910
Imported September 20th, 1910, by T. S. Cooper & Sons

Solid color, black tongue and switch.

A lovely heifer, beautiful head, large, prominent eyes, thin neck, long, strong, straight back; broad hips, deep body, soft, mellow hide, remarkable udder development with large and beautifully placed teats.

Sire—OXFORD MAJESTY, P. 4057, H. C.

(See pedigree below.)

Dam GAMBOGE'S CROCUS,

252147, A. J. C. C.

(Crocus 6th, P. 13380, H. C.)

Winner of Parish Prize, R. J. A. S., May, '10. (See pedigree, No. 104, opposite page.)

Sire—OXFORD MAJESTY, P. 4057, H. C.

Majesty, P. 3523, H. C., now named Royal Majesty, 79313, A. J. C. C. Winner of 1st and Grand Cham., Nat Dairy S., '08. 1st at Illinois State Fair, '08. 1st and Grand Cham., Mich. State Fair, '10—only time shown last year.

Sold in our May, '08, sale to Willowdale Farm, where he was sold two years later for \$4,000—just four times his former price, and not half his value. Now at head of Erdenheim Farm herd, owned by Dr. Edw. S. George, Detroit, Mich.

Majesty is an unusually prepotent sire; he gets butter producers and show-winning winners. One of the most (if not the most) sensational butter producers of the breed is his daughter.

Majesty's Pearl, who, with her first calf, made 2 lbs. 3 ozs. butter in the Oct., '09, test on the Island and 2 lbs. 4½ ozs. in the May, '10, test—being on the latter occasion, 275 days in milk and 40 days before second calving and only two months old when calf was born. Not so bad for a "beginner!"—Majesty is yet a young bull.

Cora's Majesty, bought by Mr. R. B. Swift, of Libertyville, Ill., at a long price—one of the few unbeaten bulls at last year's shows is a son of Majesty. He was 1st pr. two-year old at six of the important western shows.

Majesty's Oxford Lass, his daughter, now owned by Mr. Jas. F. Middleton, Shelbyville, Ky., was 1st at Ill. State Fair and Grand Cham. at Nat Dairy Show, '09.

Majesty sired Rosie's Boy, 1st prize, Royal Show, Eng., '08.

Lucy Belle, 1st St. Saviour, Aug., '07. (For further particulars regarding Majesty's tested daughters and prize winners, see No. 30.)

Lucy 18th, P. 10586, H. C., now named Oxford Lad's Lucy, 213913.

1st over Jer., Aug., '06, '07. Reserve for Blythwood Bowl, '05.

She sold at our '09 auction sale to Dr. H. D. Rodman, Shelbyville, Ky., for \$1,300—one of the very best Oxford Lad cows we ever imported.

Oxford Lad, P. 3123, H. C. 1st prize, St. Saviour Show, '02. Sweepstakes over St. Saviour and Grouville Shows, Apr., '03. 1st State's prize over the Island, Apr., '03. Champion, St. Saviour and Grouville Shs., '05.

Sire of Sultana's Oxford Lad, sold at our auction sale, May, '10, for \$11,100.

Distinction Queen, 1st over the Island and Blythwood Bowl, Aug., '06. She sold at our auction sale, May, '10, for \$2,600.

Oxford Ixia 6th, Reserve over Jersey, public butter test, 1 lb. 14 ozs., 145 days in milk. She sold at our auction sale for \$2,225. She is full sister to Royal Majesty, recently sold at auction for \$4,000.

At our May, '10, auction sale 15 animals, sired by Oxford Lad, averaged \$1,778—the highest average for any sire of the great dairy breeds.

Oxford Ixia 3d, P. 8584, H. C. Following prizes have been won in public butter tests.

Silver Medal, Oct., '03, 2 lbs. 1½ ozs., 235 days in milk; Bronze Medal, May, '04, 2 lbs. 15½ ozs., 94 days in milk, and a number of other butter prizes. She was sold at a long price to Dr. Watney, England, who only buys big butter test cows.

Oxford Lad, P. 3123, H. C. 1st prize, St. Saviour Show, '02.

Sweepstakes over St. Saviour and Grouville Shows, April, '03.

1st State's prize over the Island, Apr., '03. Champion, St. Saviour and Grouville Shs., '05.

Sire of many celebrated animals. (See above.)

Lucy 12th, P. 9236, C.

One of the best dairy cows on the Island. Certificate of Merit, Oct., '05, in public butter test, 2 lbs. 2 ozs., 118 days in milk.

Flying Fox, P. 2729, H. C. Champion winner over the Island, August, '99. Sold at our auction sale, May, '02, for \$7,500. In same sale, three of his heifers on first calf averaged \$933.

Sire of Sam Loates, sire of Reindeer, Bronze Medal winner, public butter test, Oct., '07, 1 lb. 13½ ozs., 161 days in milk. Brookhill Fox (out of the great cow, Brookhill Rose 2d), 1st at Royal Show, England, '02, in a class of 32, and sold at auction for \$5,000.

ton, Ky., owned by
Mr Jas B. Haggin
His dam was bought
by Mr. M. S. Beltz-
hoover for his choice
herd at "Roch-
roane," Irvington,
N. Y.

Sultana's Oxford Lad
is magnificently
bred, and so good
individually that
he could not help
proving a successful
sire.

His sire, Oxford Lad,
will go down in Jer-
sey history as hav-
ing sired the greatest
string of dairy cows
that ever lived

His dam, Golden
Sultana, is the great-
est living represen-
tative of the Sultane
family. Her dam,
Sultane 9th, P 1145,
H. C., is dam of
Uncle Peter, P
2115, H. C., and of

His son, Flying Fox,
has five tested
daughters averaging
17 lbs 4 ozs.

At the National Dairy
Show, Chicago, '07,
the Grand Cham-
pion and Jr Cham-
pion females were
daughters of Golden
Fern's Lad, and the
Grand Champion
bull was a grand-
son, and out of a
granddaughter of
Golden Fern's Lad.
The four prizes for
bull and get (the
most important of
all prizes) all went
to Golden Fern's
Lad and his close
descendants

and 9th, all prize
winners over the Is-
land. Fontaine 9th
milked over 9,000
lbs. milk in a year;
41 lbs. 4 ozs., in 24
hours, from which 2
lbs 10 ozs. of butter
was made.

"Boyle" also sired the
great cow, "Spec-
tled Band," dam of
the wonderful cow,
"Nursie," that made
the phenomenal rec-
ord of 2 lbs 7½ ozs.
of butter in 24 hrs
in the public butter
test, after being in
milk 300 days and
within 90 days of
calving. She sold in
our May, '07, sale
for \$2,200 to Mr A.
B. Lewis

During our visits to the
Island of Jersey, for
a number of years,
it was always our
great pleasure to
examine the daugh-
ters of the famous
bull, Boyle. They
were of great size,
carrying beautiful
heads, thin, long
necks, strong,
straight backs; the
very best of loins,
broad hips; sharp
withers; "bread
baskets" wide and
deep, which alone

(See extended pedigree above, dam of No. 106.)

No. 108. Heifer. **SULTANA'S FAWN BEAUTY, 240360, A. J. C. C.**

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born May 20th, 1909.
Solid color, except white brisket and a few white hairs above, black and white switch, slate tongue.

Beautiful heifer and a great credit to her sire; handsome head; lofty carriage; large, prominent eyes; very broad forehead, dished face; large muzzle; straight back; very broad hips; grand loins; thin, long tail, nicely set, with splendid switch, very thin, soft, mellow hide; remarkable depth and width of body; grand under development, running way to the front, with teats nicely placed.

Sire**SULTANA'S OXFORD LAD 76506, A. J. C. C.**

A grand bull.
Sold in our May, '10, auction for \$11,100.
At same time his dam, the distinguished Golden Sultana, sold for \$3,700.
He now heads the Jersey herd at Elmdorf Farm, Lexington, Ky., owned by Mr. Jas. B. Hagen.
His dam was bought by Mr. M. S. Beltzhoover for his choice herd at "Rochroane," Irvington, N. Y.

Sultana's Oxford Lad is a magnificent bred, and so good individually that he could not help proving a successful sire.
His sire, Oxford Lad, will go down in Jersey history as having sired the greatest string of dairy cows that ever lived.
His dam, Golden Sultana, is the greatest living representative of the Sultane family. Her dam, Sultane 9th, P. 1145, H. C., is dam of Uncle Peter, P. 2115, H. C., and of Sultane's Snowdrop, P. 8578, H. C., 1st over Jersey, May, '01.
Sultane's Snowdrop is full sister to Golden Sultana, and is dam of the celebrated bull, Sultan of Oaklands.
The get of Sultana's Oxford Lad will bear witness that he has the prepotency to hand down the qualities of the Oxford-Sultane families (look them over in this sale).
(See No. 113 for extended pedigree of Sultana's Oxford Lad.)

Dam**EMINENT'S FAWN DAISY, 213924, A. J. C. C.**

Brown Fern, F. 4606, C.
Dam of the famous cow, Eminence, F. 7124, H. C.

There is abundant evidence of the prepotency of the old cow, Eminence, F. 7124, H. C., dam of Eminent 2d. It appears from the fact that her dam, Brown Fern, F. 4606, C., is also the great granddam of Golden Fern's Lad, that there was a powerful influence projected by this old Foundation Stock cow. An instance of the butter quality where this blood is concentrated, is presented by the record of Eminent 2d's daughter, Aurea, P. 8693, H. C., now named Eminent's Fern of St. Martin. Aurea's dam is out of the old cow, Brown Fern. Aurea won Certificate of Merit in the May, '07, butter test, with 2 lbs. 4 ozs. of butter and Bronze Medal in public butter test, October, '03, 2 lbs. 4 ozs., 127 days in milk. She is the dam of Aurea's Fern, 112509, (by Oxford Lad), who won Certificate of Merit in May, '09, with 1 lb. 12 ozs. of butter when 236 days in milk.
When we note how unfailingly the daughters and descendants of Brown Fern prove such unusually good animals, we can not help thinking that it was the multiplication of her blood that gave Aurea her butter power and prepotency. Aurea traces three times to Brown Fern, F. 4606, C., and has 40% per cent. of her blood.

No. 109. Heifer.

SULTANA'S FAWN BEATRICE, 239728, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born September 4th, 1909.
Solid color, except few white hairs in forehead,
black tongue and switch.

A beautiful heifer; nice head; large, prominent
eyes; long, strong, straight back; broad hips, best of
loins; good withers; thin, long tail, with splendid
switch; neat in bone; wide and deep body; soft,
mellow hide; remarkable udder development, run-
ning way to the front, with large and beautifully
placed teats.

The making of a great cow.

Sire
SULTANA'S
OXFORD LAD,
76506, A. J. C. C.

A grand bull.

Sold in our May, '10,
auction for \$11,100.
At same time his
dam, the distin-
guished Golden
Sultana, sold for
\$3,700.

He now heads the Jer-
sey herd at Elmen-
dorf Farm, Lexing-
ton, Ky., owned by
Mr. Jas. B. Haggin.
His dam was bought
by Mr. M. S. Beltz-
hoover for his choice
herd at "Rochro-
roane," Irvington,
N. Y.

Sultana's Oxford Lad
is magnificently
bred, and so good
individually that
he could not help
proving a successful
sire.

His sire, Oxford Lad,
will go down in Jer-
sey history as hav-
ing sired the greatest
string of dairy cows
that ever lived.

His dam, Golden
Sultana, is the great-
est living represen-
tative of the Sultane
family. Her dam,
Sultane 9th, P. 1145,
H. C., is dam of
Uncle Peter, P.
2115, H. C., and of
Sultane's Snowdrop,
P. 8578, H. C., 1st
over Jersey, May,
'01. Sultane's
Snowdrop is full
sister to Golden Sul-
tana, and is dam of
the celebrated bull,
Sultan of Oaklands.
The get of Sultana's
Oxford Lad will
bear witness that he
has the prepotency
to hand down the
qualities of the Ox-
ford-Sultane fami-
lies. (Look them
over in this sale.)

cows now in the
"Linden Grove"
herd. As will be
seen, she is a daugh-
ter of the great cow,
"Golden Beatrice
2d," who has been
in the herd for over
ten years.

Her daughter, Stock-
well's Beatrice,
230329, sold in our
May, '10, auction
for \$600, before she
was two years old.

Sold in our May, '10,
auction for \$3,700,
and at same time her
son, Sultana's Ox-
ford Lad, sold for
\$11,100.

Golden Sultana is a
granddaughter of
old Sultane and her
nearest living de-
scendant. She has
inherited the famous
dairy type, espe-
cially in the udder
and teats, for which

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born April 4th, 1910
Solid color, black tongue and switch

An exceedingly handsome young heifer, lofty head, large, prominent eyes, dished face, thin, long neck, very prominent hips, best of loins, splendid withers, tall thin and long and beautifully set, with splendid switch, neat in bone; soft, mellow hide, wide and deep body, remarkable udder development, running way to the front, with large and beautifully placed teats

Sire
**SULTANA'S
OXFORD LAD,
76506, A. J. C. C.**

A grand bull

Sold in our May, '10, auction for \$11,100
At same time his dam, the distinguished Golden Sultana, sold for \$3,700

He now heads the Jersey herd at Elmdorf Farm, Lexington, Ky., owned by Mr. Jas. B. Haggan
His dam was bought by Mr. M. S. Beltz, Hoover for his choice herd at "Rock Roane," Irvington, N. Y.

Sultana's Oxford Lad is magnificently bred, and so good individually that he could not help proving a successful sire

His sire, Oxford Lad, will go down in Jersey history as having sired the greatest string of dairy cows that ever lived

His dam, Golden Sultana, is the greatest living representative of the Sultana family. Her dam, Sultana 9th, P. 1145, H. C., is dam of Uncle Peter, P. 2115, H. C., and of Sultane's Snowdrop, P. 8578, H. C., 1st over Jersey, May, '01. Sultane's Snowdrop is full sister to Golden Sultana, and is dam of the celebrated Bull, Sultan of Oaklands. The get of Sultana's Oxford Lad will bear witness that he has the prepotency to hand down the qualities of the Oxford Sultane families (Look them over in this sale)

(See No. 113 for extended pedigree of Sultana's Oxford Lad)

Sire
**SULTANA'S
OXFORD LAD,
76506, A. J. C. C.**

A grand bull
Sold in our May, '10,
auction for \$11,100.
At same time his
dam, the distin-
guished Golden
Sultana, sold for
\$3,700.

He now heads the Jer-
sey herd at Elmeu-
dorf Farm, Lexing-
ton, Ky., owned by
Mr. Jas. B. Haggin.
His dam was bought
by Mr. M. S. Beltz-
hoover for his choice
herd at "Roch-
roane," Irvington,
N. Y.

Sultana's Oxford Lad
is magnificently
bred, and so good
individually that
he could not help
proving a successful
sire.

His sire, Oxford Lad,
will go down in Jer-
sey history as hav-
ing sired the greatest
string of dairy cows
that ever lived.

His dam, Golden
Sultana, is the great-
est living represen-
tative of the Sultane
family. Her dam,
Sultane 9th, P. 1145,
H. C., is dam of
Uncle Peter, P.
2115, H. C., and of
Sultane's Snowdrop,
P. 8578, H. C., 1st
over Jersey, May,
'01. Sultane's
Snowdrop is full
sister to Golden Sul-
tana, and is dam of
the celebrated bull,
Sultan of Oaklands.

The get of Sultana's
Oxford Lad will
bear witness that he
has the prepotency
to hand down the
qualities of the Ox-
ford Sultane fam-
ilies. (Look them
over in this sale.)

(See No. 113 for ex-
tended pedigree of
Sultana's Oxford
Lad.)

Dam
**GOLDEN JOLLY'S
PRINCESS,

Grand Champion at
the National Dairy
Show, Chicago, '08.
Golden Jolly also sired
the 4 cows that won
first prize for get of
bull, Illinois State
Fair and National
Dairy Show, Chicago,
Ill., '08.

Golden Jolly has given
indications through
his progeny, at re-
cent shows and but-
ter tests on the Is-
land, of being a su-
perlatively prepotent
sire in producing
cows that combine
the highest quality
for both beauty and
utility. No sire has
ever equaled his rec-
ord in the history of
shows.

Sire of
Poppy Viola, 2½ years
old, winner of the
Bronze Medal in the
public butter test,
testing 1 lb. 15 ozs.,
159 days in milk.

At our '09 auction sale
the daughters of
Golden Jolly were
the admiration of
all breeders. Their
beautiful conforma-
tion, splendid dairy
qualities and their
superb quality found
substantial support
in the sale ring,
where thirteen of
them sold for \$6,900,
an average of \$530.

Wyandotte 4th,
P. 7606, H. C.
Reported to have
been a remarkable
cow, and mother of
a great family.

Golden Fern's Lad,
P. 2160, H. C.,
1st and Champion at
N. C. Show, '96, '97.

daughters averag-
ing 17 lbs. 13½ ozs.

His son, Carnation's
Fern Lad has six
tested daughters
averaging 16 lbs. 1½
ozs.

Brookhill Rose 2d,
P. 3440, C.

1st prize and Cham-
pion winner over the
Island, May, '98.

A wonderful dairy cow, milking as high as 28
quarts daily. Without a doubt she ranks way
up among the very best the Island has ever
produced. She is not only a great dairy cow,
but a great breeder. She is dam of Reminder,
P. 2419, H. C., who has sired a wonderful lot
of dairy cows. Brookhill Fox, a famous prize
winner, and the sensational bull, Golden Jolly,
for whom, were he still living, \$15,000 would
not be a bad investment.

Angler, P. 1938, H. C.
1st pr. and Par pr.,
'94, '95, '96.

Wyandotte, F. 7393, C.

Vertumuns, P. 161, H. C., 1st prize, Trinity, '77, the sire of Bobby, P. 208, H. C., above named, unites the blood of the great Coomassie with that of Duke, 76, who was the sire of a wonderful lot of dairy animals. Brown Bessie, the great cow who won such honors at the World's Fair tests, was descendant of Duke, 76, through her sire, Volco.

Boyle, P. 1559, H. C.
Sire of the celebrated
bull, Golden Fern's
Lad, P. 2160, H. C.,
Fontaine 7th, 8th
and 9th, all prize
winners over the Is-
land. Fontaine 9th
milked over 9,000
lbs. milk in a year,
41 lbs. 4 ozs in 24
hours, from which
2 lbs. 10 ozs of but-
ter was made.
Boyle also sired the
great cow, "Spec-
ked Band," dam of
"Nursie," that made
the phenomenal rec-
ord of 2 lbs. 7½ ozs.
of butter in 24 hrs.
and won the Silver
Medal in butter test
on the Island, after
being in milk 300
days, and within 90
days of calving.

No. 113. Bull.

CIGARETTE'S SULTAN, 96384, A. J. C. C.

Bred by T. S. Cooper, Coopersburg, Pa.
Born October 8th, 1910.

Solid color; black tongue and switch.

A very handsome young bull; nice head; large, prominent eyes; thin neck; long, straight back; splendid withers; broad hips; tall thin and nicely set, wide and deep body; soft, mellow hide.

Sire
SULTANA'S
OXFORD LAD,
76506, A. J. C. C.

A grand bull.

Sold in our May, '10, auction for \$11,100. At same time his dam, the distinguished Golden Sultana, sold for \$3,700.

He now heads the Jersey herd at Elmendorf Farm, Lexington, Ky., owned by Mr. Jas. B. Haggin. His dam was bought by Mr. M. S. Beltzhoover for his choice herd at "Rochroane," Irvington, N. Y.

Sultana's Oxford Lad is magnificently bred, and so good individually that he could not help proving a successful sire.

His sire, Oxford Lad, will go down in Jersey history as having sired the greatest string of dairy cows that ever lived.

His dam, Golden Sultana, is the greatest living representative of the Sultane family. Her dam, Sultane 9th, P. 1145, H. C., is dam of Uncle Peter, P. 2115, H. C., and of Sultane's Snowdrop, P. 8578, H. C., 1st over Jersey, May, '01. Sultane's Snowdrop is full sister to Golden Sultana, and is dam of the celebrated bull, Sultan of Oaklands. The get of Sultane's Oxford Lad will bear witness that he has the prepotency to hand down the qualities of the Oxford-Sultane families. (Look them over in this sale.)

(See No. 113 for extended pedigree of Sultana's Oxford Lad.)

Dam
CIGARETTE'S
GOLDEN FERN,
204000, A. J. C. C.

This cow was bred at "Linden Grove," and is one of the youngest daughters of the great Golden Fern's Lad, as her breeding indicates. She is beautifully bred; is a grand breeder and a splendid dairy cow.

(For extended pedigree see No. 114, on opposite page.)

Oxford Lad,
P. 3123, H. C.
1st State's prize over Jersey, Apr., '03.

Within the last five years, in the ten island butter tests, seventeen of Oxford Lad's daughters won prizes and Certificates of Merit, a wonderful record. Among the best of these is Gamboge's Pride 7th, P. 10517, H. C. (now Oxford's Fontaine, 224580.) Certificate of Merit and 2d Godington prize, May, '07, 2 lbs. $\frac{1}{2}$ oz., 120 days in milk; Certificate of Merit, May, '08, 1 lb. 14 $\frac{1}{2}$ oz., 154 days in milk. Sold in our '09 sale to Dr. H. D. Rodman for \$2,525.

A number of his daughters have entered the A. J. C. C. Register of Merit by yearly and seven-day authenticated tests.

He has sired many show ring prize winners.

(For further particulars see No. 59.)

Golden Sultana,
146282, A. J. C. C.
Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island, and dam of Uncle Peter, P. 2115, H. C. Her dam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Maret. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her granddam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily while in the Gedney Farm herd and this on ordinary feed.

Cigarette 2d, P. 925, C.

Everton King, P. 390, C. Sire of many noted pr. winners, among which were the grandest dairy cows ever seen on the Island.

Everton King, P. 390, C. was a remarkable sire of grand cows of magnificent dairy type, inheriting the same from his illustrious dam, Quality, which won first prize and Champion Cup at the Royal Show, 1882, and made 16 lbs. 8 ozs. of butter. Twenty-eight years ago, when on the Island, I was so taken with her that I bought, at a long price, her son, Everton King, P. 390, C., and left him on the Island to be bred to my cows before shipment to America. Quality is also dam of the great bull, Happy, P. 309, C., that left a grand lot of dairy cows on the Island.

Fontaine 2d, P. 807, H. C. 1st over Jer., '82. Her sire is by Vertumnus, P. 161, H. C., son of the famous Coomassie, P. 1442, H. C., Champion over Jersey.

Cetewayo 2d, P. 370, H. C. Brown Fern, F. 4606, C.

Brown Fern, F. 4606, C. is dam of Eminence, F. 7124, C., Sweepstakes, N. C. Show, '92, dam of Little Eminence, 21 lbs. 6 ozs.; winner of 1st prize, Wisconsin, Minnesota, Iowa, Indiana and St. Louis Fairs; also Sweepstakes winner, Minnesota State Fair, '02. Eminence is also dam of Eminent and Eminent 2d two famous Island sires. Brown Fern is also dam of Brown Fern 2d, P. 1944, H. C., winner of 2d prize, St. Martin Show, '94, '95.

Brown Fern is also granddam of Golden Fern, P. 4711, H. C., 2d prize winner over Jersey, '94, and dam of the world-renowned bull, Golden Fern's Lad, P. 2160, H. C.

Brown Fern 2d is dam of the Bronze Medal butter test cow, Aurea, P. 8693, H. C. (now Eminent's Fern of St. Martin, 252122, A. J. C. C.), public butter test, Oct. CIGARETTE'S GOLDEN JOLLY, 254007, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born September 10th, 1909.
Solid color; black tongue and switch.

A very handsome heifer; beautiful head; large, prominent eyes; dished face; nice, incurved horns; thin neck; strong back; broad hips; tail thin and nicely set; wide and deep body; very thin, soft, mellow hide; remarkable udder development, running way to the front, with good-sized and beautifully-placed teats.

Sire

**VIOLA'S
GOLDEN JOLLY,
P. 79314, A. J. C. C.**

He is a bull of matchless breeding, quality and conformation. We sold him in our May, '09, sale to Drs. Still and Laughlin, Kinloch Farm, Kirkville, Mo., for \$12,000—the highest price ever paid for a Jersey bull at auction.

Viola's Golden Jolly was exported to England while still a yearling, so that there is none of his progeny on the Island. In his English home he was bred to a very small number of cows, being owned in a small private establishment.

He has inherited from his great sire, Golden Jolly, P. 2921, H. C., and from his dam, Lady Viola, P. 8463, H. C., dairy qualities of unlimited possibilities. Lady Viola was imported by us last winter. She is the most sensational cow that the Jersey breed has so far produced, having won every prize of any importance while on the Island; also first over all England and Championship wherever shown in the years '06, '07 and '08. She also won 1st prize in public butter test at Tring Show, in England, as well as 2 lbs. 12 ozs. in public butter test on the Island.

The get of Viola's Golden Jolly made a new record for yearling heifers, nine of them selling for \$7,160—an average of \$795 each, at our '10 auction sale, all bred by us.

Dam

**CIGARETTE'S

(95700, A. J. C. C.)

1st pr., St. Saviour, '07.
1st pr., Royal Show, '10, for bull and 5 female progeny.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng., Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10. 1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prizes in England and on the Island within 3 years, and no doubt a corresponding number in America (See front page B for picture and full particulars.)

Due to calve August 11th, 1911, by Gamboge's Knight, P. 3645, H. C. (See front page E for extended pedigree and particulars concerning Gamboge's Knight.) The daughters of Noble of Oaklands have in most cases been bred to Gamboge's Knight, and vice versa. Buyers of cows will see the results and the public appreciation of this cross, by noting the individual quality and the demand for calves in this sale by Noble of Oaklands from Gamboge Knight cows. And there are striking examples of practically the same nick where Noble of Oaklands met Majesty blood—a cross not unlike that with Gamboge's Knight. The opportunity to get this combination of blood will not likely again be offered in public auction to any extent.

Happy, F. 309, C.

Mignonne, F. 1443, C.

Bred March 3d, 1911, to Noble of Oaklands, P. 3909, H. C. Noble of Oaklands "cleaned the platter" at the Island of Jersey bull show, April, '10, winning first over Jersey with his progeny (the greatest distinction that can be accorded a bull), and his sons won all first prizes in all the other classes. The first-prize winnings of the get of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a nick of the blood of those two wonderful cows, Lady Viola and Blue Belle. (See front page B for full particulars of his illustrious parentage.) It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get a little of this blood while it is "on the counter." As in the case of Golden Fern's Lad, in a few years it will be at a premium.

No. 120½. Heifer Calf.

INTERESTED FONTAINE, 253156, A. J. C. C.

Bred by John G. Buesnel, St. Saviour, Island of Jersey.
Born January 30th, 1911.
Imported (in dam) September 20th, 1910, by T. S. Cooper & Sons.
Solid color, except white brisket; black tongue and switch.
A beautiful calf, great under development, with large and beautifully placed teats.

Noble of Oaklands,
P. 3909, H. C.
(95700, A. J. C. C.)
1st pr., St. Saviour, '07.
1st pr., Royal Show, '10, for bull and 5 female progeny.
Born April 13, '05.

The prepotency of Noble of Oaklands came into evidence at a very early age. When he was two years and four months old his daughter, Noble Judy, was born; and she, when fifteen months old, won first in her class on the Island at the Aug., '08, show, where there were 32 entries. When 2½ years old his daughter, Noble Dora, was born, and before she was three years old had won a Certificate of Merit in the Island butter test of Oct., '10, with 1 lb. 11 ozs. butter to her credit, nearly six months after she had calved. If a performance under similar circumstances is of record in the archives of the Island, we do not know where to find it.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age:

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng., Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10.

1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.
(See front page B for picture and full particulars.)

Bred March 22, 1911, to Noble of Oaklands, P. 3909, H. C. Noble of Oaklands "cleaned the platter" at the Island of Jersey Bull Show, April, '10, winning First Over Jersey with his progeny (the greatest distinction that can be accorded a bull) and his sons won all first prizes in all other classes. The first prize winnings of the get of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a nick of the blood of those two wonderful cows, Lady Viola and Blue Belle. (See front page B for full particulars of his illustrious parentage). It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get a little of this blood while it is "on the counter." As in the case of Golden Fern's Lad, in a few years it will be at a premium.

No. 122½. Bull Calf.

Sire

NOBLE'S JOLLY
SULTAN,
P. 4156, H. C.

Winner of 1st prize over Jersey, April, '10.

1st over Jersey and Champion, R. J. A. S., Aug., '10.

He is a son of Noble of Oaklands, "King of the Island," his dam is Jolly Sultane, P. 11003, H. C., the closest living descendant of old Sultane, P. 7, H. C., and sired by Golden Jolly, P. 2921, H. C. Since Noble of Oaklands has left, Noble's Jolly Sultan is the most-talked-of bull on the Island; and the get of this young sire which we will show to the public on Decoration Day will make "old Noble" feel proud.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10.

Noble of Oaklands,
P. 3909, H. C.
(95700, A. J. C. C.)
1st St. Saviour pr., '07.
1st pr., Royal Jersey Show (with five of his female progeny), '10.

90 first prizes and championships stand to the credit of Noble of Oaklands and his get in the past three years. Noble of Oaklands and his sons won all 1st prizes at the Island bull show, Apr., '10. His get have won more than 100 minor prs. in England and on the Island within 3 years; and no doubt an equal number in America.

He is sire of Noble Dora, P. 14736, Certificate of Merit, public butter test, Oct., '10, 1 lb. 11 ozs., 157 days in milk. She won Reserve over Jersey, May, '10.

(See front page B, for full particulars regarding the great bull, Noble of Oaklands.)

The first prize winners of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng., Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

Jolly Sultane,

Cocotte was one of the handsomest and best dairy cows the Island ever produced, also a remarkably good breeder. We sold one of her daughters in the '05 sale for \$750, to Hon. A. M. Bowman, of Salem, Va. Nothing could tempt the owner of Cocotte to name a price on her. She is also dam of the cow, The Owl's Sensation, 162128, A. J. C. C., whose 9-months-old son, The Sensational Fern, 75924, sold in our May, '07, auction sale to Hon. A. M. Bowman, Salem, Va., for \$10,200.

The Owl's Sensation is a magnificent dairy cow. She stood third for the Blythwood Bowl at the Royal Show on the Island, Aug., '02. She was an outstanding winner for the Bowl, but owing to an accident she had to be milked before the judges passed on her.

Her son, The Sensational Fern, in his present environment, is an object lesson to the ambitious breeder and student of breeding principles. A strong individual himself, of wonderful character, he is backed up by royal blood and influence, not the least of which is this grand old foundation cow, Cocotte. Such a bull must needs improve an "ordinary" herd; but bred to the descendants of Golden Fern's Lad and other great cows in Mr. Bowman's high-class herd, he is producing a type and quality of offspring that will add lustre to the name of his ancestors which others of the Cocotte blood must share.

No. 125½. Heifer Calf. NOBLE'S LADY COCOTTE, 255217, A. J. C. C.

Bred by C. Quenault, St. Saviour, Island of Jersey.

Born April 13th, 1911.

2d pr. and parish pr. Apr. '05.

Reserve, with progeny, Apr. '07.

1st pr., Sweepstakes, Breeder's Cup and Reserve Champion, St. Saviour - Grouville, '05.

He was sold for the highest price ever paid on the Island for a bull up to that time. Purchased by Mr. Percival Roberts, Jr., Penshurst Farm, Narberth, Pa.

His dam is full sister to Goldeo Sultana, sold in our 1910 sale for \$3,700, at same time her son Sultana's Oxford Lad sold for \$11,100.

Sired the bull Campanile's Sultan, sold to New Zealand, where he won many prizes, including Championship, and sold at auction in 1910 for \$3,024.

He has sired a long list of prize winners and butter test daughters. Among the latter are:

Violette's Beauty 3d, P. 13895, H. C., Certificate of Merit, May 1900, 1 lb., 11½ oz., 90 days in milk—one of the pair winning Voisin Special for "best cow and heifer," August 1908.

Sultan's Finance, P. 14100, C., Certificate of Merit, May '09, 1 lb., 8½ oz., 113 days in milk; winner of 2d over Jersey and St. Saviour parish prize, Aug., '09; one of group winning President's Cup, Aug., '10.

Golden Fern's Lad, P. 2160, H. C.

Judging by what the sons of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that the daughters are making, their great popularity among Island, England and American breeders, convinces us that "Golden Fern's Lad" is the most prepotent, most distinguished, and pre-eminent Jersey bull the world has ever produced.

His sons and daughters have been winning Champion prizes in the Show Rings from the Atlantic to the Pacific. If his son, "Golden Jolly," was living and could be sold in our next sale, with his daughters, \$15,000 would not be a bad investment.

Born May 10th, 1908.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Spot on left armpit, and on each flank; brisket mostly white; right armpit and tongue white; black and white switch.

A lovely young cow; beautiful head; large, prominent eyes; dish face; thin neck; long, straight back; good withers; best of loins; very broad hips; thin, long tail, beautifully set with magnificent switch; neat in bone; thin, soft, mellow hide; wide and deep body; magnificent udder with good-sized and beautifully placed teats.

Sire**CAMPANILE'S SULTAN, P. 4000, H. C.**

Reserve over Jersey, April, '07.

Selected as the best yearling on the Island for exportation to New Zealand.

A most popular and successful sire in New Zealand, winning Championship over the colony.

He sold at auction last year for \$3,024. His sire, Sultan of Oaklands, was sold at the highest price paid on the Island for a bull up to that time. Although the price was high, Island breeders lost more than ten times that amount by allowing the "Sultan" to leave the Island. His get in years to come will create a sensation.

Sultane's Snowdrop (the dam of Sultan of Oaklands) is a full sister to the famous cow, Golden Sultana, one of the main winners at the great World's Fair held at St. Louis. She sold at our auction sale, May, '10, for \$3,700, at same time her son, Sultana's Oxford Lad, sold for \$11,100.

Campanile 3rd.

P. 10197, H. C.

2d over Jer., Aug., '02. Campanile 3rd is descended from Ever-ton King, P. 3300 C., a remarkable sire of grand cows of magnificent dairy type, inheriting the same from his illustrious dam Quality, which won first prize and Champion Cup at the Royal Show, 1882 and made 16 lbs. 8 ozs. of butter. Twenty-six years ago when on the Island, I was so taken with her that I bought, at a long price, her son, Everton King, P. 3309, C. Quality is also dam of the great bull, Happy, F., 3300, C., that left a grand lot of dairy cows on the Island.

NOBLE OF OAKLANDS,

P. 3909, H. C.

(95700, A. J. C. C.)

1st pr., St. Saviour, '07
1st pr., Royal Show, '10, for bull and 5 female progeny.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age:

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng., Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10.

1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prs. in Eng. and on the Island within three years; and no doubt a corresponding number in America.

(See front page B for picture and full particulars.)

(95700, A. J. C. C.)

1st St. Saviour pr., '07.
1st pr., Royal Jersey Show, '10, for bull and 5 female progeny.
90 first prizes stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and two championships, England, Island of Jersey and America.

1910—36 first prizes in class, 19 championships, Island of Jersey and America. Sons headed first prize herds at five important American shows.

Noble of Oaklands and his sons won all first prizes at the Island bull show, April, '10. Eight first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prizes in England and on the Island within three years, and no doubt an equal or greater number in America.

(See front page B for picture and full particulars regarding the great bull, Noble of Oaklands.)

Sire of many noted prize winners, and grandsire of the famous bull, Boyle, P. 1559, H. C.

Everton King was a remarkable sire of grand cows of magnificent dairy type, inheriting the same from his illustrious dam, Quality, who won first prize and Champion Cup at the Royal Show, '82, and made 16 lbs. 8 ozs. of butter. Twenty-six years ago, when on the Island, I was so taken with her that I bought, at a long price, her son, Everton King, P. 390, C., and left him on the Island to be bred to my cows before shipment to America. Quality is also dam of the great bull, Happy F. 309, C., that left a grand lot of dairy cows on the Island.

The daughters of Noble of Oaklands have in most cases been bred to Gamboge's Knight, and vice versa. Buyers of cows will see the results and the public appreciation of this cross, by noting the individual quality and the demand for calves in this sale by Noble of Oaklands from Gamboge Knight cows. And there are striking examples of practically the same nick where Noble of Oaklands met Majesty blood—a cross not unlike that with Gamboge's Knight. The opportunity to get this combination of blood will not likely again be offered in public auction to any extent.

Golden Fern's Lad, P. 2160, H. C.

Judging by what the sons of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that the daughters are making, their great popularity among Island, England and American breeders, convinces us that "Golden Fern's Lad" is the most prepotent, most distinguished, and pre-eminent Jersey bull the world has ever produced.

His sons and daughters have been winning Champion prizes in the Show Rings from the Atlantic to the Pacific. If his son, "Golden Jolly," was living and could be sold in our next sale, with his daughters, \$15,000 would not be a bad investment.

Leda, P. 6636, H. C.

Due to calve September 17th, 1911, by Gamboe's Knight, P. 3645, H. C. (See front page E for extended pedigree and particulars concerning Gamboe's Knight.) The daughters of Noble of Oaklands have in most cases been bred to Gamboe's Knight, and vice versa. Buyers of cows will see the results and the public appreciation of this cross, by noting the individual quality and the demand for calves in this sale by Noble of Oaklands from Gamboe Knight cows. And there are striking examples of practically the same nick where Noble of Oaklands met Majesty blood—a cross not unlike that with Gamboe's Knight. The opportunity to get this combination of blood will not likely again be offered in public auction to any extent.

No. 137. Heifer.

NOBLE'S PANDORA, 235204, A. J. C. C.

NOBLE OF
OAKLANDS,
P. 3909, H. C.
(95700, A. J. C. C.)

1st pr., St. Saviour, '07.
1st pr., Royal Show, '10, for bull and 5 female progeny.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng., Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10.
1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

Due to calve July 3d, 1911, by Gamboge's Knight, P. 3645, H. C. (See front page E for extended pedigree and particulars concerning Gamboge's Knight.) The daughters of Noble of Oaklands have in most cases been bred to Gamboge's Knight, and vice versa. Buyers of cows will see the results and the public appreciation of this cross, by noting the individual quality and the demand for calves in this sale by Noble of Oaklands from Gamboge Knight cows. And there are striking examples of practically the same nick where Noble of Oaklands met Majesty blood—a cross not unlike that with Gamboge's Knight. The opportunity to get this combination of blood will not likely again be offered in public auction to any extent.

No. 139. Cow.

BLUE BELLE OF ST. SAVIOUR, 173583, A. J. C. C.

With her second calf, gave 6,841 lbs. milk, testing 41x.96 lbs. butter in one year, at Biltmore Farms.

Bred by J. Gallois, St. Saviour, Island of Jersey.
Born January 3d, 1901
Imported 1902 by Biltmore Farms, Biltmore, N. C.
Solid color, black tongue and switch

When you see this cow you will know whence her daughter derives that shapely head, those eyes so full and placid, and the rich, incurved horns. Blue Belle of St. Saviour is a dairy cow of scale and quality, typifying the Flying Foxes when they reach maturity—their best and characteristic of her mother, the immortal Blue Belle, who lived to produce a calf when fifteen years of age. She has a powerful, long capacious body, unusually deep at heart, back level, with broad, strong hips, thin tail, admirably put on, with flowing black switch. Her udder is of enormous size, thin-skinned and veined, milks out to nothing; the milk veins on body prominent and tortuous, teats of the right size, and placed apart as though Nature intended her to be the heavy milker and convenient for the man who does the milking. She is of gentle, matronly disposition, a worker all the time, and a grand breeder and dairy cow. In color, a deep brownish fawn, darker on face, neck, throat, forelegs and flanks. The last of the Blue Belles, and a prize for any herd

Boyle, P. 1559, H. C.
He also sired the great cow, "Speckled Band," dam of the wonderful cow, "Nursie," that made the phenomenal record of 2 lbs. 7½ ozs. of butter in 24 hrs., and won the Silver Medal in the public butter test on the Island, after being in milk 300 days and within 90 days of calving.

Grand dairy cow, milking from 18 to 20 qts. daily, and very persistent.

Sold in our May, '04, auction sale to Mr. Howard Willets, "Gedney Farm," White Plains, N. Y., for \$3,600. Dam of Caumais Lad, P. 2257, H. C., sire of Financial King, P. 2624, H. C., and Guernsey Lad, both noted sires. Dam of Blue Nun, 18 lbs. 5½ ozs. Dam of Golden Lad's Blue Belle, sold in our May, '03, sale for \$1,725. Dam of Blue Belle 6th and 7th and of Blue Belle's Handsome Fox. Also dam of Blue Belle's Golden Fern, 69196, that sold as a calf for \$3,000.

Blue Belle is one of the greatest dairy cows we have ever owned as a mother of a great reproducing butter family. She is way up at the top of the ladder. The following is what we said in our '03 catalog about her daughter, Golden Lad's Blue Belle, that sold for \$1,725:

"Of all the great cows we have imported, this cow heads the list as the most persistent milker we have ever placed a pail under. She milked, when fresh, 22 quarts daily, and all the time she was in quarantine, and no time did she give less than 16 quarts daily, and now, when within three months of calving, she is still milking 12 quarts daily." Her dam, "Blue Belle," is quite her equal.

When on the Island last, we took special pains to go and see the breeder of "Blue Belle," and he told us that her dam, Grisette, was one of the greatest cows in her day on the Island, milking 18 to 20 quarts daily, and never went dry. Her dam, Fiery Cross, F. 5935, H. C., who was also bred by Blue Belle's breeder, had no equal on the Island.

Bred January 27th, 1911, to Noble of Oaklands, P. 3909, H. C. (See front page B for full particulars regarding this famous sire.) When we recall the steady advance in popularity and value of the Blue Belle family, when there is equally rare breeding on the sire's side, what are we to predict for a son or daughter from Blue Belle of St. Saviour, sired by the "King of the Island"? Breeders can not ponder too carefully the advantage, when buying such a great cow, of anticipating the value of the future calf.

No. 140. Cow.

BLUE BELLE OF LINDEN, 230330, A. J. C. C.

Bred by T. S. Cooper, Coopersburg, Pa.
Born October 12th, 1908

Solid color; black tongue and switch.

She has the loveliest face one could wish to see, dished, with fine, slender muzzle; large, dark, "pop" eyes, placed wide apart, as the score card demands, and narrow between the horns, which are yellow and waxy at base, finished in black. Color, the rich, reddish fawn, with which Eminent's Goldmont Lad invariably stamps his get. Body strong, broad and deep, a top line that is perfection itself, a thin, long tail, set as though it belonged there, with generous black switch. She is wonderfully well ribbed, with barrel full and capacious; thin in the thighs; back udder full and attached high, with folds (when dry) extending almost to the vulva; remarkable teats for a heifer of her age, placed just right, and milk veins prominent. The cleanest cut and finest boned individual, with legs the finest a sturdy heifer ever stood on. She has a lovely disposition, gentle and affectionate in nature, and carries the signs of making good in the dairy. Here is a show heifer and outstanding candidate for first honors—one in which the exhibitor can place the utmost confidence.

Golden Fern's Lad,

P. 2160, H. C.

Judging by what the sons of Golden Fern's Lad are doing on the Island and in America, and best of all, the great public butter tests that the daughters are making, their popularity among Island, England and American breeders convinces us that "Golden Fern's Lad" is the most prepotent, most distinguished and pre-eminent Jersey bull that the world has ever produced.

Ten of his get have been sold at an average of \$4,560

(See front page A for full particulars.)

No. 143. Cow.

RALEIGH'S PRETTY KARNAK, 252135, A. J. C. C.

(Karnak 2d, P. 12384, C.)

Winner of Certificate of Merit and Second Prize, Public Butter Test, May, 1909, 40 lbs. 10 ozs. Milk,
2 lbs. 3/4 oz. Butter, 85 Days in Milk.

Certificate of Merit, Public Butter Test, May, 1910, 2 lbs. 1 oz., 67 Days in Milk.

Full Sister to The Imported Jap, 75265, a sire that is "Making Good" in the Herd of Ayer & McKinney.

Bred by G. L. Gruchy, St. Clement, Island of Jersey.

Born March 16th, 1905.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color, black and white tongue, black switch. Those who have seen the distinguished dam of Karnak 2d will recognize at once that she is the counterpart of her mother in color, size, rangy conformation, and evident capacity at the pail. She is a dark grey, with light shadings, just like Karnak, F. 8798, H. C., that holds the record for highest production of butter in the public tests on the Island. She is a cow of wonderfully good constitution, with deep, capacious body, has a handsome dished face, with large, sparkling eyes, strong back, good rump, and thin, long tail, with switch reaching the ground. Her udder is of immense size, running forward and high up behind, very deep and wide, with teats placed far apart, and milk veins running way up on belly.

A business cow from "stem to stern."

(See No. 147 for pedigree, etc., of her handsome bull calf, Karnak's Chief, 96093, A. J. C. C., by Fontaine's Chief, P. 4153, H. C.)

Bred April 30th, 1911, to Noble of Oaklands, P. 3909, H. C. Mr. C. I. Hudson, who owns Karnak's Noble (son of Raleigh's Pretty Karnak, by Noble of Oaklands), told us when here last that he had refused \$2,500 for Karnak's Noble.

FONTAINE'S GOLD MEDAL, 203636, A. J. C. C.

(Karnak, F. 8798, H. C.)

CHAMPION WINNER, ST. CLEMENT SHOW, 1906.

Certificate of Merit in Butter Test, May, 1904, 2 lbs. 15 $\frac{1}{2}$ ozs., 58 days in milk.

Certificate and First Parish Prize in Butter Test, May, 1905, 2 lbs. 7 $\frac{1}{2}$ ozs., 61 days in milk.

Parish Prize, May, 1905.

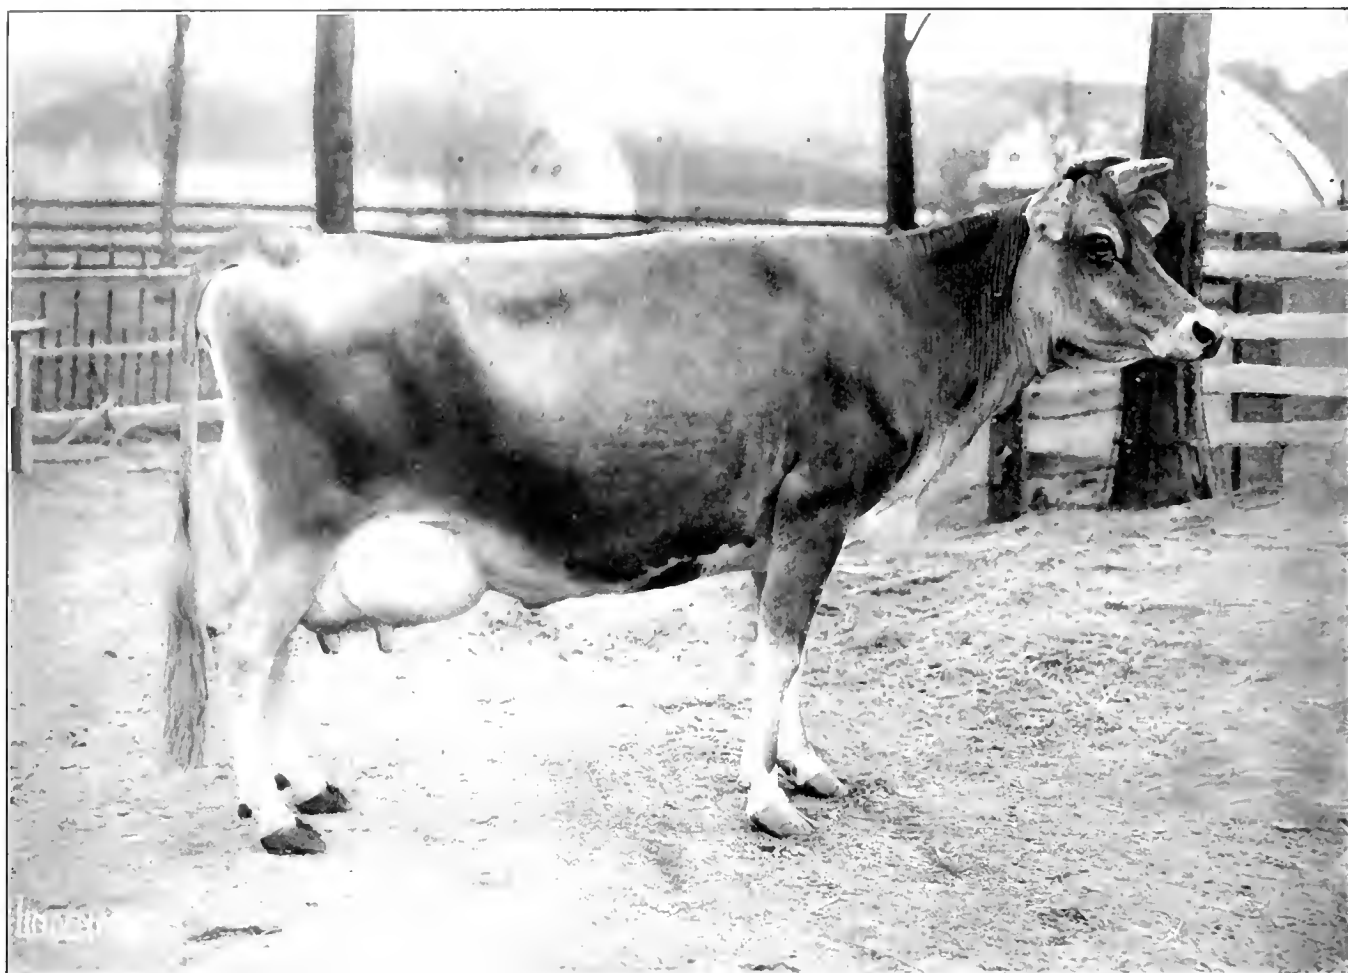

Gold Medal in Butter Test, May, 1906, 3 lbs. 6 $\frac{1}{2}$ ozs., 123 days in milk.

(Holds the Record for Highest Butter Production in the Tests held on the Island.)

She can with comfort make 4 lbs. and over of butter daily when at home and in a quiet stable.

Fontaine's Gold Medal is dam of the bull, The Imported Jap, a bull that is "making good" in the herd of Messrs. Ayer & McKinney. She is also dam of the splendid young cow, Raleigh's Pretty Karnak, 252135, a public butter test winner, whose pedigree and record will be found in No. 143 of catalog. Raleigh's Pretty Karnak is full sister to "The Jap."

Fontaine's Gold Medal (Karnak) sold in our 1908 auction for \$1,600 and had she been in condition on sale day would have fetched a much higher price. She is now owned by Mr. C. I. Hudson, "Knollwood Farm," East Norwich, N. Y., who also owns the great young bull, Karnak's Noble (out of Raleigh's Pretty Karnak, by Noble of Oaklands), for which Mr. Hudson has refused an offer of \$2,500.

RALEIGH'S SARAH, 252134, A. J. C. C.

ONE OF THE "FAMILY" OF THE GREAT EMINENT'S RALEIGH, 69011 (P. 3273, H. C.).

Raleigh won Fourth Prize over Jersey and Second State's Prize, 1903. He is by Eminent 2d, P. 2532, H. C., out of the great cow, Rill, P. 6982, H. C., that gave 65 lbs. milk in one day, and is by a Highly Commended son of Orme, P. 1660, H. C., and out of a Highly Commended daughter of Boyle, P. 1550, H. C. He has sired seven first prize winners on the Island of Jersey, and has 22 daughters in America with butter tests averaging a fraction under 17 lbs. in seven days. He is the sire of Raleigh's Fairy Boy and other famous bulls and cows.

Raleigh's Sarah, 252134 (P. 12026, H. C.), whose picture appears above, was born September 1, 1904. Her dam, Sara de Calais, 197623, is a Highly Commended daughter of Mauser, P. 2892, H. C., he by Golden Fern's Lad. As her picture shows she is a sensational cow, and she is also a splendid breeder, having in this sale three daughters, full sisters, by Noble of Oaklands, as follows:

Noble Pretty Sarah, 252220, born July 24, 1908. Sire, Noble of Oaklands, P. 3909, H. C. Dam, Raleigh's Sarah, 252134. Noble's Pretty Sarah is due to calve September 5, 1911, by Gamboge's Knight, P. 3645, H. C.

Noble's Handsome Sarah, 252249, born April 18, 1910. Sire, Noble of Oaklands, P. 3909, H. C. Dam, Raleigh's Sarah, 252134.

Noble's Beautiful Sarah, heifer calf, born April 21, 1911. Sire, Noble of Oaklands, P. 3909, H. C. Dam, Raleigh's Sarah, 252134.

No. 144. Cow.

RALEIGH'S SARAH, 252134, A. J. C. C.

(P. 12026, H. C.)

Dam of Three Full Sisters, by Noble of Oaklands, P. 3909, H. C. (See Nos. 144½, 145 and 146.)

Bred by G. de Caux, Grouville, Island of Jersey.
Born September 1st, 1904.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Right hind ankle and shank mostly white, brisket, belly, fronts of fore ankles, lower part of left hind leg, tongue and switch white.

A handsome, rich, golden fawn, and manifestly a dairy cow if there is anything in the signs a dairyman looks for. She has a very long body, on short legs, strong, broad back and hips; a worker every minute; handsome head, with soft, intelligent eyes; clean, flat neck; very firm, flat thighs; and when you come to her udder "the tale is told." One of the grandest udders ever seen, which measured 82 inches in circumference before dropping her last calf; attached high up behind and running far forward on belly; wide and deep, with large teats perfectly placed; milk veins prominent and running far forward. She is not only a great dairy cow and a well bred one, but she is a splendid breeder, having three excellent heifers in the sale, all by Noble of Oaklands. You can not overlook Raleigh's Sarah.

Sire
NOBLE OF
OAKLANDS,
P. 3909, H. C.
(95700, A. J. C. C.)

1st pr., St. Saviour, '07.

1st pr., Royal Show, '10, for bull and 5 female progeny.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng., Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10.

1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prs. in England and on the Island within 3 years, and no doubt a corresponding number in America (See front page B for picture and full particulars.)

RALEIGH'S BROWN FONTAINE, 238440, A. J. C. C.

Winner Frenchville Champion Cup, Grouville and St. Saviour Show, 1907.

Here is a cow who, both by her breeding and inheritance, demands the attention of all Jersey connoisseurs. Her sire is Eminent's Raleigh, 69011, who is daily adding to his phenomenally long list of tested daughters. Her dam, Fontaine 10th, P. 8855, H. C., is a daughter of the famous cow, Fontaine 4th, P. 2537, H. C., who won First over Jersey in '90, '91; Blythwood Bowl in '91; milked 22 quarts daily, and tested 3 lbs. of butter in 24 hours.

FONTAINE'S CHIEF, P. 4153, H. C.

Winner of First Prize and Championship over the Island of Jersey, August, 1909.

Son of the Celebrated Noble of Oaklands, P. 3909, H. C.

His dam, Raleigh's Brown Fontaine, 238440, by Raleigh, P. 3273, H. C., is one of the best of Mr. Labey's great Fontaine family—a great dairy cow and grand breeder. She won the Frenchville Champion Cup, Grouville-St. Saviour Show, 1907.

Fontaine's Chief was imported and is owned by Dr. H. D. Rodman, Creekmere Farm, Shelbyville, Ky.

He is the sire of a number of choice young animals in this sale, of both sexes.

No. 147. Bull Calf.

KARNAK'S CHIEF, 96093, A. J. C. C.

Bred by G. L. Gruehy, St. Clement's, Island of Jersey.

Born March 1st, 1911

Imported (in dam) September 20th, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

One of the most promising calves; hearty and rugged, and from his breeding is a most valuable one. Has a level back; good setting of tail; large paunch, and for so young a chap is showing the Jersey type to a remarkable degree. He is out of the same cow, and sired by a Champion winning son of the same sire, as Mr. Hudson's Karnak's Noble, a bull for which \$2,500 has been refused. Nothing but success can be predicted for a bull from so good a sire and dam.

He is a "comer."

Sire
FONTAINE'S
CHIEF,
P. 4153, H. C.

Winner of first prize and Championship over the Island of Jersey, Aug., 1909. One of the best individual and best bred sons of Noble of Oaklands. Imported and now owned by Dr. H. D. Rodman, Creeknere Farm, Shelbyville, Ky.

Brown Fern 2d,

No. 149. Bull.

RALEIGH'S PRETTY NOBLE, 95702, A. J. C. C.

Bred by J. A. Perree, St. Saviour, Island of Jersey.
Born April 29th, 1910.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color, except mottled white on stifles and on belly near scrotum; white tongue, black switch.

Handsome young bull; nice head; large, prominent eyes; long, strong, straight back; splendid withers; good loins; broad hips; long tail well set, with magnificent switch; deep body; rudimentaries of good size and well-placed.

Sire
NOBLE OF
OAKLANDS,
P. 3909, A. J. C. C.
(95700, A. J. C. C.)

1st pr., St. Saviour, '07.
1st pr., Royal Show, '10
for bull and 5 female progeny.

Born April 13, '05.
The prepotency of Noble of Oaklands came into evidence at a very early age. When he was two years and four months old his daughter, Noble Judy was born; and she, when fifteen months old, won first in her class on the Island at the Aug. '08 show, where there were 32 entries.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, England, Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all first prizes at the bull show, April, '10.

1910—Eight first prizes for "get of sire," won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prizes in England and on the Island within three years; and no doubt a corresponding number in America.

(See front page B for picture and full particulars regarding the great bull, Noble of Oaklands.)

Dam
RALEIGH'S
EASEL,
252124, A. J. C. C.
(White Easel,
P. 11556, H. C.)

Winner of third prize, aged cow class, Grouville-St. Saviour show, '10.

(For her full pedigree, see No. 148, on opposite page.)

Blue Belle's
Blue Fox,
P. 3633, H. C.

A very promising sire and great show bull. He was sold at Mr. D. S. Williams' sale, Nashville, Tenn., Dec., '07, to Mr. Harry Prentice, Worcester, Mass., for \$1,025, who was offered a large advance in price right after the sale.

He was shown at the Nashville, Tenn., show, Oct., '07, in a class where the Champion bull of the year was shown; and Prof. Scovell, who had handed out the Champion ribbons at the shows, was free to say, "had he been judge at Nashville, Blue Belle's Blue Fox would have been Champion."

(Blue Belle, P. 4307, H. C.)

Sold in our May, 1904, auction sale to Mr. Howard Willets, "Gedney Farm," White Plains, N. Y., for \$3,600. Dam of Caumais Lad P. 2257, H. C., sire of Financial King, P. 2621, H. C., and Guenon's Lad, both noted sires. Dam of Blue Nun, 18 lbs. 5½ ozs. Dam of Golden Lad's Blue Belle, sold in our May, 1903, sale for \$1,725. Dam of Blue Belle 6th and 7th and of Blue Belle's Handsome Fox. Also dam of Blue Belle's Golden Fern, 69196, that sold as a calf for \$3,000.

Shy Fox,

P. 3143, H. C.
Champion winner at St. Saviour and Grouville Show, Island of Jer., '02.

First and Champion-ship, Ohio and Illinois State Fairs, '03. His sire, Flying Fox, is also sire of Agatha's Flying Fox, P. 3256, H. C., 1st pr. and Sweepstakes, St. Saviour and Grouville Show, '02; 1st pr. over the Island in a class of 44, '02; 1st pr. over the Island, Aug., '03.

Sire of Sultan of Oaklands, 1st prize, Sweepstakes, Breeder's Cup, and Reserve Cham., St. Saviour and Grouville Show, '05. Combination, P. 3744, H. C., 1st prize over Jersey, May, '06. Gamboge's Knight, P. 3615, H. C. (see front page E); and many others.

Blue Belle,
P. 4307, H. C.

Flying Fox,

P. 2729, H. C.
Champion winner over the Island, August, '99. Sold at our auction sale, May, '02 for \$7,500.

Sire of Fox Glove, that tested in public butter test on the Island, 2 lbs. 8½ ozs. in 24 hours. Oxford Vixen, 2 lbs. 2½ ozs.

Fox's Belle of Grouville, 21 lbs. 3 ozs. Fox's Belle of Trinity, 20 lbs. 5 ozs.

Flying Fox's Rowena, 17 lbs. 2½ ozs.

Flying Fox's Pearl, 15 lbs. 7 ozs.

Flying Fox's Brown Belle, 15 lbs. 3 ozs.

Brookhill Fox (out of the great cow, Brookhill Rose 2d), winner 1st at Royal Show, England, '02, in a class of 32, and sold at auction for \$5,000.

Venus Violet,

P. 3946, H. C.
A magnificent dairy cow, milking 20 quarts daily.

Golden Fern's Lad,
P. 2160, H. C.

The most celebrated bull the Island of Jersey has ever produced. His son, Flying Fox, sold in our May, '02, sale for \$7,500. His son, Eminent 2d, sold in our '05 auction sale for \$10,000.

Ten of his get have been sold at an average of \$4,560. (For full particulars see page A.)

Lemon Rex, P. 552, C.

Venus, F. 1784, H. C.

Bobby, P. 208, H. C., inherits through his dam the blood of Mr. Arthur's famous Roses. This family has won many honors in the show ring, and they are noted for their uniform quality and great ability as butter producers. They inherit these qualities from a long line of noted ancestors, among which are Orange Peel, 129; Clement, 61; old Noble; Cowslip, 330; Rose, 339; Forget-me-not, 333; all of which were great prize winners and heavy butter-making cows, or the sires and dams of such. The blending of Coomassie and Young Rose blood has been, through Bobby, productive of the most excellent results and their descendants have always found a ready sale and commanded liberal prices.

No. 151. Bull Calf.

ROSEBAY'S NOBLE, 95703, A. J. C. C.

Bred by J. A. Perree, St. Saviour, Island of Jersey
Born May 4th, 1910.
Imported September 20th, 1910, by T. S. Cooper
& Sons.

Solid color; black tongue and switch.

A very handsome young bull; rich colored horns;
large, prominent eyes; strong, straight back;
hips; good loins; splendid withers; loose, rich-colored
skin; neat in bone.

Sire
NOBLE OF
OAKLANDS,
P. 3909, H. C.
(95700, A. J. C. C.)

1st pr., St. Saviour, '07.
1st pr., Royal Show,
'10, for bull and 5
female progeny.
Born April 13, '05

The prepotency of
Noble of Oaklands
came into evidence
at a very early age.
When he was two
years and four
months old his
daughter, Noble
Judy, was born; and
she, when fifteen
months old, won
first in her class on
the Island at the
Aug., '08, show
where there were 32
entries. When 2½
years old his daughter,
Noble Dora,
was born, and before
she was three
years old had won
a Certificate of Merit
in the Island butter
test of Oct., '10,
with 1 lb. 11 ozs.
butter to her credit,
nearly six months
after she had calved.
If a performance
under similar
circumstances is of
record in the
archives of the Island,
we do not know
where to find it.

90 first prizes and
Championships
stand to the credit
of Noble of Oaklands
and his get in the
past three years.

The first prize win-
nings of his get no
doubt exceed those
to the credit of any
bull of his age;
1908—7 first prizes
at English and Island
shows.

1909—15 first prizes
and 2 Championships,
Eng., Island
of Jersey and America.

1910—36 first prizes
in class, 19 Championships,
Island of Jersey
and America.
Sons headed five
first prize herds
at important American
shows.

Noble of Oaklands and
his sons won all 1st
prizes at the Island
bull show, April, '10.
1910—8 first prizes for
"get of sire" won
by progeny of Noble
of Oaklands at leading
United States
shows.

These prizes all au-
thentic; many more
might be claimed if
reports of shows
were available.

Blue Belle's Blue Fox,
P. 3633, H. C.

A very promising sire
and great show bull.
He was sold at Mr.
D. S. Williams' sale
Nashville, Tenn.,
Dec., '07, to Mr.
Harry Prentice,
Worcester, Mass.,
for \$1,025, who was
offered a large ad-
vance in price right
after the sale.

He was shown at the
Nashville, Tenn.,
show, Oct., '07, in
a class where the
Champion bull of
the year was shown;
and Prof. Scovell,
who had handed
out the Champion
ribbons at the
shows, was free in
saying, "had he
been Judge at Nash-
ville, Blue Belle's
Blue Fox would
have been Cham-
pion."

Sold in our May, 1904, auction sale to Mr. How-
ard Willets, "Gedney Farm," White Plains, N. Y.,

Bobby, P. 208, H. C., inherits through his dam the blood of Mr. Arthur's
famous Roses. This family has won many honors in the show ring, and they
are noted for their uniform quality and great ability as butter producers.
They inherit these qualities from a long line of noted ancestors, among which
are Orange Peel, 129; Clement, 61; old Noble; Cowslip, 330; Rose, 339; Forget-
me-not, 333; all of which were great prize winners and heavy butter-making
cows, or the sires and dams of such. The blending of Coomassie and Young
Rose blood has been, through Bobby, productive of the most excellent results
and their descendants have always found a ready sale and commanded liberal
prices.

Bred by E. Le Roux, St. Martin's, Island of Jersey.
Born April 7th, 1905.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

An exceedingly handsome rich brownish fawn cow, with a sweet head and face, and of ideal breed conformation, carrying no surplus flesh, and of fine finish, yet of vigorous constitution; a hearty feeder and worker at the pail. Has a strong, level back; hips very broad and prominent, with that distinct spinal process endorsed by dairy form scientists as evidence of the dairy capacity which she has demonstrated by her work. Has a wonderfully capacious deep body, with a large flexible udder that milks away to nothing; teats large and milk veins prominent.

A great dairy cow, splendidly bred, and a great breeder.

COWSLIP'S GOLDEN BEAUTY, 252125, A. J. C. C.

(Pretty Sandgirl, F. 9693, C.)

Bred by E. P. Syvrit, St. Marys, Island of Jersey, Born November 28th, 1903.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

One of the largest and strongest cows in the herd and one of the most handsome, possessing great style and finish, ideal conformation, with great scale and stands on the finest of legs. She has the distinct wedge shape that Jersey breeders "swear by," and which characterizes such famous cows as Jersey Belle of Seaside. Is a persistent milker, and can hardly be dried up for calving. A cow of wonderful vitality, proud carriage, strong, with good back and prominent hips. Her udder is immense, attached high up behind and runs well forward; teats remarkably good and beautifully-placed.

In every sense a great dairy cow, and a prepotent breeder.

Hamley, P. 2637, H. C. Now registered as Golden Lad's Champion, 57222, A. J. C. C., and sold at our '00 May auction sale to Mr. Elmer A. Darling, President, A. J. C. C. He won first prize over the Island, '99, in his class; also Champion winner over all bulls at the same show, and has proved himself a great sire.

Golden Hamley, 59875, A. J. C. C. P. 2963, H. C. Sold in our May, '01, auction for \$1,100 to Mrs. M. M. Patterson, Port Kennedy, Pa.

Sire

COWSLIP'S GOLDEN LAD, P. 3250, H. C.

A sire of great dairy cows.

He is out of the same dam as the "Coming" Island sire, Cowslip's Golden Noble, P. 4498, H. C., one of the premier service bulls in the herd of Mr. Jno. A. Perree, Secretary of the Jersey Herd Book.

Golden Lad's Solid Gold, 149162, A. J. C. C. Miramne 7th, P. 7721, J. H. B., H. C. First prize winner St. John, '99. She was sold at our May, '04, auction sale for \$1,000 to Dr. C. E. Still, Kirksville, Mo., and was considered the handsomest cow in the sale.

Cowslip 16th, P. 6084, H. C.

Cowslip 16th was one of the best daughters ever sired by Golden Lad. She was known on the Island as the £1,000 cow, as her breeder would not part with her.

2d H. B. and P. p., '77.

Some years ago while on the Island we called to see Oxford Lass, having been told it would be hard to find her equal in Jersey. Nothing could tempt the owner to name a price on her, and he finally told us that if he sold the cow, he also would have to leave the Island. She has milked as high as 28 quarts daily and her milk veins and udder were a sight to see. We were so much impressed with her that we went to see her several times. Her daughter, Oxford Ixia, tested on the Public Fair Grounds 2 lbs. 13 ozs. in 24 hours. She is also dam of Golden Queen of St. Saviour, 149137, A. J. C. C., that tested in Public Butter Test 2 lbs. 1½ ozs. in 24 hours, 21 days in milk. She is also dam of Flying Fox's Oxford Lass. First pr. winner over the Island, Aug., 1903, in a large class. Also dam of Caiest, P. 2591, H. C., Houp La, P. 2793, H. C., and Oxford Lad, P. 3123, H. C. Three celebrated sires. The latter winning First prize at St. Saviour Show, 1902.

FINANCIAL DAISY, 252132, A. J. C. C.

(P. 12028, H. C.)

Winner of Certificate of Merit, Public Butter Test, October, 1909 -2 lbs. 9½ oz. Butter, 34 Days in Milk (45 lbs. 4 oz. Milk.)

First Over Jersey and Parish Prize, August, 1910.

Winner of BLYTHWOOD BOWL, August 1910.

Bred by J. G. Buessnel, St. Saviour, Island of Jersey, Born July 12th, 1904.

Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color, black tongue and switch.

She "looks the part" of her remarkable record as butter test winner and Blythwood Bowl cow on the Island; has a long, wide, deep body, ribs well sprung, broad and flat, thin withers, long, level back, and a wonderful barrel, deep and capacious. Her head is clean and handsome, with thin flat neck, and she has the crumpled horns of Comassie, tail very thin, long, with switch brushing the ground. She has most tortuous milk veins; an udder perfect in shape, carried up close to body, exceedingly full behind and running far forward, good-sized teats well-placed.

"A bundle of dairy energy and power."

Mabel's Poet,

P. 2964, H. C.

Was bred by Mr. Wm. Lacey, founder and breeder of the great Fontaine and Mabel family.

Mabel's Poet has had a wonderful record. He has been awarded twenty-two first prizes, and is the sire of over fifty first prize winners, including Poet's Pride, champion cow for young cows and Grand Champion, Brockton Fair, Mass., '06; Lady Aldan 2d, 2d over Jersey, '03; Mabel's Blue Belle, 20 lbs. 1 oz. and sold at our '05 sale for \$1,000, and many other great animals. He was sold at auction for \$3,000.

(Blue Belle, P. 4307, H. C.)

Sold in our May, 1904, auction sale, to Mr. Howard Willets, "Gonomy Farm," White Plains, N. Y., for \$3,600. Dam of Comassie Lad, P. 2257, H. C., sire of Financial King, P. 2624, H. C., and Guenon's Lad, both noted sires. Dam of Blue Nun 18 lbs. 5½ ozs. Dam of Golden Lad's Blue Belle, sold in our May, 1904, sale for \$1,725. Dam of Blue Belle 6th and 7th and of Blue Belle's Handloom Fox. Also dam of Blue Belle's Golden Fern, 69196, that sold as a calf for \$3,000. Blue Belle has the distinction of being "counted" by the best breeders in England and America, among them lords and American millionaires, and the day she left the Island it was one of sorrow for those who loved her so well, as she had brought them many pounds sterling, not only for her offspring, but for her gilt-edged butter, which sold weekly at the top price in the St. Helier market.

FINANCIAL BUTTERCUP,
P. 9409, H. C.

Due to calve Aug. 1, 1911, by Noble of Oaklands, P. 3909, H. C. Noble of Oaklands "cleared the platter" at the Island of Jersey Bull Show, April, '10, winning First Over Jersey with his progeny (the greatest distinction that can be accorded a bull) and his sons won all first prizes in all other classes. At the April, 1911, Bull Show his sons, The Squire and Noble's Boy, won first in yearling and two-year old classes. The first prize winnings of the got of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a nick of the blood of those two wonderful cows, Lady Viola and Blue Belle. (See front page B for full particulars of his illustrious parentage).

Financial King,

P. 2624, H. C.

NOBLE OF OAKLANDS, 95700, A. J. C. C., P. 3909, H. C.

Crowned "King of the Island."

Coming "King of America."

Won First Prize, St. Saviour Show, 1907.

First over Jersey, April, 1910, for Bull and Progeny (the most coveted and significant prize the Island affords).

Noble of Oaklands and his sons won all First Prizes at the Island of Jersey Bull Show, April, 1910.

In 1908 his get won 7 Firsts at English and Island Shows.

In 1909 his get won 17 First Prizes or Championships at Island and English shows.

In 1910 his get won 6 First Prizes and 1 Championship at Island and English shows.

In 1910—30 First Prizes in class, 8 Junior Championships, 6 Senior Championships, 1 Grand Championships, won by Noble of Oaklands' get at American shows.

In 1911 2 Sons won First Prizes at the April Bull Show.

8 First Prizes for "get of sire" won by Progeny of Noble of Oaklands at the leading United States shows of 1910.

His sons headed 5 First Prize herds at important American shows in 1910.

(These prizes all substantiated by reports, many others might be claimed if reports with details were available.) First Prizes and Championships only are considered. His get also won many minor prizes. No bull has made a record to approach that of Noble of Oaklands at his age (six years).

Three Daughters with official butter tests on the Island and in America.

Ninety-two First Prizes and Championships Stand to the Credit of Noble of Oaklands and His Get Within the Past Three and One-half Years.

NOBLE OF OAKLANDS IS NOW AT "LINDEN GROVE,"

With His Dam, and His Choicest Sons and Daughters, and a Splendid Line of Aristocratic Females in Calf by Him, to be Offered in Our DECORATION DAY AUCTION, TUESDAY, MAY 30th, 1911, AT COOPERSBURG, PENNA.

Noble of Oaklands was born April 13, 1905.

He was sired by Blue Belle's Blue Fox, P. 3633, H. C., a son of the famous old cow, Blue Belle, P. 4307, H. C., that sold in our 1904 auction to Mr. Howard Willets, owner of "Gedney Farm," for \$3,600, she being then 14 years of age.

His dam is Lady Viola, P. 8463, H. C., the great butter test and inspection class Champion Cow, who "swept the boards" at the Island and English shows from 1904 to 1908. Her record and history appeared in *The Jersey Bulletin* of April 5, 1911.

It is significant when such noted Island breeders as Wm. J. Labey, founder of the Fontaine family, and Chas. Mourant, of Oxford Lad fame, sent their best cows for service to Noble of Oaklands—and thereby reaped a very rich reward, selling their stock at the highest figures known on the Island.

American Breeders are now offered an opportunity of which the Islanders have been deprived, and for which many of the best breeders would be willing to pay large sums—viz., the benefit of service to Noble of Oaklands. Our cows and heifers are the very cream of the Island in breeding and individuality, more than 50 per cent. of those that have been bred have been to Noble of Oaklands. It does not require very deep probing to satisfy one's self of the fact that the coming "Linden Grove" auction offers to American breeders what can not be secured on the Island, though covetously there—here it is, right at your doors, with all the risks and expenses of shipment and quarantine gone through with. It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get some of this blood while it is on the counter. As in the case of Golden Fern's Lad, in a few years it will be at a premium.

Sire
NOBLE OF OAKLANDS,
P. 3909, H. C.

(95700, A. J. C. C.)

1st pr., St. Saviour, '07.
1st pr., Royal Show, '10, for bull and 5 female progeny.
Born April 13, '05.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years.

The first prize winnings of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng., Island of Jersey and American.

1910—36 first prizes in class, 19 Championships, Island of Jersey and American. Sons headed five first prize herds at important American shows.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10.

1910—8 first prizes for "get of sire" won by progeny of Noble of Oaklands at leading United States shows.

These prizes all authentic; many more might be claimed if reports of shows were available.

His get have won more than 100 minor prizes in Eng. and on the Island within three years; and no doubt a corresponding number in American.

(See front page B for picture and full particulars regarding the great bull, Noble of Oaklands.)

Bred February 1st, 1911, to the celebrated Noble of Oaklands, P. 3909, H. C. (See front page B for full particulars of his illustrious parentage.) Noble of Oaklands "cleaned the platter" at the Island of Jersey bull show, April, '10, winning first over Jersey with his progeny (the greatest distinction that can be accorded a bull), and his sons won all first prizes in all the other classes. The first-prize winnings of the get of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a nick of the blood of those two wonderful cows, Lady Viola and Blue Belle. It is not likely that cows in calf to Noble of Oaklands will again be offered at auction, so get a little of this blood while it is "on the counter." As in the case of Golden Fern's Lad, in a few years it will be at a premium.

Oxford Lad has demonstrated to the complete satisfaction of dairymen in general and of Jersey men in particular, that he is a bull which has developed to an unprecedented degree the power to transmit dairy qualities of the highest order. The records of the public Island butter tests for the past five years make interesting reading on this subject. During that time no less than 17 of his daughters have been entered in twenty tests, a number of them having been tested twice. They were all successful in obtaining a Certificate of Merit or higher award.

Sire of

Oxford Lad has dem-
onstrated to the
complete satisfac-
tion of dairymen in
general and of Jer-
sey men in particu-
lar, that he is a bull
which has developed
to an unprecedented
degree the power to
transmit dairy qual-
ities of the highest
order. The records
of the public Island
butter tests for the
past five years make
interesting reading
on this subject.
During that time no
less than 17 of his
daughters have been
entered in twenty
tests, a number of
them having been
tested twice. They
were all successful
in obtaining a Cer-
tificate of Merit or
higher award.

Sire of

tion, May, '10, for
\$2,600.
At our May, '10, auc-
tion sale, 15 animals
sired by Oxford Lad
averaged \$1,778, the
highest average for
any sire of the great
dairy breeds.

(For more extended
pedigree and particu-
lars, see No. 59
of catalog.)

LILAC'S PRINCESS, 235219, A. J. C. C.

Bred by T. Robin, St. Mary, Island of Jersey.
Born May 27th, 1908.
Imported September 13th, 1909, by T. S. Cooper & Sons.
Solid color; black tongue and switch.
Large, prominent eyes, broad forehead, thin neck, long, straight back, broad hips, splendid withers, well-set tail, thin and long; soft, mellow hide; great depth of body, splendid udder, with good sized and well-placed teats.

Oxford Lad,
P. 3123, H. C.
Oxford Lad has demonstrated to the complete satisfaction of dairymen in general and of Jersey men in particular that he is a bull which has developed to an unprecedented degree the power to transmit dairy qualities of the highest order. The records of the public Island butter tests for the past 5 years make interesting reading on this subject. During that time no less than seventeen of his daughters have been entered in twenty tests, five of them having been tested twice. They were all successful in obtaining a Certificate of Merit or higher award.
(See No. 59 for extended pedigree of Oxford Lad.)

Lilac, P. 7996, C.
A magnificent dairy cow; daughter of The Owl, P. 2195, H. C.
Mr. John A. Perce, Secretary Jersey Herd Book, writes as follows: "One of the few daughters of The Owl left on the Island." Large sums of money have been offered for this cow, but always refused.
(See front page N for her extended pedigree.)

Due to calve August 1st, 1911, by the famous bull, Noble of Oaklands, P. 3909, H. C. (See front page B for full particulars of this noted sire.) Noble of Oaklands "cleaned the platter" at the Island of Jersey bull show, April, '10, winning first over Jersey with his progeny (the greatest distinction that can be accorded a bull), and his sons won all first prizes in all the other classes. The first prize winnings of the get of Noble of Oaklands no doubt exceed those to the credit of any bull of his age. He is the result of a mix of the blood of those two wonderful cows, Lady Viola and Blue Belle. It is not likely that cows in calf to Noble of Oaklands will again be offered at auction; so get a little of this blood while it is "on the counter." As in the case of Golden Fern's Lad, in a few years it will be at a premium.

No. 180. Heifer.

JOLLY'S MAY PRINCESS, 252242, A. J. C. C.

Bred by T. J. Malet, St. Saviour, Island of Jersey.
Born November 3d, 1909.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

An exceedingly handsome heifer, nice head, prominent eyes; dished face, thin, long neck, long, strong, straight back; broad hips; splendid withers, best of loins; thin, long tail, beautifully set, with splendid switch, neat in bone; thin, soft, mellow hide; wide and deep body; extraordinary udder development, running way to the front, with large and beautifully-placed teats.

JOLLY'S GOLDEN LADY, 252243, A. J. C. C.

Bred by T. J. Malet, St. Saviour, Island of Jersey.
Born December 6th, 1909.
Imported September 20th, 1910, by T. S. Cooper & Sons.

Solid color, except mottled white on brisket; black tongue and switch.
A very handsome heifer; nice head; large, prominent eyes; thin neck; long, strong, straight back; broad hips, splendid loins; thin, long tail, beautifully set, with splendid switch; soft, milky hide; wide and deep body; splendid udder development, with good-sized and well-placed teats.

Sire
**NOBLE'S
JOLLY SULTAN,
P. 4156, H. C.**

Winner of 1st prize over Jersey, April, '10.

1st over Jersey and Champion, R. J. A. S., August, '10.

He is a son of Noble of Oaklands, "King of the Island." His dam is Jolly Sultane, P. 11003, H. C., the closest living descendant of old Sultane, P. 7, H. C., and sired by Golden Jolly, P. 2921, H. C. Since Noble of Oaklands has left, Noble's Jolly Sultan is the most talked-of bull on the Island; and the get of this young sire which we will show to the public on Decoration Day will make "old Noble" feel proud.

Noble of Oaklands and his sons won all 1st prizes at the Island bull show, April, '10.

Dam
**GOLDEN LADY,
P. 7683, C.**

Noble of Oaklands,
P. 3909, H. C.
(95700, A. J. C. C.)
1st St. Saviour pr., '07.
1st pr., Royal Jersey Show (with five of his female progeny), '10.

90 first prizes and Championships stand to the credit of Noble of Oaklands and his get in the past three years. Noble of Oaklands and his sons won all 1st prizes at the Island bull show, Apr., '10. His get have won more than 100 minor prs. in England and on the Island within 3 years; and no doubt an equal number in America.

He is sire of Noble Dora, P. 14736, Certificate of Merit, public butter test, Oct., '10, 1 lb. 11 ozs., 157 days in milk. She won Reserve over Jersey, May, '10.

The first prize winners of his get no doubt exceed those to the credit of any bull of his age.

1908—7 first prizes at English and Island shows.

1909—15 first prizes and 2 Championships, Eng. Island of Jersey and America.

1910—36 first prizes in class, 19 Championships, Island of Jersey and America. Sons headed five first prize herds at important American shows.

(See front page B for full particulars regarding the great bull, Noble of Oaklands.)

Jolly Sultane,
P. 11003, H. C.
With the exception of Golden Sultane, she is the closest living relative of the famous Sultane, P. 7, H. C.

Golden Fern's Lad,
P. 2160, H. C.
(See above for his extended pedigree.)

Judging by what the sons of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that the daughters are making, their great popularity among the Island, England and American breeders convinces us that "Golden Fern's Lad" is the most prepotent most distinguished and pre-eminent Jersey bull that the world has ever produced.

Invention, P. 7680, C.

Blue Belle's Blue Fox,
P. 3633, H. C.
A son of the famous old Blue Belle, that sold in our '04 sale for \$3,600.

Blue Belle sold in our May, '04, auction sale to Mr. Howard Willets, "Gedney Farm," White Plains, N. Y., for \$3,600. Dam of Caumais Lad, P. 2257, H. C., sire of Financial King, P. 2624, H. C., and Guenon's Lad, both noted sires. Dam of Blue Nnn, 18 lbs. 5½ ozs. Dam of Golden Lad's Blue Belle, sold in our May, '03, sale for \$1,725. Dam of Blue Belle 6th and 7th and of Blue Belle's Handsome Fox. Also dam of Blue Belle's Golden Fern, 69196, that sold as a calf for \$3,000.

When on the Island we took special pains to go and see the breeder of Blue Belle, and he told us that her dam, Grisette, was one of the greatest cows in her day on the Island, milking 18 to 20 qts. daily, and never went dry. Her dam, Fiery Cross, P. 5935, H. C., who was also bred by the breeder of Blue Belle, had no equal on the Island.

Lady Viola,
P. 8463, H. C.

She won first prize over Jer., '04; won in public butter test, May, '04, producing 2 lbs. 12 ozs.; 1st prize over Jersey and Theatre Cup, May, '05; first prize, Sweepstakes, and Champion, St. Saviour and Grouville Show, '05; 1st over England wherever exhibited, '06 and '07; Champion over all England, '07; 1st prize for butter-tested cows, Aug., '07.

(See No. 79 for her picture and extended pedigree.)

Golden Jolly,
P. 2921, H. C.
First prize and Champion, North Show, '00.

Sire of
Golden Warrior, 1st over England Royal Show, '03; 1st over England and Champion, D. S., '03.

Jolly Lady of Beechwood, winner of 1st prize, Illinois State Fair, '08; 1st, Champion and Grand Champion at the National Show, Chicago, '08.

Poppy Viola, 2½ years old, winner of the Bronze Medal in the public butter test, testing 1 lb. 15 ozs., 159 days in milk.

Jolly Lass, 3 years old, testing 1 lb. 15½ ozs., 161 days in milk.

Jolly Maiden, 2½ years old, 1 lb. 8½ ozs., 146 days in milk.
